*Popular Texts in English* Antonio Ballesteros González, 2001 This book comprises a collection of articles devoted to the academic study of popular texts in English Authors analyse genres which had been habitually looked down on by canonical approaches to literature and art They take into serious consideration forms like horror literature the gothic fantasy detective fiction science fiction best sellers films and television series of different kinds among some other representations of what conservative scholars had been considering as marginal The referential richness of the perspectives reflected here demonstrates that popular texts can be enjoyable for readers and audiences at the same time that they can be significant in order to reach a better understanding of our culture and ourselves at the beginning of a new millennium

What Fresh Lunacy is This? Robert Sellers, 2013-06-13 Oliver Reed may not have been Britain's biggest film star for a period in the early 70s he came within a hairsbreadth of replacing Sean Connery as James Bond but he is an august member of that small band of people like George Best and Eric Morecambe who transcended their chosen medium became too big for it even and grew into cultural icons For the first time Reed's close family has agreed to collaborate on a project about the man himself The result is a fascinating new insight into a man seen by many as merely a brawling boozing hellraiser And yet he was so much

more than this For behind that image which all too often he played up to in public was a vastly complex individual a man of deep passions and loyalty but also deep rooted vulnerability and insecurities Why was a proud patriotic intelligent successful and erudite man so obsessed about proving himself to others time and time again Although the Reed myth is of Homeric proportions he remains a national treasure and somewhat peculiar icon Praise for other books by Robert Sellers Hellraisers The Life and Inebriated Times of Richard Burton Richard Harris Peter O Toole and Oliver Reed So wonderfully captures the wanton belligerence of both binging and stardom you almost feel the guys themselves are telling the tales GQ Vic Armstrong The True Adventures of the World s Greatest Stuntman This is the best and most original behind the scenes book I have read in years gripping and revealing Roger Lewis Daily Mail Don t Let the Bastards Grind You Down a rollicking good read Sellers has done well to capture a vivid snapshot of this exciting time Lynn Barber Sunday Times Pop Stars in My Pantry Paul Simper,2017-08-10 Corrupted by Spandau Slated by Boy George Mothered by Sade Evicted by Bananarama Jilted by Madonna Author columnist and TV writer Paul Simper had a front row seat at one of pop stardom s most exciting shows the 1980s His memoir Pop Stars in My Pantry is an account of a wide eyed wet behind the ears lad from Wiltshire landing in London just as the capital s club scene went into orbit As a pop writer and fellow clubber he had unique access to the artists who would become the biggest pop acts of the decade On any given day he might be required to fly a reader to the other side of the world to hang out with Spandau Ballet accompany Bananarama s Keren and Wham s George Michael on a blind date help Frankie Goes to Hollywood chuck furniture out of TV studio windows in Rome watch Boy George styling and flirting with Paul Weller in fake furs or walk off into the sunset with a newbie called Madonna It is also the tale of his own attempts at pop stardom with the help of former Nana Miss Jacqueline O Sullivan and an unexpected bonus career as a showbiz party DJ for the likes of Prince Whitney Elton and even Al Pacino This is an endlessly entertaining behind the scenes ride the ultimate back stage pass for 1980s pop enthusiasts and lovers of Smash Hits from the man who saw it all The Prisoner Robert Fairclough,2002 It s 35 years since Patrick McGoochan s thriller series The Prisoner a strange blend of espionage psychodrama and fantasy first entranced the British public Tracing the program s evolution from sixties curiosity to worldwide cult the book examines the volatile social and political background which shaped its development With an episode by episode analysis a wealth of previously unpublished photographs production designs props and memorabilia production details cast biographies and interviews with the cast and crew The Prisoner The Official Companion to the Classic TV Series is the ultimate guide to what is now viewed as one of the seminal television series of its time It will be promoted on the dozens of rabid Prisoner websites **St The Way Of The Warrior** Diane Carey,2012-07-31 The entire Alpha Quadrant has been threatened with deadly infiltration by the shape shifting Founders of the Dominion Already the Romulans and Cardassians have been decimated by the clandestine machinations of the Founders Now the newly promoted Captain Benjamin Sisko of Deep Space Nine has another problem a massive fleet of Klingon warships has arrived at DS9 on a secret

mission Unable to learn anything from an elusive Klingon general Sisko turns to Lt Commander Worf formerly of the Starship Enterprise and the only Klingon in Starfleet to try and uncover the truth What Worf learns will have a profound impact on the future of the Alpha Quadrant and Sisko must risk destroying the Federation Klingon alliance to prevent a full scale war St Ng #33 Balance Of Power Dafydd Ab Hugh,2012-07-17 When a famous Federation scientist dies his son puts his inventions up for sale to the highest bidder be they Federation Klingon Romulan or Cardassian Among the items at auction is a photon pulse canon capable of punching through a starship s shields with a single shot Meanwhile Wesley Crusher is kidnapped from the Academy by renegade Ferengi who have set their sights on the photon canon as well and Captain Picard must outmaneuver enemies on every side to save Wesley and protect the Enterprise™ from the deadly fire of the new canon
