Saints And Angels:

Angels and Saints Scott Hahn, 2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simpering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must **Saints and Angels** Claire Llewellyn, 2013 Richly illustrated with fine art Saints and Angels describes the lives and works of many familiar and unfamiliar saints and angels Among those included are the apostles John the Baptist Joan of Arc and the first native born American saint Elizabeth Ann Bayley Seton Details of feast days and patronages are also discussed Coverage includes information about choirs of angels guardian angels and fallen angels **Saints & Angels** Doreen Virtue, 2018-03-06 In this comforting reference guide Doreen Virtue introduces you to the various ministering spirits of heaven and 42 inspirational figures who walked the earth As you read this fascinating thoroughly researched three part book you ll come to understand the exact roles that different beings of God fulfill both in the Bible and in our lives and how they can help you today Part I By getting to know each living and loving Person of the Holy Trinity Father Son and Spirit you ll be prepared to answer the questions you have about faith and purpose as well as accept their spiritual gifts of wisdom healing miracles and prophecy among many others Part II You ll learn how God uses angels full of his grace power and majesty throughout the Bible to do his work in the heavens and in the earthly realm Whether it s to draw you closer to him protect you from danger lend you a helping hand or simply accompany you on your journey God has a host of angels he will lovingly dispatch to your side Part III You ll be touched by the amazing stories of endurance commitment and miracles of the saints Through the inspiring examples of these ordinary men and women who acted in extraordinary ways because of their faith you can begin to find the strength you need to likewise face and overcome hardships Doreen also offers a comprehensive list of

Partners in Holiness: Guardian Angels in the Lives of the Saints Melaine Ryther, 2011-01-28 Everyone has an angel story or so it seems but the Catholic Church has some pretty spectacular ones especially those that are found in the lives and legends of the saints Starting in earliest Christian times with Gregory the Great and finishing in the 20th century with one of the Church's newest saints Padre Pio Partners in Holiness tells the stories of nine men and women who grew in virtue and holiness with the assistance of their angels Sometimes the help was sublime sometimes it was stunning St John Bosco's assumed the form of a large dog and protected him on numerous occasions from bloodthirsty assailants St Frances of Rome's helped her to read at night by the light of his hair St Lydwine's flew her to faraway places in the heavens and on earth And St Gemma Galgani's graced her with constant visible companionship for most of her short life Written in a manner friendly to all age groups these accounts recreate the times and settings in which they occurred But always at their core is the message that the friendship of an angel is not just for a canonized saint but is a gift to each of us saint or sinner Woven throughout the book are teachings and anecdotes about the angels from a Catholic perspective For anyone interested in angelology
