**One Party After Another** Michael Crick, 2022-02-03 Enormously readable excellent Dominic Sandbrook Sunday Times A superb piece of thorough journalism David Aaronovitch The Times Nigel Farage is arguably one of the most influential British politicians of the 21st century His campaign to take the UK out of the EU began as a minority and extreme point of view but in June 2016 it became the official policy of the nation after a divisive referendum In Michael Crick's brilliant biography *One Party After Another* we find out how he did it despite never once managing to get elected to Parliament until 2024 Farage left public school at the age of 16 to go and work in the City but in the 1990s he was drawn into politics joining UKIP Ironically it was the electoral system for the European Parliament that gave him access to a platform and he was elected an MEP in 1999 His everyman persona combined with a natural ability as a maverick and outspoken performer on TV ensured that he garnered plenty of media attention His message resonated in ways that rattled the major parties especially the Conservatives and suddenly the UK's membership of the EU was up for debate Controversy was never far away with accusations of racism against the party and various scandals But having helped secure the referendum Farage was largely sidelined by the successful official Brexit campaign When Parliament struggled to find a way to leave Farage created the Brexit Party to ensure Britain did eventually leave the EU early in 2020 Crick's compelling study takes the reader into the heart of Farage's story assessing his methods uncovering remarkable hidden details and builds to an unmissable portrait of one of the most controversial characters in modern British politics **Only the Truth** Adam Croft, He's not the perfect husband But he is the perfect suspect Dan Cooper has never been the perfect husband to Lisa He travels for work and plays the carefree bachelor when he can But now on a solo business trip in a remote coastal hotel he's surprised to find Lisa in his bathroom She's dead He has no idea how she got there but one chilling fact is clear everything points to Dan having murdered her

Someone is trying to frame him Someone who might still be watching In a panic he goes on the run But even as he flees across Europe his unknown enemy stacks up the evidence against him Dan is determined to clear his name and take revenge on Lisa s killer but the culprit is closing in And then there s the agony of his own guilty conscience No he didn t kill her but is it all his fault **Jericho's Bane** James L.
