were born and where we lived mattered then and matters now Sometimes life presents us with difficulties and hardships From time to time an individual has to look back and ponder from whence he or she has come More importantly no matter what happens in our lives individually or collectively God will be there with us always All we have to do is heed his call and follow him

**A Voice Calls in the Night Find My People Save My People** Marian Olivia Heath Griffin, 2019-12-18 IT HAS BEEN ESTABLISHED that African Americans have been and are still being subjected to marginalized and harsh treatment today in America We came to the Americas a million years ago and helped build this wilderness country It is incumbent upon us as a nation to come to grips with the humanness of all people and treat each other with respect and love acknowledging each other's skills talents and achievements We are a strong nation of people Let's not allow the weak racial prejudicial side of us to rule us We can only move forward if we have a collective truthful and faithful heart There is something inherent in all of us that should not be stifled or extinguished We are all put on earth for a specific purpose All generations should be given an opportunity to be what we can be as our Creator ordained it
