

Scripture, Tradition and Reason

A Study in the Criteria of
Christian Doctrine

EDITED BY

RICHARD BAUCKHAM

AND BENJAMIN DREWERY

Scripture Tradition And Reason

Peter D. Neumann

Scripture Tradition And Reason:

Scripture, Tradition and Reason Richard Bauckham, Benjamin Drewery, 2004-10-28 Essays on scripture tradition and reason at the heart of every major issue confronting the life and thought of all the Christian Churches today in honour of R P C Hanson

Scripture, Tradition, and Reason in Christian Ethics Bharat Ranganathan, Derek Alan Woodard-Lehman, 2019-09-24 How should we understand the relationship between Christian ethics and religious ethics Among comparative ethnographic and normative methodologies Between confessional and non confessional orientations or between theology and philosophy This volume brings together emerging religious ethicists to engage the normative dimensions of Christian ethics Focusing on scripture tradition and reason the contributors to this volume argue for a vision of Christian ethics as religious ethics Toward this end they engage with scripture interpretation and religious practice examine the putative divide between reason and tradition autonomy and heteronomy and offer proposals about the normative characterization of conceptual and practical issues in contemporary religious ethics Collectively the volume engages Christian thought to make an argument for the continuing relevance of normative methodologies in contemporary religious and theological ethics

Scripture, Tradition and Reason William Marshall, 2010 A selective look at how Anglicans up to the 20th century have attempted to bear faithful witness to the Christian Gospel in relation to the different challenges of time and place

Richard Hooker and the Authority of Scripture, Tradition and Reason Nigel Atkinson, 2005-01-01 There is no doubt that Richard Hooker 1554 1600 is one of the most important writers in the history of the Church of England However since John Henry Newman presented him as a theologian of the via media he has been consistently overlooked by evangelical Anglicans This well documented and detailed analysis of the theological first principles of the father of Anglicanism challenges the traditional consensus The author examines three key elements of Hooker s theology namely the authority of reason tradition and Scripture and evaluates Hooker s approach in the light of his debates with contemporary Puritans including Walter Travers Thomas Cartwright and William Tyndale His views are then compared with the approaches of Erasmus and the Reformers Luther and Calvin Finally the interpretations of leading and influential Hooker scholars are examined to show how often his theological principles have been misrepresented This important study concludes that Hooker s debt to the Reformation is greater and more profound than generally acknowledged and that Hooker is consistently closer the mainstream of Reformation thought than his Puritan opponents This book is sure to put the cat among the pigeons of Hooker scholarship and reopen the question of interpretations which many have assumed were resolved Gerald Bray Beeson Divinity School A lucid penetrating and immensely relevant study of Hooker s theological method which firmly repudiates the influential High church stereotype of Hooker Alister McGrath from the foreword An ordained priest with the Church of England Nigel T Atkinson is Warden of Latimer House Oxford

A Theology Primer Robert Cummings Neville, 1991-10-02

Scripture and Tradition () Edith M. Humphrey, 2013-04-15 In some of the church s history Scripture has been pitted

against tradition and vice versa Prominent New Testament scholar Edith Humphrey who understands the issue from both Protestant and Catholic Orthodox perspectives revisits this perennial point of tension She demonstrates that the Bible itself reveals the importance of tradition exploring how the Gospels Acts and the Epistles show Jesus and the apostles claiming the authority of tradition as God's Word both written and spoken Arguing that Scripture and tradition are not in opposition but are necessarily and inextricably intertwined Humphrey defends tradition as God's gift to the church She also works to dismantle rigid views of sola scriptura while holding a high view of Scripture's authority *John Wesley's View and Use of Scripture* Mark L. Weeter PhD, 2007-01-01 John Wesley by his own words considered himself a Man of One Book meaning of course the Scriptures Yet what does this seemingly declarative statement really mean What was Wesley's view on the inspiration authority and even the infallibility of Scripture This question is more than a historical curiosity when we recognize the current debate between evangelical groups over their views of the authority of Scripture Recognizing the debt all Wesleyan movements have to Wesley's teachings and doctrines this book will attempt to answer some critical questions about Wesley's view and use of the Bible How did Wesley develop his views How did he incorporate Scripture into his development of the Methodist movement What was the position of Scripture in what has become known as the Wesleyan Quadrilateral of reason experience tradition and Scripture What were his views on inspiration and infallibility and would his principles of interpretation hold up against modern critical scholarship Finally and perhaps most importantly what influence did Wesley's view and use of the Bible have upon the success of the Wesleyan Revival Are there lessons we can still learn from Wesley that could impact the world and church of the twenty first century This book will attempt to answer these and many other fascinating questions about John Wesley a Man of One Book **Scripture, Tradition and Reason** Richard Bauckham, Benjamin Drewery, 1988 **Welcome to the Bible** Vicki K. Black, Peter Wenner, 2007-04 New Episcopalians may be nervous about opening the Bible others simply don't know how to begin An often overlooked gift of the Episcopal Church is that the texts and doctrines of the Bible are embedded in its prayers liturgies and creeds Making that knowledge explicit and placing it in context can open the way for further and more in depth study [Ex Auditū - Volume 23](#) Klyne Snodgrass, 2008-04-01 **Pentecostal Experience** Peter D. Neumann, 2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal experience of God is mediated by the Spirit's work through Scripture the Christian tradition and the broader cultural context Using the work of three contemporary Pentecostal theologians Frank D Macchia Simon K H Chan and Amos Yong the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology As further evidence of this maturation Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic Eastern Orthodox and Protestant traditions *Trans Formations* Alex Clare-Young, 2024-05-31 Trans Formations is not a

book about trans and non binary Christians it is a book by trans and non binary Christians Who they are what they experience and what they understand stretches beyond trans apologetics to formative anthropological and theological notions without which the body of anthropological and theological knowledge is incomplete They have things to say about God and about being human and their yet to be accessed insights matter Whilst there is an abundance of material about trans ethics there is little trans written theology or theological anthropology that is formative rather than trans critical or trans apologetic Situated within a queer paradigm this book presents the identities insights and ideas of ten diverse trans and non binary Christians Alex Clare Young through their own identity experiences and insights of researching alongside nine other wonderful human beings writes their trans formational journey into being Will you be transformed **A**

