Popular Arthurian Traditions Sally K. Slocum, 1992 Scholars of popular culture turn their attention to various expressions of the Arthurian legend most from the 20th century with a more balanced consideration of women writers characters and critics than has traditionally been the case Among the topics are the image of Morgan Le Fay postmodern Arthur Mark Twain Joseph Campbell and several recent movies No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR **Messages from Heaven** Patricia Kirmond, 2020-02-10 What is heaven really like A recently departed soul speaks from heaven about his experiences on the other side The unseen author of this book tells us of life s true purpose and urges us to make the most of our sojourn on earth He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see If we act now we can still turn things around but we need help from heaven I have witnessed so many beautiful and amazing events on this side However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference I feel an urgency to help people recognize the signs of the times This story of a soul s life after death will change the way you look at life and death **The Theory of Livevolution** Robert Roselli, 2008-11 There is a drive for a New World Order afoot and it s not an accident The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus day are tying up some loose ends 2008 The introduction lays the groundwork for the rest of the book Section 1 posted on my website THEorYofLIVEvolution com for length purposes establishes the unique reality of Biblical Christianity This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and Them at this point Section 2 points out the world is about to be plunged into a New World Order of Biblical proportions If you think this scenario is outlandish the free U S non coincidentally meets every one of the criteria for atheistic Communism listed in Marx s Communist Manifesto As Section 3 discusses what They have planned for you on Mother Earth
