Baumbach,2017-05-31 Winner of a 2018 Association of Catholic Publishers Award Resources for Ministry First Place and a Catholic Press Association Award Pastoral Ministry Second Place Drawing on more than forty years of experience as a catechist parish DRE textbook publisher and founding director of the Echo Program at the University of Notre Dame Gerard F Baumbach explores contemporary catechesis in light of its history This landmark book is an essential resource for every catechetical leader and will spur a new appreciation of the opportunities and challenges of catechesis in the Church today The Way of Catechesis offers a new and timely perspective on the vital ministry of catechesis at a pivotal moment in the work of New Evangelization Baumbach shows how today s

catechists can follow the pedagogy of Jesus the way the truth and the life and he invites readers to an understanding that includes both the process and the content of handing on the faith and also a way of living in union with Christ the Teacher Baumbach asks readers to consider how key issues and questions throughout the Church's history shed light on today's questions and concerns Numerous reflection questions help the reader prayerfully reflect and personally integrate the lessons For example What is Jesus teaching you through the Beatitudes about the need for a new evangelization in your life as you seek to promote the Church's mission to evangelize What does our history teach us about inviting Catholics who are distant from the Church to find the way back to this community of faith What is your earliest memory of hearing about the Second Vatican Council What questions did you have What questions about Vatican II do you have now Drawing from his own experience study and implementation of the Rite of Christian Initiation of Adults Baumbach highlights four characteristics belonging believing discerning and living that help the reader connect the history of catechesis with their own faith and practice in the Church today Each chapter also includes a broad look at highlights of some important dimensions of the catechetical climate weaving together influences that affected the era In addition Baumbach explains the role of key thinkers in each period of the history of catechesis is explained including Cyril of Jerusalem Thomas Aquinas Robert Bellarmine and Joseph Jungmann Those engaged in catechesis and evangelization at every level will find much to enrich their ministry and deepen their commitment to the Church in this extraordinary book

Inside the Church of Flannery O'Connor Joanne Halleran McMullen, Jon Parrish Peede, 2008 Concerning the debate of classifying O'Connor as a religious writer this book features essays by some of the leading scholars who have advanced the codification of O'Connor as a writer preoccupied with religious and especially Catholic themes

Righteous Religion Kathleen Ritter, Craig O'Neill, 2014-05-22 Why are so many individuals discouraged at spiritual dead ends even when they are active participants in their churches Righteous Religion exposes the authoritarian misuse of Christian teaching that often leaves its members ignored chastised or belittled This new book offers hope for anyone who has struggled with disillusionment in the face of an unbending religious system After unmasking a bewildering network of illusions that operate beneath the surface of Fundamentalism and dogmatic Catholicism the authors help readers find their own voices of truth This is a candid book that analyzes the grip of Fundamentalism and Catholicism on their respective followers despite financial and sexual scandals misuse of power and influence apparent hypocrisy and selective self-righteousness of these two religious systems Using real life stories of ordinary people in ordinary churches Righteous Religion demonstrates that the efforts involved in maintaining illusions are incompatible with claiming a personal spiritual voice The authors discuss the relationship between the breakdown of erroneous notions and the growth that will involve readers in finding their own voice From the stories presented readers will see the journey progress from questioning previously unquestioned assumptions reclaiming the best out of their religious traditions and then transcending that which is no longer viable by grieving over illusions learning to live with paradox and transforming illusions into a new

valid and spiritually personal religious truth As readers begin the journey of finding their own spiritual voice their experiences will be validated by the prose and stories in Righteous Religion Those outside of Fundamentalism and Catholicism can begin to understand the practices of these religious groups through the authors clear explanation of the dynamics and inner workings of creed bound Fundamentalism and Catholicism This book has appeal to anyone whether from within or outside religious tradition who has questioned the grip of Fundamentalism and Catholicism on individuals
