Sales Management

Chris Noonan, 2010-08-27 Sales Management is a complete and practical handbook for all involved in the field of selling. It is an essential source book, a complete sales management course and a consultant's detailed plan in one volume. The sales manager needs all the skills and qualities of the salesperson in order to get things done by effective management of an often quite diverse team of people. The emphasis in his or her role is on planning, controlling, monitoring, managing and motivating their sales force. Step by step, the book provides detailed guidance to the practicalities of organization and management, including selection, training, motivation, communication and control. The author also gives in-depth analysis to such vital topics as forecasting and sales promotions, the use of planning and control forms and alternative sales distribution methods such as franchising. It will be key reference and reading for every practising sales manager at area manager level and above in large corporations and the field or local manager in smaller companies with less structured organizations. Intensive Sales Management John Cameron Aspley, 1929 **Management Review** Amacom, 1987 The Sample Case, 1924 Writing for Business Institute of Leadership & Management, 2012-07-26 Super series are a set of workbooks to accompany the flexible learning programme specifically designed and developed by the Institute of Leadership Management (ILM) to support their Level 3 Certificate in First Line Management.
