## Salinger A Critical Personal Portrait:

**Salinger** Henry Anatole Grunwald, 2009-12-29 Now back in print a timeless collection of essays celebrating one of American literature's most acclaimed and enigmatic icons J D Salinger's provocative writing and unmatched eye for the contours of American youth have earned him a place in literary and cultural history Few living American writers enjoy more exuberant and widespread acclaim though in his ninety years Salinger has published only one novel the extraordinary *The Catcher in the Rye* and several enormously successful short story collections In 1962 before the shy and elusive author made his mysterious withdrawal from public life editor Henry Anatole Grunwald asked twenty six of Salinger's peers to explore the perplexing questions surrounding the writer and his work What manner of man was he Was he primarily a social commentator a satirist a religious fanatic or simply a genius This new edition of the classic work revived in the ninth decade of Salinger's life stands as an extraordinary time capsule an intimate examination and appreciation of a singular American literary artist whose work remains powerful and true to this day **Salinger** Henry Anatole Grunwald, 1962 *Salinger. A Critical and Personal Portrait. D. and with an Introd. by Henry Anatole Grunwald* Henry Anatole Grunwald, 1963

**Salinger, a Critical and Personal Portrait** Henry Anatole Grunwald (ed), *The Other Fifties* Joel Foreman, 1997 From the Edsel to Eisenhower from Mau Mau to Doris Day and from Ayn Rand to Elvis contributors to *The Other Fifties* topple the decade's already weakened image as a time of unprecedented peace prosperity and conformity Representing the fifties as a period of cultural transformation contributors reveal the gradual unmaking of traditions and value systems that took place as American culture prepared itself for the more easily observed cultural turbulence of the 1960s Well known contributors demonstrate how television the novel the Hollywood movie the Broadway musical and rock and roll assaulted midcentury American attitudes toward sexuality race gender and class so altering public sensibilities that what was novel or shocking in the fifties seems tame or even downright difficult to grasp today They also rebut the widely held view that 1950s consumerism led to cultural homogeneity replacing this view with a picture of robust popular markets that defied conservative controls and actively subverted conventional norms and values Brushing away the haze of an era *The Other Fifties* will help readers understand the decade not as placid or repressed but as a time when emancipatory desires struggled to articulate themselves *Salinger. A critical and personal portrait. Introduced and edited by H. A. Grunwald. [With a portrait.]* Henry Anatole Grunwald, Jerome David Salinger, 1964 *Reader's Guide to Literature in English* Mark Hawkins-Dady, 2012-12-06 *Reader's Guide Literature in English* provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Salinger** Henry Anatole Grunwald, 1964 Salinger : a critical and personal portrait Henry Anatole Grunwald, 1962 Salinger's Soul Stephen B. Shepard, 2024-09-10 J D Salinger remains one of America's best known but

least understood writers His 1951 book *The Catcher in the Rye* lives on as one of the most iconic American novels of all time Yet after his commercial and literary success Salinger soon retreated to a rural town in New Hampshire and lived in seclusion for the rest of his life He wrote nearly every day but didn't publish any of his work after 1965 He became famous for not wanting to be famous His story however is not over His son Matt has been sorting through the unpublished writing Salinger left behind after his death in 2010 Most of these stories will be released soon and are heavily influenced by his years in seclusion Salinger's *Soul* tells of his traumatic experience in World War II as well as his transition from the Judaism of his youth to his embrace of a mystical form of Hinduism known as Vedanta It was Vedanta that influenced his post *Catcher* fiction from *Nine Stories* to *Franny* and *Zooey* Yet Salinger veered from Vedanta in one crucial way he didn't heed its dictum to lead a life of celibacy Instead Salinger was obsessed with young women those in the last minutes of their girlhood In all his wartime experience his religious beliefs and his romantic relationships defined his life in seclusion and influenced his writing Salinger's *Soul* looks at his little known personal voyage of discovery

**Salinger** David Shields, Shane Salerno, 2013-09-03

Based on eight years of exhaustive research and exclusive interviews with more than 200 people and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company *The Private War of J. D. Salinger* is a global cultural event the definitive biography of one of the most beloved and mysterious figures of the twentieth century For more than fifty years the ever elusive author of *The Catcher in the Rye* has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information Salinger remains astonishingly an enigma The complex and contradictory human being behind the myth has never been revealed No longer In the eight years since *The Private War of J. D. Salinger* was begun and especially in the three years since Salinger's death the authors interviewed on five continents more than 200 people many of whom had previously refused to go on the record about their relationship with Salinger This oral biography offers direct eyewitness accounts from Salinger's World War II brothers in arms his family members his close friends his lovers his classmates his neighbors his editors his publishers his New Yorker colleagues and people with whom he had relationships that were secret even to his own family Shields and Salerno illuminate most brightly the last fifty-six years of Salinger's life a period that until now had remained completely dark to biographers Provided unprecedented access to never before published photographs more than 100 throughout the book diaries letters legal records and secret documents readers will feel they have for the first time gotten beyond Salinger's meticulously built up wall The result is the definitive portrait of one of the most fascinating figures of the twentieth century

*A Study Guide for J. D. Salinger's A Perfect Day for Bananafish* Gale, Cengage Learning, 2015-09-15

