southern and eastern Europe and Ireland were the first generations of Catholic women to make lives for themselves outside of their ethnic enclaves Orsi explores the ambitions and dilemmas of these women as they dealt with the pressures of the Depression and the Second World War made modern marriages for themselves entered the workplace took care of relatives in their old neighborhoods and raised children in circumstances very different from those of their mothers and grandmothers Drawing on testimonies written in the periodicals devoted to St Jude and on interviews with women who felt their lives were changed by St Jude s intervention Orsi shows how devotion to St Jude enabled these women to negotiate their way amid the conflicting expectations of their two cultures American and Catholic *The Living Church* ,1904 *Undertow* Elizabeth Heathcote,2017-06-13 An exhilarating debut novel that follows one woman s hunt for the truth when she realizes she might have married a killer They said her death was a tragic accident And I believed them until now Carmen is happily married to Tom although she knows she ll always live in the shadow of another woman the mistress who ended his first marriage Zena Mercurial mesmerizing manipulative Zena a woman who Carmen begins to discover had the potential to incite the darkest of emotions Zena who drowned in the sea late one night Zena seems ever more present even in death and when Carmen unknowingly stumbles on evidence that her husband has not been telling her the whole truth she can t shake her unease As she uncovers documents and photographs a very different tale than the one Tom has led her to believe begins to unfold and she finds herself increasingly isolated and paranoid As the twisted events of that night begin to come to light Carmen must ask herself if it s really a truth worth knowing even if it destroys her and the lives of the people she loves most The Big One David Littlejohn,2011 The Big One follows the lives of nine very different but interrelated characters through the day before the day of and the day after the greatest earthquake ever to hit San Francisco an event expected in the very near future It concludes with a huge internationally televised memorial service for the dead a month later when some of the mysteries that tie together these tormented people are resolved This appears to be a novel about The Big One the great earthquake that we ve been told will inevitably strike San Francisco But it is really a story about human catastrophe dissolution and the heartbreaking struggle for redemption Littlejohn deftly weaves interconnected and unraveling lives on the brink of cataclysm A bold and mesmerizing novel Paul Zalis author Who is the River This is a terrific novel a vivid utterly convincing utterly compelling depiction of the event we ve all spent our lives dreading David Littlejohn brings to his tale breathtaking erudition a born storyteller s gift for page turning narration and a native San Franciscan s love for and intimate knowledge of his home town Erik Tarloff author Face Time and The Man Who Wrote the Book David Littlejohn s The Big One dares to imagine a natural catastrophe of unheard of proportions and then pulls the reader irresistibly through it with luminous details and genuinely complex characters In its epic sweep it gives us people from the full social spectrum of the city from the mentally disturbed homeless street artist to the dowager at the opera And it gets us to care about them Ron Loewinsohn author Magnetic Field s David Littlejohn was born in San Francisco the descendant of 1850 gold seekers He
