GIOVAGNOLI,2018 *The Life of Saint Margaret of Cortona* Anthony Giovagnall,2013-03-12 The Life of Saint Margaret that heroic model of penance which is here presented to the English reader received a Roman approbation in 1751 having been carefully examined by

command of the Master of the Sacred Palace The Carmelite Father Aloysius Mary of Jesus thus speaks In obedience to the commands of the Most Rev Father Augustine Orsi Master of the Sacred Apostolic Palace I have read with attention and pleasure the book entitled Life of Saint Margaret of Cortona by Canon Anthony Francis Giovagnoli and found it worthy of being reprinted here at Rome and most seasonable to sinners as a strong inducement to be converted and rise to a better life to the just as a salutary instruction teaching them at what pace they should press on and advance in that more excellent way whereof the Apostle speaks in his first epistle to the Corinthians This need of satisfaction and restoration is general among us Pure virginal souls are no longer satisfied to keep aloof from the world s corruption they also wish to pray mourn immolate themselves for others make reparation to the Almighty and present themselves before his mercy as victims of expiation Those whom sin has uncrowned and blighted but who are aspiring to return to God aspire also to restore themselves completely in his eyes to recover the virginal splendor of their pristine purity But alas among these many hesitate despair halt in the way of expiation If at least they could hope to reach the point from which they had fallen re enter that group of virgins who follow the Lamb whithersoever he goeth and from which they have been banished if they could restore to their crown that beautiful flower of virginity which they have allowed to wither sacrifice would cost less But is complete reparation possible here Can what no longer exists revive This cruel doubt fills them with interior desolation and bitterness their strength To these fainthearted and unhappy souls we offer a consolation a home The Life of Saint Margaret of Cortona To them we say Take and read here is a penitent whose whole life is a solemn protestation against the doubt which troubles and arrests you proof that virginity may be restored before God that it is susceptible of an unspeakable reparation
