Perry Duis, 1999 This colorful and perceptive study presents persuasive evidence that the saloon far from being a magnet for vice and crime played an important role in working class community life Focusing on public drinking in wide open Chicago and tightly controlled Boston Duis offers a provocative discussion of the saloon as a social institution and a locus of the struggle between middle class notions of privacy and working class uses of public space *Millennium Rage* P.

Movies Ioan Buteanu, 2023-03-03 This book provides an innovative analysis of the survival movie genre from an Orthodox Christian anthropological perspective Grounded in the Orthodox tradition the approach builds from the first chapter of Genesis where man is described as made in the image and after the likeness of God It offers a nuanced theological exploration of the concept of the survival movie and examines a number of significant cinematic creations illustrating how issues of survival intersect romantic Western science fiction and war films The author reflects on how survival movies offer a path for the study of human nature given they depict people in crisis situations where they may reveal their true characters As well as discussing the role of a limit situation as a narrative element the book highlights the spiritual aspect of survival and points to the common hope in survival movies for something more than biological survival It is valuable reading for scholars working in the field of religion and film **Survival Techniques** Alexander Stilwell, 2012-05-25 Survival Techniques takes you through all the things you need to know about surviving disasters and staying alive in the wild such as where to find water in the desert how to build shelters from locally available materials what plants are safe to eat and what are deadly poisonous and what animals will pose a threat in survival situations **Only the Stubborn Survive** R. W. Stone, 2019-08-06 A young teenager named Red and the old prospector who raised him arrive in Baker s Gap anxious to start a new life having struck a glory hole of gold Much to Red s horror however the prospector is gunned down in the street Suddenly alone in a strange town the boy is angry and distrustful but fortunately Tom Harrison the local sheriff is willing to accept responsibility for his care if he can convince him to stay A strong bond soon develops between the two and in

exchange for Red agreeing to attend school the sheriff pledges to pass down all he knows about law enforcement The years pass but nothing deters the boy from a stubborn conviction to spend his life tracking down outlaws like those who killed the man who raised him When Harrison s Ranger friend Al Thornton shows up both see an opportunity for Red to reach his goal Red leaves Baker s Gap to become a Ranger under the tutelage of Thornton At first somewhat skeptical of Red s abilities because of his age Thornton and others at the camp come to accept him as one of their own because of his frontier skills and knowledge When Red and Thornton are sent on a routine mission to transport a prisoner they find themselves embroiled in more conflict than they had counted on Before the Rangers arrive the outlaw breaks out of the fort jail with the help of his gang and a seemingly routine job turns into a deadly manhunt Eventually the outlaw and his gang head toward Baker s Gap If the two Rangers cannot arrive in time it will surely spell disaster for Sheriff Tom Harrison *United States Investor*, 1918
