1966-1973 Clement Meadmore, 1973 **Influences and Parallels** Peter Atkins, 2012* **Sculpture in Gotham** Michele H. Bogart, 2018-04-15 Public sculpture is a major draw in today s cities and nowhere is this more the case than in New York In the Big Apple urban art has become synonymous with the municipal brand highlighting the metropolis as vibrant creative tolerant orderly and above all safe Sculpture in Gotham tells the story of how the City of New York came to be committed to public art patronage beginning in the mid 1960s In that era of political turbulence cultural activists and city officials for a time shifted away from traditional monuments joining forces to sponsor ambitious sculptural projects as an instrument for urban revitalization Focusing on specific people agencies and organizations and both temporary and permanent projects from the 1960s forward Michele H Bogart reveals the changing forms and meanings of municipal public art Sculpture in Gotham illustrates how such shifts came about at a time when art theories and styles were morphing markedly and when municipalities were reeling from racial unrest economic decline and countercultural challenges to culture as well as the state

While sculptural installations on New York City property took time and were not without controversy Gotham's processes and policies produced notable results providing precedents and lessons for cities the world over

A Companion to Australian Art Christopher Allen, 2021-07-06 A Companion to Australian Art is a thorough introduction to the art produced in Australia from the arrival of the First Fleet in 1788 to the early 21st century Beginning with the colonial art made by Australia's first European settlers this volume presents a collection of clear and accessible essays by established art historians and emerging scholars alike Engaging clearly written chapters provide fresh insights into the principal Australian art movements considered from a variety of chronological regional and thematic perspectives The text seeks to provide a balanced account of historical events to help readers discover the art of Australia on their own terms and draw their own conclusions The book begins by surveying the historiography of Australian art and exploring the history of art museums in Australia The following chapters discuss art forms such as photography sculpture portraiture and landscape painting examining the practice of art in the separate colonies before Federation and in the Commonwealth from the early 20th century to the present day This authoritative volume covers the last 250 years of art in Australia including the Early Colonial High Colonial and Federation periods as well as the successive Modernist styles of the 20th century and considers how traditional Aboriginal art has adapted and changed over the last fifty years The Companion to Australian Art is a valuable resource for both undergraduate and graduate students of the history of Australian artforms from colonization to postmodernism and for general readers with an interest in the nation's colonial art history

Sculpture, 2001 *Dick Watkins* Mary Eagle, 2024-09-17 Dick Watkins belongs to the generation of artists whose careers were launched at the high flying end of American based Abstraction Almost immediately he faced up to the abrupt end of the Modern era Culture was no longer to be framed by progress In 1970 taking stock of the situation he announced that he was a copyist there being no such thing as a new creation in art shaped as it was by visual languages Nor did he intend to limit his curiosity about the relation of art to life by restricting himself to a personal style There followed a long and passionately adventurous exploration into many subjects and styles during which Watkins was often the first to signal changes taking place in Western culture The result is that for half a century he has been a major if controversial figure in Australian art
