next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In St Paul the Apostle author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today

*Paul as Apostle to the Gentiles* Daniel Jong-Sang Chae, 1997 Between Horror and Hope is a study of Paul s metaphorical language of death in Romans 6 1 11 The scholarly debate focuses on two main issues the origin of the commentatio mortis tradition and its development Dr Sabou argues that the origin of this terminology is original to Paul that it was the apostle s own insight into the meaning of Christ s death a death to sin and his understanding of the identity of Christ in his death as the anointed davidic king which guided him to create this metaphor of dying to sin as a way of describing the relationship of the believer with sin On the development of this language of death the author argues that this language conveys two aspects horror and hope The first is discussed in the context of crucifixion in which Paul explains the believer s death to sin by presenting Christ s death as the death of the anointed davidic king who won the victory over sin and death by rising from the dead Paul affirms that believers are coalesced with what was proclaimed about Christ s death and resurrection thereby allowing him to assert that the releasing of the body from the power of sin is a result of crucifixion This crucifixion is the condemnation inflicted on our past lives in the age inaugurated by Adam s sin and this is such a horrible event that believers have to stay away from sin since sin leads to such punishment In contrast hope is presented in the context of burial The believers burial with Christ points to the fact that they are part of Christ s family and this is accomplished by the overwhelming action of God by which he pushes us toward the event of Christ s death an act pictured in baptism It is this burial with Christ that allows believers to share with Christ in newness of life

*John Calvin's Commentaries On St. Paul's Epistles To The Galatians And Ephesians* John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation
