Falcon,2020-04-19 A Vietnam War helicopter pilot shares arresting accounts of flying troops into hot LZs and medevacking the wounded under fire The Freedom Shield brings together stories of veterans of the 191st Assault Helicopter Company who were tasked with carrying troops into battle attacking enemy positions and evacuating the wounded in their UH 1 Iroquois Huey helicopters The unit was assembled from a hodgepodge of hand me down aircraft used equipment and overlooked personnel its appearance belied the invaluable work the crews of the 191st would undertake during the Vietnam War This narrative of the Company told through collected stories of veterans defines a breed of soldier newly minted in Vietnam the combat assault helicopter crewman The 191st pilots crews and support personnel vividly share the details of what it was like to be at war and forced to rely on your fellow crewmembers for your own survival Their accounts of helicopter combat at the height of the Vietnam conflict accurately recreate the sights and sounds of the battlefields the fear and horror of watching close friends torn to pieces and their feelings on returning to base Their message is infinitely clear The price of freedom is painful Praise for The Freedom Shield The story of the 191st Assault Helicopter Company's combat actions in Vietnam is one of heroism and dedication to duty It is a vivid picture of young American soldiers full of P and V and the want to needed to get the job done with bullets flying in all directions An adrenaline rush is the order of the day Read this book to gain new respect and admiration for the Vietnam era veterans who fought in this unpopular war they were truly magnificent Brigadier General John C Doc Bahnsen author of American Warrior A Combat Memoir of Vietnam An amazing story of perseverance and will The author accurately chronicles how the 191st Assault Helicopter Company was assembled during the haste of the Vietnam buildup with secondhand equipment and filler personnel to become a crown jewel among aviation units in battle A true testament of American mettle that we all still admire and envy Col Alan B Renshaw *Cimino* Charles Elton,2022-03-29 The revelatory The New Yorker first biography of critically acclaimed then critically derided filmmaker Michael Cimino and a reevaluation of the infamous film that destroyed his career The director Michael Cimino 1939 2016 is famous for two films the intense powerful and enduring Vietnam movie The Deer Hunter which won Best Picture at the Academy Awards in 1979 and also won Cimino Best Director and Heaven's Gate the most notorious bomb of all time Originally budgeted at 11 million Cimino's sprawling western went off the rails in Montana The picture grew longer and longer and the budget ballooned to over 40 million When it was finally released Heaven's Gate failed so completely with reviewers and at the box office that it put legendary studio United Artists out of business and marked the end of Hollywood's auteur era Or so the conventional wisdom goes Noted television producer and author Charles Elton delves deeply into the making and aftermath of the movie

and presents a surprisingly different view to that of Steven Bach one of the executives responsible for Heaven's Gate who wrote a scathing book about the film and solidified the widely held view that Cimino wounded the movie industry beyond repair Elton's Cimino is a richly detailed biography that offers a revisionist history of a lightning rod filmmaker Based on extensive interviews with Cimino's peers and collaborators and enemies and friends most of whom have never spoken before it unravels the enigmas and falsehoods many perpetrated by the director himself which surround his life and sheds new light on his extraordinary career This is a story of the making of art the business of Hollywood and the costs of ambition both financial and personal
