The Dragon World: The Tale of Two Santa's Kenneth Dennis, Rebecca Helmsley's husband dies in January 2020 and must make a life before the Coronavirus happens and returns to her job She is furloughed from her job when COVID 19 stay at home orders hits and went into depression Santa receives two letters from her kids and performs a selfless act of asking Santa Claus for help and Santa goes and visit them a week before Christmas He then got transported into the dragon world by the Aragorn Dragons Santa Claws Storm and Blake must return Santa back to the human world and save the dragon and human world Christmas before the King Aragorn Evil Elf and his clan of dragons destroy Christmas This is one story that you can pass down to your kids *If You Ever Meet a Weasel* Belinda MacGruder,2013-08-29 In the 1800s the lives of persons in the entertaining industry specifically theater were often as dramatic as the characters lives in some plays by Samuel Beckett Anton Chekhov Henrik Ibsen William Inge Arthur Miller Thornton Wilder and Tennessee Williams If You Ever Meet a Weasel by Belinda MacGruder is one such dramatic story Historical fiction this novel details the lives of theatre people who travel from Europe to the New World This novel's main character must tolerate her father's traditional attitudes toward marriage She must accept the separation from her European friends when she moves to the New World Of course New World customs are different from European customs As such this novel's female main character must learn New World customs while retaining the Old World ones Natural and manmade tragedies afflict most if not all of the characters in If You Ever Meet a Weasel Highly unusual events occur Personality conflicts vie with conflicts of interests A famous American war disrupts the lives of some of the characters Travel to and from the European continent stresses relationships and relatives However this

novel contains more than tragedies conflicts and turmoil Tender moments occur between spouses Understanding develops among friends Between employers and employees friendships emerge to last lifetimes In dialogs and expositions the author references historical dates and events For the readers these historical events emphasize characters personalities create empathy explain difficulties and inspire imagination This novels timeline ends in the 21st century From beginning to end readers will read about various transportation methods horse drawn carriages steam powered ocean liners taxis and train travel If You Ever Meet a Weasel is an insightful but fictional literary experience into theatrical lives *Pot Luck* Taedis, Some men have their power stripped away from them Maybe they love it maybe they loathe being broken Maybe they pretend it was their idea maybe they recognize that the choice was never really theirs in the first place Other men offer up their power freely as a gift An offering to someone who started off as his peer but quickly became his deity Such submission can be intense under normal circumstances And scales What happens when the power being taken away or offered up means more than brute muscle or financial clout What if power was measured in inches instead of influence What if a man could literally be cut down to size These are the stories of four men who find themselves under the power of giants The tallest of whom isn't even six feet tall but tower over their shrunken partners In *Pot Luck* a mid century New Years Party takes a turn for the shrinky when a cheating husband finds himself ante in the most important poker game of his life Does his wife have a good enough hand to make him a five card stud or will one of her friends have a new toy to ring in the New Year A young man with an exaggerated opinion of himself ends up being taken home from the club by an older woman in *Inside Andrea* Will he measure up to Andrea and her wife's expectations And how exactly will he fit into their lives The H Word stands for humiliation What Toy feels every second of every day It also stands for Hollinger the device that downsized him from husband to plaything It turns out that his Owner doesn't shrink every man she invites into her boudoir Some men she likes bigger In three vignettes from his wedding day Vows Wedding Day a young groom reflects on his decision to marry into a culture where one spouse has complete control of the other's size Traditionally that role is played by the wife So much so that the term for wife and shrunken are interchangeable in their language Is he strong enough to be his bride's wife Warning These stories contain strong sexual situations involving shrunken men and overwhelming women These situations include but are not limited to female domination insertion cuckoldry gaslighting verbal and physical humiliation cheating and other assorted kinks This is not for the prudish or anyone under the age of 18 Cover art by CAPP *Why Harry Met Sally* Joshua Louis Moss, 2017-07-18 From immigrant ghetto love stories such as *The Cohens and the Kellys* 1926 through romantic comedies including *Meet the Parents* 2000 and *Knocked Up* 2007 to television series such as *Transparent* 2014 Jewish Christian couplings have been a staple of popular culture for over a century In these pairings Joshua Louis Moss argues the unruly screen Jew is the privileged representative of progressivism secular modernism and the cosmopolitan sensibilities of the mass media age But his/her unruliness is nearly always contained through romantic union with the Anglo Christian

partner This Jewish Christian meta narrative has recurred time and again as one of the most powerful and enduring although unrecognized mass culture fantasies Using the innovative framework of coupling theory Why Harry Met Sally surveys three major waves of Jewish Christian couplings in popular American literature theater film and television Moss explores how first wave European and American creators in the early twentieth century used such couplings as an extension of modernist sensibilities and the American melting pot He then looks at how New Hollywood of the late 1960s revived these couplings as a sexually provocative response to the political conservatism and representational absences of postwar America Finally Moss identifies the third wave as emerging in television sitcoms Broadway musicals and gross out film comedies to grapple with the impact of American economic globalism since the 1990s He demonstrates that whether perceived as a threat or a triumph Jewish Christian couplings provide a visceral easily graspable template for understanding the rapid transformations of an increasingly globalized world
