*Allende* Salvador Allende Gossens,1970      **Conversations with Allende** Régis Debray,2017-11-10 The election in Chile of the Marxist leader of the Socialist Party Salvador Allende to the presidency in October 1970 inaugurated a political situation unique in Latin America and of world wide significance Allende s Popular Unity coalition embraced Socialists and Communists and campaigned on an election programme of unprecedented radicalism nothing less than the abolition of monopoly capitalism and imperialism in Chile In this book Rgis Debray recently released from his Bolivian gaol questioned President Allende about his strategy for socialism These discussions ranged widely over the history of the workers movement in Chile the strength of imperialism in Latin America the experience of the first months of the Allende government the role of the Chilean armed forces Allende s personal background and friendship with Che Guevara the seizure of land by peasants since the Popular Unity victory and the international outlook of the new Chile In an introductory essay Debray furnished an analysis of Chilean history and politics which situated Allende in the past and present of the country and explored the dynamics of the class struggle now unfolding there For this new anniversary edition leading Chilean leftist scholar Camila Vergara has written a new introduction which appraises the book in the light of recent political developments in Chile

Selected Works of Salvador Allende Salvador Allende,2011-06-19 Salvador Isabelino del Sagrado Corazon de Jesus Allende Gossens 26 June 1908 11 September 1973 was a Chilean physician and is generally considered the first democratically elected Marxist to become president of a country in Latin America Allende s involvement in Chilean political life spanned a period of nearly forty years As a member of the Socialist Party he was a senator deputy and cabinet minister He unsuccessfully ran for the presidency in the 1952 1958 and 1964 elections In 1970 he won the presidency in a close three way race He adopted the policy of nationalization of industries and collectivization Amidst strikes by the far right Patria y Libertad and CIA opposition under the Nixon administration protests were held in Chile against Allende s rule The Supreme Court criticized Allende for subordination of the judicial system to serve his own political needs and the Chamber of Deputies formally implored the military to intercede and restore rule of law on 22 August 1973 Less than a month later on 11 September Allende was deposed by the military thus ending the Popular Unity government As the armed forces surrounded La Moneda Palace Allende gave his last speech vowing not to resign but he was said by the U S to have committed suicide later in the day In 2011 new evidence relating to the cause and manner of Allende s death has led to an official inquiry including an autopsy The investigation is still underway After Allende s ouster General Augusto Pinochet did not return authority to the civilian government Chile became led by a military junta and then as a dictatorship by General Pinochet

*Salvador Allende and the Villa San Luis* Patricia Vilches,2023-01-01 Through the history of this housing complex this book illuminates Salvador Allende s dedication to the imperative of the right to the city for Chile s marginalized people Built in affluent Las Condes in Santiago on what is arguably the most expensive parcel of land in Chile the Villa San Luis was one of Salvador Allende s most visible and dramatic social projects Allende s six year term was ended in the middle by a military

coup d'état on 11th September 1973 Yet material culture from Villa San Luis remains to convey the legacy of his commitment to providing disadvantaged families with dignified housing It is a national lieu de mémoire and an iconic space a reminder of a truly remarkable innovation in social housing and of Allende's personal and political commitment to making Santiago a just city Postcoup the remains of the complex also relate the wider injustice of the Pinochet regime Many of its families were violently evicted during the dictatorship Some were dispossessed taken away from Las Condes in garbage trucks and dumped in poor communities around Santiago The land was usurped by Pinochet on behalf of the army and later sold to developers to construct high rise symbols of a new neoliberal Chile Over the decades however former residents fought back and in 2020 they succeeded in making its one remaining structure remnants of Block 14 a memorialized place of justice and reconciliation It now a national monument and museum
