Lawrence S. Graham, Harry M. Makler

Salazar And Modern Portugal:

Salazar and Modern Portugal Hugh Kay, 1970

Contemporary Portugal Lawrence S. Graham, Harry M.

Makler, 2014-07-03 Despite worldwide interest in the Portuguese Revolution of 1974 Portugal remained for most people a little known and poorly understood country neglected for years by social scientists Editors Graham and Makler brought together for the first time in one substantive volume most of the leading social science experts on Portugal The contributors highly original research represents the best work generated by the International Conference Group on Modern Portugal at its two major conferences held in 1973 and 1976 The result is a comprehensive collection of essays discussing in detail the events leading up to the revolution the causes of the military coup and the movement of a society on the brink of revolutionary upheaval toward open democratic parliamentary elections As the first interdisciplinary study to span fifty years of Portuguese history from the Estado Novo of 1926 to the eventual social democratic republic this book stands alone in its field The specialist as well as the general reader will find insights into the dynamics of Portugal's people politics and economics

Salazar Tom Gallagher, 2020-09-01 Fifty years after his death Portugal's Salazar remains a controversial and enigmatic figure whose conservative and authoritarian legacy still divides opinion Some see him as a reactionary and oppressive figure who kept Portugal backward while others praise his honesty patriotism and dedication to duty Contemporary radicals are wary of his unabashed elitism and skepticism about social progress but many conservatives give credit to his persistent warnings about the threats to Western civilization from runaway materialism and endless experimentation For a dictator Salazar's end was anti climactic a domestic accident But during his nearly four decades in power he survived less through reliance on force and more through guile and charm This probing biography charts the highs and lows of Salazar's rule from rescuing Portugal's finances and keeping his strategically placed nation out of World War II to maintaining a police state while resisting the winds of change in Africa It explores Salazar's long running suspicion of and conflict with the United States and how he kept Hitler and Mussolini at arm's length while persuading his fellow dictator Franco not to enter the war on their side Iberia expert Tom Gallagher brings to life a complex leader who deserves to be far better known

Consensus and Debate in Salazar's Portugal Ellen W. Sapega, 2008-10-03 Ellen Sapega's study documents artistic responses to images of the Portuguese nation promoted by Portugal's Office of State Propaganda under Antnio de Oliveira Salazar Combining archival research with current theories informing the areas of memory studies visual culture women's autobiography and postcolonial studies the author follows the trajectory of three well known cultural figures working in Portugal and its colonies during the 1930s and 1940s The book begins with an analysis of official Salazarist culture as manifested in two state sponsored commemorative events the 1938 contest to discover the Most Portuguese Village in Portugal and the 1940 Exposition of the Portuguese Speaking World While these events fulfilled their role as state propaganda presenting a patriotic and unambiguous view of Portugal's past and present other cultural projects of the day

pointed to contradictions inherent in the nation's social fabric. In their responses to the challenging conditions faced by writers and artists during this period and the government's relentless promotion of an increasingly conservative and traditionalist image of Portugal, Jos de Almada Negreiros, Irene Lisboa, and Baltasar Lopes subtly proposed revisions and alternatives to official views of Portuguese experience. These authors questioned and rewrote the metaphors of collective Portuguese and Lusophone identity employed by the ideologues of Salazar's Estado Novo regime to ensure and administer the consent of the national populace. It is evident today that their efforts resulted in the creation of vital enduring texts and cultural artifacts.

Consensus and Debate in Salazar's Portugal: Visual and Literary Negotiations of the National Text, 1933-1948, In Search of Modern Portugal Lawrence S. Graham, Douglas L. Wheeler, 1983 *Portugal* Tom Gallagher, 1983 The Lisbon Route Ronald Weber, 2011-05-16

The Lisbon Route tells of the extraordinary World War II transformation of Portugal's tranquil port city into the great escape hatch of Nazi Europe. Royalty, celebrities, diplomats, fleeing troops, and ordinary citizens desperately slogged their way across France and Spain to reach the neutral nation. Here the exiles found peace and plenty, though they often faced excruciating delays and uncertainties before they could book passage on ships or planes to their final destinations. As well as offering freedom from war, Lisbon provided spies, smugglers, relief workers, military figures, and adventurers with an avenue into the conflict and its opportunities. Ronald Weber traces the engaging stories of many of these colorful transients as they took pleasure in the city's charm and benign climate, its ample food and drink, its gambling casino, and Atlantic beaches. Yet an ever-present shadow behind the gaiety was the fragile nature of Portuguese neutrality, which at any moment the Axis or Allies might choose to end.

Portugal Country Study Guide Volume 1 Strategic Information and Developments IBP USA, 2012-03-03

Portugal Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments *Historical Dictionary of Portugal* Douglas L. Wheeler, Walter C. Opello Jr., 2010-05-10

Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy. One of the continent's oldest nation states, Portugal has frontiers that are essentially unchanged since the late 14th century. The country's unique character and 850-year history as an independent state present several curious paradoxes. As of 1974, when much of the remainder of the Portuguese overseas empire was decolonized, Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe. This is in spite of the fact that Portuguese society had received during 2,000 years of infusions of other ethnic groups in invasions and immigration: Phoenicians, Greeks, Celts, Romans, Suevi, Visigoths, Muslims, Arab, and Berber, Jews, Italians, Flemings, Burgundian, French, black Africans, and Asians. Indeed, Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula, between the West and North Africa, Tropical Africa, and Asia and America. Since 1974, Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire. The third edition of *Historical Dictionary of Portugal* greatly expands on the second edition through a chronology and

introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects *The History of Portugal* James M. Anderson,2000-02-28 This informative concise and engagingly written work provides the most up to date history of Portugal current through 1999 and gives a full picture of the political social cultural and economic influences that shaped the history of Portugal Covering the period from Portugal s early conception as a nation through its long history with emphasis on the dramatic period of the last several decades this volume culminates with the demise of the Salazar dictatorship and the independence of its colonies Complete with a timeline for easy reference to events brief biographies of important people lists of monarchs and heads of state and a bibliographic essay it is the ideal companion for the student or interested reader In nine chapters Anderson discusses the geography of Portugal its prehistoric antecedents its formation as a nation and the events that once made it a world leader in exploration discovery and imperial power How and why the country was drawn into the orbit of its large neighbor Spain lost much of its empire and yet managed to regain its independence are examined along with the trials and tribulations encountered on its journey from monarchy to modern republic The discussion presents the factors that kept Portugal one of the poorest nations in Europe for most of its existence and the reasons that it is now leading into the 21st century closing the economic gap with wealthier nations **European Dictatorships 1918-1945**

Stephen J. Lee,2016-02-12 *European Dictatorships 1918 1945* surveys the extraordinary circumstances leading to and arising from the transformation of over half of Europe s states to dictatorships between the first and the second world wars From the notorious dictatorships of Mussolini Hitler and Stalin to less well known states and leaders Stephen J Lee scrutinizes the experiences of Russia Germany Italy Spain Portugal and Central and Eastern European states This fourth edition has been fully revised and updated throughout New material for this edition includes the most recent research on individual dictatorships a new chapter on the experiences of Europe s democracies at the hands of Germany Italy and Russia an expanded chapter on Spain a new section on dictatorships beyond Europe exploring the European and indigenous roots of dictatorships in Latin America Asia and Africa Extensively illustrated with images maps tables and a comparative timeline and supported by a companion website providing further resources for study www.routledge.com/cw/lee *European Dictatorships 1918 1945* is a clear detailed and highly accessible analysis of the tumultuous events of early twentieth century Europe

Lisbon Neill Lochery,2011-11-01 Lisbon had a pivotal role in the history of World War II though not a gun was fired there The only European city in which both the Allies and the Axis power operated openly it was temporary home to much of Europe s exiled royalty over one million refugees seeking passage to the U S and a host of spies secret police captains of industry bankers prominent Jews writers and artists escaped POWs and black marketeers An operations officer writing in 1944 described the daily scene at Lisbon s airport as being like the movie *Casablanca* times twenty In this riveting narrative renowned historian Neill Lochery draws on his relationships with high level Portuguese contacts access to records

recently uncovered from Portuguese secret police and banking archives and other unpublished documents to offer a revelatory portrait of the War's back stage. And he tells the story of how Portugal, a relatively poor European country, trying frantically to remain neutral amidst extraordinary pressures, survived the war not only physically intact but significantly wealthier. The country's emergence as a prosperous European Union nation would be financed in part by a cache of Nazi gold.

Portugal's Political Development Walter C. Opello Jr., 2019-07-05 Portugal's early developmental experience created a highly centralized administrative state that continues to have a powerful influence on the nature and style of the country's government and politics. Emphasizing this theme, Dr. Opello shows that, contrary to the conclusions of scholars who have analyzed Portugal from Latin American or Third World perspectives, Portuguese political development is more comparable to the pattern of development of West European countries, especially France. He compares Portugal's political experience with that of other West European countries and concludes by speculating about the future of Portugal's fledgling democracy.

Transitions from Authoritarian Rule Guillermo O'Donnell, Philippe C. Schmitter, Laurence Whitehead, 2013-07-16 An array of internationally noted scholars examines the process of democratization in southern Europe and Latin America. They provide new interpretations of both current and historical efforts of nations to end periods of authoritarian rule and to initiate transition to democracy. Efforts that have met with widely varying degrees of success and failure. Extensive case studies of individual countries, a comparative overview, and a synthesis of conclusions offer important insights for political scientists, students, and all concerned with the prospects for democracy. The historical example of Italy after Mussolini, as well as the more recent cases of Greece, Portugal, Spain, and Turkey, suggest factors that may make a transition relatively secure.

An Authoritarian Third Way in the Era of Fascism António Costa Pinto, 2021-11-25 This book takes a transnational and comparative approach that analyses the process of diffusion of a third way in selected transitions to authoritarianism in Europe and Latin America. When looking at the authoritarian wave of the 1930s, it is not difficult to see how some regimes appeared to offer an authoritarian third way somewhere between democracy and fascism. It is in this context that some Iberian dictatorships, such as those of Primo de Rivera in Spain, Salazar's New State in Portugal, and the short-lived Dollfuss regime in Austria, are mentioned frequently. Especially during the 1930s and in those parts of Europe under Axis control, these models were discussed and often adopted by several dictatorships. This book considers how and why these dictatorships on the periphery of Europe, especially Salazar's New State in Portugal, inspired some of these regimes' new political institutions, particularly within Europe and Latin America. It pays special attention to how, as they proposed and pursued these authoritarian reforms, these domestic political actors also looked at these institutional models as suitable for their own countries. The volume is ideal for students and scholars of comparative fascism, authoritarian regimes, and European and Latin American modern history and politics.

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history, focusing on the politics, economy, culture, and

society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

Salazar And Modern Portugal Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Salazar And Modern Portugal PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Salazar And Modern Portugal PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Salazar And Modern Portugal free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Salazar And Modern Portugal Books

What is a Salazar And Modern Portugal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Salazar And Modern Portugal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Salazar And Modern Portugal PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Salazar And Modern Portugal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Salazar And Modern Portugal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
