## **Saints And Latin Decadence:**

**Saints and Latin Decadence** Terrel Hale, 2001 What follows is not a story It is descriptions of instinct and desire of the secular and holy It is in a way what I see the purpose of art being This is a novel that doesn't behave It does not participate in good manners Samuel Beckett said that the task of the artist is to find a form to accommodate the mess This novel trusts the reader to do the work of narrating connections and stretches the assumptions about what texts are I disrupt old narratives not because I have no faith in narratives but because I mean for the reader to see in my gaps and verbal impasses the opening for new narratives I have aided the metamorphosis from narrative into non narrative by experimenting with typography This is a book that has to be turned over and side ways in order that it be read both as pictures and text This is a novel existing in the space of poetry creating an effect that adorns the action where the effect is more than the action It is prose written with the intensity of poetry a prose poem or something in between with more extended meditation in the same tradition of Edgar Allen Poe's Eureka or Baudelaire's Prose Poems or Bernadette Mayer's extended studies where the sentences keep accruing Here there is no epiphany at any moment or no epiphany at all and because of this this work is intentionally disorienting and disconcerting One of my intentions was to be as close to nature as possible Working outdoors was my inspiration and the primary object of my study My aim was to respond to the scene before me to avoid conventional ways of seeing and to fill my work with a sense of open air rather than studied light A Study of the Vocabulary and Rhetoric of the Letters of Saint Augustine Sister Wilfrid Parsons, 1923 **Saints, Scholars, and Heroes: Carolingian studies** Margot H. King, Wesley M. Stevens, 1979 Against the Grain Joris-Karl Huysmans, 1922 **Srimanta Sankaradeva: Vaishnava Saint of Assam** Bimal Phukan, 2017-02-23 Sankaradevas 16th century figured silk tapestries known as Vrindavani Vastra today adorn museums of the world including those at London Paris and Los Angeles However Srimanta Sankaradeva the Vaishnava Saint of Assam is revered most as a religious reformer A contemporary of Kabir Nanak and Chaitanya Sankaradeva is one of the religious leaders of great endowment who blazed across the Indian horizon in the 15th century bearing the message of bhakti to the people Sankaradeva 1469-1568 was a man of creativity and above all he was a man of religion His literary and artistic activities are not ends in themselves they are consciously oriented towards the sharing of his creed His work be it a hymn a verse for chanting dramas for the stage dance forms or even a drum for accompaniment was only to draw his audience to the word of God That he performed each task with consummate excellence is a measure of his greatness His key literary texts are a part of every Assamese household and his dance forms are today a part of classical canon of Indian dance traditions It remains a pity that despite his great achievements Sankaradeva is relatively unknown outside his native state of Assam This book attempts to give an overview of the life and works of the multi-faceted genius encompassing art literature music dance and drama **Saints, Scholars, and Heroes** Charles Williams Jones, 1979 *Colonial Latin America* Kenneth Mills, William B.
