The Seeds of Love and War William E. Johnson,2019-09-09 The year is 1769 in Boston as the Sons of Liberty led by John Hancock and Samuel Adams press for the departure of the unwanted redcoats from the colony The Crown catches wind of patriot schemes for insurrection thanks to the reports from Tory and trollop spies known as the Omega The patriots find fertile soil to plant the seeds of rebellion among the dirty denizens of the Boston waterfront Snug Harbor Tavern a cozy den of ill reputed located on the harbor near Hancock s Wharf provides a haven for the patriots What happens at the Snug Harbor stays at the Snug Harbor Tapping historically documented resources Johnson reconstructs a panoramic chronicle of the events leading up to the Boston Massacre fleshing out a story teeming with secretive meetings political intrigue hidden identities renegades and sex scandals It all begins with the celebrated departure of loyalist Gov Bernard Shortly after he flees for the safety of British soil the conspiracy among the patriots intensifies Hancock and Adams find themselves immersed in a daring scheme to recruit support for the Sons of Liberty among a scabrous group of commoners who buy their shaggin for a shillin The radical Boston Gazette and the loyalist s Boston Chronicle duel for the allegiance of the people as they publicize the ploys and betrayals of both parties Disquiet and suspicion pervade the town and it s only just begun On a monumental day March 5 1770 tension finally snaps In a brief yet bloody the assault Crispus Attucks a runaway slave ends up a martyr in one of history s most pivotal moments the Boston Massacre Sit back in the Snug Harbor Tavern with a mug of rum and savor the sex scandal and heroics of our Founding Fathers as they struggle for liberty theirs and ours **Rampage** Aldéric Au,2018-12-13 In Syria the civil war is in its final stages Thousands of British fighters have fought and died in the war Survivors are returning in numbers The British authorities are in a race to track question and charge ISIS fighters While ISIS has not fared well on the battlefield its success radicalizing Muslim youth in Britain is a growing problem Many claiming to represent the Muslim minority are in fact proxies for radical groups Manzoor Zaman a British born fighter returning from three years in Iraq and Syria sees an opportunity In London s Parliament the Brexit debate has reached new levels of turmoil The prime minister is doggedly refusing to acknowledge the inevitable her deal will not pass Nobody knows how the parliament can extract the country from gridlock Passions are high on both sides as the country edges towards the precipice An inept prime minister has thrust the country into an unnecessary constitutional crisis Harry Gimple and Charlie Stamp both leave voters feel the referendum betrayal goes deep Harry and Charlie feel direct action is their only choice The mood in the country is ugly Radicalized young men and women some with military experience combine in this soup of uncertainty for a mission with a difference a British Jihad They are not on anyone s radar until it is too late Ray Patel and Sally Anderson of MI5 fight a lonely battle The authorities have been slow to recognize the fateful combination of forces The hydra of

Lewis-Beck,Helmut Norpoth,William G. Jacoby,Herbert F. Weisberg,2009-12-18 Today we are politically polarized as never before The presidential elections of 2000 and 2004 will be remembered as two of the most contentious political events in American history Yet despite the recent election upheaval The American Voter Revisited discovers that voter behavior has been remarkably consistent over the last half century And if the authors are correct in their predictions 2008 will show just how reliably the American voter weighs in election after election The American Voter Revisited re creates the outstanding 1960 classic The American Voter which was based on the presidential elections of 1952 and 1956 following the same format theory and mode of analysis as the original In this new volume the authors test the ideas and methods of the original against presidential election surveys from 2000 and 2004 Surprisingly the contemporary American voter is found to behave politically much like voters of the 1950s Simply essential For generations serious students of American politics have kept The American Voter right on their desk Now everyone will keep The American Voter Revisited right next to it Larry J Sabato Director of the University of Virginia Center for Politics and author of A More Perfect Constitution The American Voter Revisited is destined to be the definitive volume on American electoral behavior for decades It is a timely book for 2008 with in depth analyses of the 2000 and 2004 elections updating and extending the findings of the original The American Voter It is also quite accessible making it ideal for graduate students as well as advanced undergrads Andrew E Smith Director of the University of New Hampshire Survey Center A theoretically faithful empirically innovative comprehensive update of the original classic Sam Popkin Professor of Political Science University of California San Diego Michael S Lewis Beck is F Wendell Miller Distinguished Professor of Political Science at
