

...AN ENTERTAINING AND ACTION PACKED SPECTACULAR™ — *New York, Daily News*

Want someone to infiltrate a top-secret organization or steal a scientific formula that could change the world? For the right price, The Saint's your man. And if you're looking for a "sexy smooch of a thriller" (Bill Doherty, ABC Radio Network), The Saint's your man!

Via Kilmer plays suave espionage hero Simon Templar as aka The Saint — and Elisabeth Shue costars in this atmospheric mid-'40s hold adventure and grand romance. An array of sophisticated gadgetry is at Templar's command as he plunges into a cloak-and-dagger ratherworld of move and countermove. Cool, too, is Templar's knack for coming up with the right disguise at the right time. Now you see him. Now you don't... or do you? Each close-call escape is a breathless miracle — and no one knows miracles better than a saint.

*Faith and Action* Roger Antonio Fortin, 2002 Based on extensive primary archival materials *Faith and Action* is a comprehensive history of the Catholic Archdiocese of Cincinnati over the past 175 years Fortin paints a picture of the

Catholic Church's involvement in the city's development and contextualizes the changing values and programs of the Church in the region. He characterizes the institution's history as one of both faith and action. From the time of its founding to the present, the way Catholics in the archdiocese of Cincinnati have viewed their relationship with the rest of society has changed with each major change in society. In the beginning, while espousing separation of church and state and religious liberty, they wanted the Church to adapt to the new American situation. In the mid-nineteenth century, Cincinnati Catholics dealt with a dominant Protestant culture and at times a hostile environment, whereas a century later it had become much more a part of the American mainstream. Throughout most of the nineteenth and early twentieth centuries, most Catholics saw themselves as outsiders. During the past fifty years, however, Cincinnati Catholics like most of their counterparts in the United States have felt more confident and viewed themselves as very much a part of American society.
