Age of Piracy expert pirate historian Benerson Little debunks more than a dozen pirate myths that derive from this era from the flying of the Jolly Roger to the burying of treasure from walking the plank to the staging of epic sea battles and shows that the truth is far more fascinating and disturbing than the romanticized legends Among Little's revelations are that pirates of the Golden Age never made their captives walk the plank and that they instead were subject to horrendous torture such as being burned or hung by their arms Likewise epic sea battles involving pirates were fairly rare because most prey surrendered immediately The stories are real and are drawn heavily from primary sources Complementing them are colorful images of flags ships and buccaneers based on eyewitness accounts Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