Theology of Disagreement Christopher Landau, 2021-05-30 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members John 13 35 is difficult to reconcile with the schismatic reality of current ecclesial life Nonetheless disagreement remains an ethical subject neglected by theologians A Theology of Disagreement New Testament Ethics for Ecclesial Conflicts examines how New Testament texts inform Christian approaches to disagreement Drawing on New Testament themes the book explores the nature of an ethic of disagreement and its practical implications for the church's public theological witness as well as its liturgy

Integrated Mission Sarah Nicholl, 2024-05-31 There can be no doubt the positive influence the Lausanne Movement has had on current approaches to evangelical global missions since its inception in 1974 But as with all things made and organized by humankind it should not be above critique Dr Sarah Nicholl asserts spirituality now often seen as an individual rather than communal endeavour has been disconnected from the missional practices in the movement In bringing together missiology mission practice and spirituality she joins a chorus of scholars calling for more integration between areas of theory and practice This book defines this synergy as integrated mission and to illustrate what this mission can look like draws upon the writings and lives of four mission oriented Christians John Wesley St Ignatius of Loyola Orlando Costas and Fr Segundo Galilea This book reasons all believers practising this way of mission will be animated rooted and participatory with the triune God in the missio Dei to the world

The Anglican Spirit Michael Ramsey, 2004-10 Archbishop Michael Ramsey was one of the church's most remarkable twentieth century saints wise and humble humorous and compassionate These introductory lectures on Anglicanism reveal the breadth of Ramsey's theological understanding his ecumenism and his vision of the church and the Christian life Informal and conversational in style the lectures offer an overview of Anglican theology spirituality and history Ramsey begins with Anglicanism's enduring characteristics including its dependence on Scripture tradition the ancient writers of the church who guide us in interpreting the Bible and reason our God given capacity for divine revelation Next Ramsey explores its teachings on theology and the sacraments Tractarianism and the Oxford Movement the renaissance of Anglican religious communities and the evolving doctrines of creation incarnation and

the Holy Spirit The final section presents Ramsey's theology of the church and Anglicanism's relationship to Rome and the Orthodox churches

Theology, Aesthetics, and Culture Robert MacSwain, Taylor Worley, 2012-09-20 David Brown is a widely respected British theologian who initially made his mark in analytic discussions of Christian doctrine such as the Trinity However with the publication of *Tradition and Imagination* Revelation and Change 1999 his career entered a distinctly new phase focused on theology imagination and the arts Four related volumes followed dealing with biblical interpretation Christian discipleship art and icons place and space the body music metaphor drama liturgy the sacraments religious experience and popular culture According to Brown the fundamental thesis underlying all five volumes is that both natural and revealed theology are in crisis and the only way out is to give proper attention to the cultural embeddedness of both Theology Aesthetics and Culture is the first attempt to assess the significance of this remarkable series and its contributors include some of the most prominent philosophers theologians historians biblical scholars literary scholars and cultural critics writing today Aside from its exceptional interdisciplinary range and ecumenical line up a distinctive feature is sustained consideration of Brown's analysis of popular culture Given the stature of the contributors this volume is not merely of interest as a commentary on Brown's work but also makes an important original contribution to our understandings of theology aesthetics and culture as they relate to the life of the Church academy and human society

Refined by Fire

Robert P. Vande Kappelle, 2018-08-14 From time immemorial in every age a set of questions has persisted perplexing human beings Does God exist Where did the universe come from Is there any purpose to our lives Why is there so much suffering Do we live on after death How can we find release from suffering and sadness For what can we hope These have been called life's big questions they are the ones that never go away It is the main business of religion to answer ultimate questions To accomplish this task every generation of believers benefits by reexamining its theology thereby providing society with vision A stagnant theology reflects a religion that is limited in usefulness and effectiveness *Refined by Fire* is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life This guide provides a mechanism for individuals and small groups to interact with timely theological topics such as the nature of God Christ Scripture truth faith evil sin salvation heaven hell creation and evolution the role of the church and the future of the human race Each session chapter follows a threefold pattern a Getting Started provides an initial assignment b Gaining Momentum the central part of the text provides perspective and c Going Deeper provides questions for discussion or further reflection

What Makes Us Episcopalians? John E. Booty, 1990-06-01 A series of brief essays ideal for study groups that explores the history of the Episcopal Church and its four cornerstones tradition experience reason and scripture

A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers' focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast

Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

God's Order and Natural Law Iain M. MacKenzie, 2018-01-17 This title was first published in 2002 This book fills an important gap in the theological interpretation of the Laudian divines Iain MacKenzie presents the theology of the Anglican theologians of the early 17th century exploring the concept of order first in God but then in creation in its relation to the Creator and then examining the working out of this concept based in theology in civil and ecclesiastical structures and practice Mapping the Laudian divines perceptions of how order primarily and necessarily resides in God existing as Father Son and Holy Spirit this book sets out the essential and necessarily practical application of theology as seen by 17th century theologians and traces the legacy which they have left This theological as opposed to a merely historical or literary study of this important period for the development of society will be of particular value to theologians historians and those concerned with the intellectual history of the 17th century
