clandestine organizations The role of the clandestine organization would be to build the consciousness of action and prepare the way for the development of a people s militia Concurrently the role of the mass movement i e above ground Prairie Fire collective would include support for and encouragement of armed action Such an alliance would according to Weather help create the sea for the guerrillas to swim in The Prairie Fire Collective faction started to surrender to the authorities from the late 1970s to the early 1980s The remaining Weather Underground members continued to attack U S institutions This is the complete text of Prairie Fire in its original layout *Students for a Democratic Society* Students for a Democratic Society (U.S.),196?
