Excerpt from Salad for the Social By the Author of Salad for the Solitary Southey remarks that there are some persons who are willing to be pleased and thankful for being pleased without thinking it necessary that they should be able to parse their pleasure like a lesson or give a rule or reason why they are pleased It is the aim and design of the following pages to put the reader in this precise condition believing with Sydney Smith that all mankind are happier for having been happy so that if you make them happy now you make them happy twenty years hence by the memory of it Old books by great authors are not in everybody s reach and though it is better to know them thoroughly than to know them here and there yet it is a good work to give a little to those who have neither time nor means to get more When in any fragrant scarce old tome the bookworm discovers a sentence or an illustration that does his own heart good he should hasten to give it currency Most readers readers con amore have some snug little corner in the storehouse of memory in which they treasure up choice passages of their favourite authors It requires more than a mental process to reduce such a heterogeneous collection to something like order The present Volume with its antecedent originated in some such an attempt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Salad for the Social Frederick Saunders,2019-08-13 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **Salad for the Social: by the author of "Salad for the Solitary."** The introduction is signed F.
