handbook pulls together in one volume the research on children's and young adult literature which is currently scattered across three intersecting disciplines: education, English, and library and information science. Poetry in Literature for Youth Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers teachers, librarians, parents, and students with an instrumental guide for incorporating all forms of poetry into the curriculum. More than 900 annotated entries provide descriptions of books and other resources including anthologies, classics, various poetry formats, poetry novels, multicultural poetry, performance poetry, teen poetry, poet biographies, and curriculum connections. Educators who are often unaware of the poetry resources available, particularly for young adults, will welcome this book with open arms. Lists for building a core poetry collection along with resources for teaching poetry, criticism, and writing electronic poetry, resources, booktalks, classroom activities, and lesson plans complement this guide. Author, Geographic, Grade, Subject, and Title indexes are also included. For anyone interested in knowing more about poetry in literature, this is an indispensable guide. Integrating Literature in the Content Areas Sharon Kane, 2017-05-12 This practical, accessible resource will help future and practicing teachers integrate literature into their middle school or high school classrooms while also addressing content area standards and improving the literacy skills of their students. Two introductory chapters are followed by five chapters that each cover a different genre: Chapter 3 Informational Books, Chapter 4 Fiction, Chapter 5 Biography, Autobiography, and Memoir, Chapter 6 Poetry, and Chapter 7 How to and Hands on Books. Each genre chapter consists of four parts: Part 1 Discusses the genre and how content area teachers can use books within that genre to further content learning and enhance literacy skills; Part 2 Offers hands-on instructional strategies and activities using literature with activities for use in a variety of disciplines; Part 3 Presents individual author studies, three or four per chapter, with bibliographies and guidelines for using the authors' books in content area courses; Part 4 Features an annotated bibliography of specially selected children's and young adult literature for that genre, organized by content area. The annotations provide information about the book which can be used to prepare booktalks and teaching ideas for using in a specific content area. Altogether, these sections contain more than 600 annotated entries, tabbed by subject area, including art, English, language arts, languages and culture, math, and technology, music, PE, health, science, and social studies, history. Integrating Literature in the Disciplines Sharon Kane, 2020-04-22
The Second Edition of this practical and comprehensive resource offers a multitude of ways to incorporate literature into teaching and learning across a range of disciplines. Future and practicing teachers, librarians, instructional coaches, and school leaders can implement the ideas within this text to improve the literacy skills and knowledge of students while also addressing standards and curricular goals of various content areas. The new edition recognizes a paradigm shift from content areas to disciplines, reflecting the specific ways reading and writing are used in different fields of study. Updated with current research and practices, the volume recommends and evaluates books in different genres and categories with chapters on informational books, fiction, biography, and memoir, poetry, and hands-on and how-to books. For every category, Kane provides a rationale, instructional strategies, and author studies, as well as lists and descriptions of books related to curricular areas. With a wealth of activities and new BookTalks, this Second Edition is greatly revised and features expanded attention to technology, digital learning, diversity, and culture. Using this text will create opportunities for deep discussions and will stimulate students' interest and motivation to read and learn. *Integrating Literature in the Disciplines* helps educators identify books that fit with any subject to enhance the creative and affective dimensions of school life, encourages interdisciplinary connections, and increases the depth and relevance of lessons. It is ideal for professional development and serves as a tool for Readers Advisory to match books with readers throughout the school day and beyond.