A Study Guide for J. D. Salinger's *A Perfect Day for Bananafish* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading

and much more For any literature project trust Short Stories for Students for all of your research needs *The Absurd Hero in American Fiction* David D. Galloway, 1981-06-01 When *The Absurd Hero in American Fiction* was first released in 1966 Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway's analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The *New York Times* described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike's *Couples* *Rabbit Redux* and *The Coup* William Styron's *The Confessions of Nat Turner* and Sophie's *Choice* and Saul Bellow's *Mr Sammler's Planet* and Humboldt's *Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists **Dictionary of World Biography: The 20th century, O-Z** Frank Northern Magill, Christina J. Moose, Alison Aves, 1999-11 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **The American Novel After Ideology, 1961-2000** Laurie Rodrigues, 2020-12-10 Claims of ideology's end are on the one hand performative denials of ideology's inability to end while on the other hand paradoxically they also reiterate an idea that ending is simply what all ideologies eventually do Situating her work around the intersecting publications of Daniel Bell's *The End of Ideology* 1960 and J D Salinger's *Franny and Zooey* 1961 Laurie Rodrigues argues that American novels express this paradox through nuanced applications of non realist strategies distorting realism in manners similar to ideology's distortions of reality history and belief Reflecting the astonishing cultural variety of this period *The American Novel After Ideology 1961-2000* examines *Franny and Zooey* *Carlene Hatcher Polite's The Flagellants* 1967 *Leslie Marmon Silko's Almanac of the Dead* 1991 and *Philip Roth's The Human Stain* 2001 alongside the various discussions around ideology with which they intersect Each novel's plotless narratives dissolving subjectivities and cultural codes organize the texts peculiar relations to the post ideological age suggesting an aesthetic return of the repressed **New Essays on The Catcher in the Rye** Jack Salzman, 1991 Five essays focus on various aspects of the novel from its ideology within the context of the Cold War and portrait of a particular American subculture to its account of patterns of adolescent

crisis and rich and complex narrative structure      **Anxious Men** Baldwin Clive Baldwin, 2020-03-02 Explores representations of men and masculinity in American fiction published after the Second World War Offers readings of a wide selection of postwar American novels from 1945 to the mid 1950s including canonical works from the unique perspective of their representation of male identity Provides rich comparative insights through analysis of fiction by writers of diverse race class and sexuality Demonstrates how gender theory generates insights into the constitution of American masculinity in fiction Focusing on a complex and contentious period that was formative in shaping American society and culture in the twentieth century this book sheds new light on the ways in which fiction engaged with contemporary notions of masculinity It draws on gender theory and analysis of writers from diverse backgrounds of race class and sexuality to provide rich comparative insights into the constitution of American masculinity in fiction The extensive range of novels considered includes fresh analyses of key authors such as James Baldwin Truman Capote Patricia Highsmith Jack Kerouac Norman Mailer Ann Petry J D Salinger and Gore Vidal      Cold War American Literature and the Rise of Youth Culture Denis Jonnes, 2014-09-04 Demands placed on many young Americans as a result of the Cold War give rise to an increasingly age segregated society This separation allowed adolescents and young adults to begin to formulate an identity distinct from previous generations and was a significant factor in their widespread rejection of contemporary American society This study traces the emergence of a distinctive post war family dynamic between parent and adolescent or already adult child In depth readings of individual writers such as Arthur Miller William Styron J D Salinger Tennessee Williams Vladimir Nabokov Jack Kerouac Flannery O Connor and Sylvia Plath situate their work in relation to the Cold War and suggest how the figuring of adolescents and young people reflected and contributed to an empowerment of American youth This book is a superb research tool for any student or academic with an interest in youth culture cultural studies American studies cold war studies twentieth century American literature history of the family and age studies      **Sandra Cisneros's The House on Mango Street** Harold Bloom, 2010 A collection of essays exploring various aspects of Sandra Cisneros novel The House on Mango Street      **How to Reach Japan by Subway** Meghan Warner Mettler, 2018-06-01 Japan's official surrender to the United States in 1945 brought to an end one of the most bitter and brutal military conflicts of the twentieth century U S government officials then faced the task of transforming Japan from enemy to ally not only in top level diplomatic relations but also in the minds of the American public Only ten years after World War II this transformation became a success as middle class American consumers across the country were embracing Japanese architecture films hobbies philosophy and religion Cultural institutions on both sides of the Pacific along with American tastemakers promoted a new image of Japan in keeping with State Department goals Focusing on traditions instead of modern realities Americans came to view Japan as a nation that was sophisticated and beautiful yet locked harmlessly in a timeless Oriental past What ultimately led many Americans to embrace Japanese culture was a desire to appear affluent and properly tasteful in the status conscious suburbs of the 1950s

In *How to Reach Japan by Subway* Meghan Warner Mettler studies the shibui phenomenon in which middle class American consumers embraced Japanese culture while still exoticizing this new aesthetic. By examining shibui through the popularity of samurai movies, ikebana, flower arrangement, bonsai cultivation, home and garden design, and Zen Buddhism, Mettler provides a new context and perspective for understanding how Americans encountered a foreign nation in their everyday lives.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Salinger A Critical Personal Portrait full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Salinger A Critical Personal Portrait eBooks, including some popular titles.

### FAQs About Salinger A Critical Personal Portrait Books

**What is a Salinger A Critical Personal Portrait PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Salinger A Critical Personal Portrait PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Salinger A Critical Personal Portrait PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Salinger A Critical Personal Portrait PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Salinger A Critical Personal Portrait PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
