Teaching Theology in a Technological Age Doru Costache, James R. Harrison, 2015-11-25 The iGeneration has learned to adapt rapidly to technological change Tech savvy students multi task with consummate ease accessing email on smart phones researching assignments on tablets reading a book on Kindle while drinking a flat white and listening to iTunes in the background How does the tertiary educational curriculum meet the learning needs of students whose attention transitions rapidly between mediums and messages The complexity and pace of modern technological change has left the theological educational sector gasping as it struggles to devise pedagogically engaging online distance learning materials in traditional disciplines and teach units with significant relational and pastoral components The technological benefits are vast the instant availability of information unprecedented and the opportunities to provide theological education to groups marginalised by the tyranny of distance and time enormous How should the theological sector address these challenges and opportunities Although the benefits are massive the media is replete with stories of the casualties of technological change including cyber bullying internet predators the psychic damage from trolls addiction to gaming and issues of body image among others How should the theological sector drawing upon its scriptural and teaching heritage come to grips with the deficits spawned by the technological revolution What is the theological pastoral social and pedagogic responsibility of theology teachers in nurturing this new generation Teaching Theology in a Technological Age draws together in an inspiring volume a series of cutting edge essays from Australian New Zealand and South African scholars on the learning and teaching of theology in a digital age

Savage Gods, Silver Ghosts Ehor Boyanowsky, 2010-03-23 They met at a poetry reading but Ehor Boyanowsky and British Poet Laureate Ted Hughes became friends through their shared and unquenchable passion for fishing Against the backdrop of the Dean River one of the greatest steelhead rivers in the world the two men explored their mutual regard for the planet s wild places Boyanowsky draws on personal correspondence interviews and journal entries to recreate their encounters in the 1980s and 90s when Hughes was at the height of his power and influence and to paint an intimate portrait of a lifelong outdoorsman conservationist and artist The book also goes behind the creative process as fishing logs transmute into poetry talk becomes action and the queen s bard composes impromptu bawdy verse on the drive to a stag party Boyanowsky realizes he s been privileged to see a Hughes who is different from the public persona In these tales of male friendship and the primal

act of fly fishing the reader gets glimpses of the nature red in tooth and claw that drew Ted Hughes to Canada and rekindled his love of the natural world **Flyfishing Alaska** Anthony J.
