Mays 2010 p 1736 Willie represents the one who tried to fulfill this dream to be a salesman and failed being eliminated from productive life Even being old and having wife Linda and two adult sons Biff and Happy Willie willfully continues going against himself The plot combines present actions and flashbacks as a reality and illusion which is one of the main themes of Death of a Salesman Willie betrayed his real wishes and life path and although he is responsible for failing his self realization in life his environment as well as his wife s and sons influence contributed to the elimination of real dreams to the same extend as he himself did Death of a Salesman's Son Arthur Estrada PhD,2022-08-04 This play takes place in the mid twentieth century a period during which the man of the house in a Cuban family living in Ybor City the Latin quarter of Tampa Florida rules resolutely and at times stubbornly and the wife and children obey without question They obey until the patriarch s authority is lost upon his death The play dramatizes the falling apart of a family when the patriarch s sons who do not share their deceased father s commitment or ambitions conspire to abandon their father s dream and seek their own divergent goals This play begins with the death of a driven and domineering Cuban salesman and businessman who through his own intentional death provides his sons with a foundation from which to prosper Poor decisions blind ambition and personal conflict result in disappointment and heartache
