## **Saint Therese Of The Child Jesus 1873-1897:**

*St Thérèse de L'Enfant Jésus, 1873-1897* August Pierre Laveille, 1928      Thoughts of the servant of God, Thérèse of the Child Jesus De Lisieux Saint Thérèse, 2025-03-02 Thoughts of the Servant of God Thérèse of the Child Jesus is a profound exploration of spirituality encapsulating the essence of Thérèse's deeply contemplative nature within a series of meditative reflections. Written in a lyrical and prayerful style, this work navigates the delicate interplay between human experience and divine grace, demonstrating her renowned Little Way, a concept emphasizing simplicity, humility, and childlike trust in God. The text is steeped in the Catholic literary tradition of the late 19th century, presenting a poignant and accessible guide for those seeking spiritual nourishment amid life's complexities. Saint Thérèse of Lisieux, often celebrated for her profound yet relatable spirituality, was a Carmelite nun whose life was marked by a desire for love and servitude. Her experiences in the convent and the trials of illness and spiritual longing she faced shaped her writings. Recognized as a Doctor of the Church, her theology, woven from personal experience and reflection, resonates with many who seek a deeper connection to their faith. This book is highly recommended for readers interested in spirituality, particularly those seeking inspiration in their faith journey. Thérèse's insights serve as an invitation to embrace the simplicity and depth of God's love, making it an essential read for both spiritual seekers and seasoned practitioners alike.

**Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World** Enzo Lodi, 2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women, we read: "In their lives on earth, you give us an example; in our communion with them, you give us their friendship; in their prayer for the Church, you give us strength and protection." Moreover, as the Second Vatican Council put it, every act of love offered by us to those who are in heaven tends to and terminates in Christ, the crown of all the saints, and through him in God, who is wonderful in his saints and is glorified in them. This book then should be a welcome addition to the ever-increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

**Union Catalog of the Graduate Theological Union** Graduate Theological Union. Library, 1972      **The Saints in Mercy** Pontifical Council for the Promotion of the New Evangelization, 2015-10-06 This book is one in a series of eight promulgated by the Pontifical Council for the Promotion of the New Evangelization, which are the official catechetical resources for the Jubilee Year of Mercy, December 8, 2015–November 20, 2016. Pope Francis will be speaking on these themes in his weekly catechesis throughout the year. At times, we are called to gaze even more attentively on mercy so that we may become a more effective sign of the Father's action in our lives. Pope Francis.

**The Whole World Will Love Me** Dorothy Scallan, 2005-12 This wonderful book links all the elements of her life into one intimate, flowing, and absolutely enthralling story, relating details of her beautiful holy mother, her noble and pious

father her great and generous sisters all of whom entered the convent plus her own story from her infancy to her early entrance into Carmel at 15 to her death at age 24 Toward the end of her life St Therese came to an understanding of her own spiritual advancement for she made several predictions that all came true That her Story of a Soul should be published as soon as possible that she would let fall a shower of roses on the whole world when she died that she would assist anyone who called upon her for aid and finally that the whole world will love her And it does The Little Flower is probably the best known and loved Saint of all time Also explains St Therese s devotion to the Holy Face and shows how it made her a Saint A great gift

**Saints and Feasts of the Liturgical Year** John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God s eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God s grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His

Nevin,2013-06-14 For over a century the Carmelite Sister Th r se of the Child Jesus and the Holy Face 1873 1897 has been revered as Catholicism s foremost folk saint of modern times Universally known as the Little Flower she has been a source of consolation and uplift an example of everyday sainthood by the Little Way This book puts aside that piety and addresses the torment of doubt within the life and writing of a

saint best known for the strength of her conviction Nevin examines the dynamics of Christian doubt and argues that it is integral to the journey toward selfless love which Th r se was compelled to take What Nevin asks did doubt mean to her What was its source and nature What was its object He gives close attention to her reading and interpretations of the Old and New Testaments as pathways through her inner wilderness Her Carmel of spiritual sisters becomes a vivid setting for this drama with other women challenging Th r se by their own trials of faith One of Th r se s indispensable lessons Nevin concludes is the acceptance of one s helplessness in the midst of spiritual darkness Bringing a new direction to the study of Th r se and of the challenges of sainthood itself this book reveals how Th r se s response to divine abandonment is a unique and painfully won imitation of Christ
