Scriptures Of The West:

Scripture, Reason, and the Contemporary Islam-West Encounter S. Kepnes, B. Koshul, 2007-08-06 The unique essays in this collection use the underlying allegiance to scripture in Islam Judaism and Christianity to underscore the deep affinities between the three monotheistic traditions while at the same time encouraging respect for the differences between the traditions to be preserved **The Report of the British and Foreign Bible Society** British and Foreign Bible Society, 1902 Vols 1 64 include extracts from correspondence

Forgotten Scriptures Lee Martin McDonald, 2009-01-01 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few centuries the church decided to keep the twenty seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church's current orthodoxy and authority in fact learning about these texts can help today's Christians form a deeper understanding of the early church **The Book of Psalms** Julius Wellhausen, 1898 **Hitchcock's New and Complete Analysis of the Holy Bible** Roswell Dwight Hitchcock, 1870

What Is Scripture? Wilfred Cantwell Smith, 1994-07-01 W C Smith's vastly erudite work asks how it is that certain texts have so seeped in to human life in a rich complex and powerful way as to be deemed sacred Examining the history and use of scripture in the world's major religious traditions he shows how and why scripture continues to carry momentous and at times appalling power in human affairs The Complete Analysis of the Holy Bible: Nathaniel West, 1868 **How to Read the**

Chinese Novel David L. Rolston, 2014-07-14 Fiction criticism has a long and influential history in pre modern China where critics would read and reread certain novels with a concentration and fervor far exceeding that which most Western critics give to individual works This volume a source book for the study of traditional Chinese fiction criticism from the late sixteenth to the early twentieth centuries presents translations of writings taken from the commentary editions of six of the most important novels of pre modern China These translations consist mainly of tu fa or how to read essays which demonstrate sensitivity and depth of analysis both in the treatment of general problems concerning the reading of any work of fiction and in more focused discussions of particular compositional details in individual novels The translations were produced by pioneers in the study of this form of fiction criticism in the West Shuen fu Lin Andrew H Plaks David T Roy John C Y Wang and Anthony C Yu Four introductory essays by Andrew H Plaks and the editor address the historical background for this type of criticism its early development its formal features recurrent terminology and major interpretive strategies A goal of this volume is to aid in the rediscovery of this traditional Chinese poetics of fiction and help eliminate some of the distortions encountered in the past by the imposition of Western theories of fiction on Chinese novels Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of

Indigenous Theology and the Western Worldview (Acadia Studies in Bible and Theology) Randy S. Woodley,2022-04-19 This volume by a Cherokee teacher former pastor missiologist and historian brings Indigenous theology into conversation with Western approaches to history and theology Written in an accessible conversational style that incorporates numerous stories and questions this book exposes the weaknesses of a Western worldview through a personal engagement with Indigenous theology Randy Woodley critiques the worldview that undergirds the North American church by dismantling assumptions regarding early North American histories and civilizations offering a comparative analysis of worldviews and demonstrating a decolonized approach to Christian theology Woodley explains that Western theology has settled for a particular view of God and has perpetuated that basic view for hundreds of years but Indigenous theology originates from a completely different DNA Instead of beginning with God created humanity it begins with God created place Instead of emphasizing individualism it emphasizes a corporateness that encompasses the whole community of creation And instead of being about the next world it is about the tangibility of our lived experiences in this present world The book encourages readers to reject the many problematic aspects of the Western worldview and to convert to a worldview that is closer to that of both Indigenous traditions and Jesus
