Sea Room An Island Life In The Hebrides:

Sea Room Adam Nicolson, 2007-08-14 In 1937 Adam Nicolson's father answered a newspaper ad Uninhabited islands for sale Outer Hebrides 600 acres Puffins and seals Apply and thus found the Shiant Islands With a name meaning holy or enchanted islands the Shiant Islands for millennia were a haven for those seeking solitude but their rich sometimes violent history of human habitation includes much more When he was twenty one Nicolson inherited this almost indescribably beautiful property a landscape soaked in centuries old tales of restless ghosts and Bronze Age gold that cradles the heritage of a once vibrant world of farmers and fishermen In *Sea Room* Nicolson describes and relives his love affair with the three tiny islands and their strange and colorful history in passionate keenly precise prose sharing with us the greatest gift an island bestows on its inhabitants a deep engagement with the natural world

The Devil's Cormorant Richard J. King, 2014-08-05 A journey through the history biology and culture of the misunderstood cormorant

Life Between the Tides Adam Nicolson, 2025-08-22 Adam Nicolson explores the marine life inhabiting seashore rockpools with a scientist's curiosity and a poet's wonder in this beautifully illustrated book The sea is not made of water Creatures are its genes Look down as you crouch over the shallows and you will find a periwinkle or a prawn a claw displaying crab or a cluster of anemones ready to meet you No need for binoculars or special stalking skills go to the rocks and the living will say hello Inside each rock pool tucked into one of the infinite crevices of the tidal coastline lies a rippling silent unknowable universe Below the stillness of the surface course different currents of endless motion the ebb and flow of the tide the steady forward propulsion of the passage of time and the tiny lifetimes of the rock pool's creatures all of which coalesce into the grand narrative of evolution In *Life Between the Tides* Adam Nicolson investigates one of the most revelatory habitats on earth Under his microscope we see a prawn's head become a medieval helmet and a group of winkles transform into a Dickensian social scene with mollusks munching on Stilton and glancing at their pocket watches Or rather is a winkle more like Achilles an ancient hero throwing himself toward death for the sake of glory For Nicolson who writes with scientific rigor and a poet's sense of wonder The American Scholar the world of the rock pools is infinite and as intricate as our own As Nicolson journeys between the tides both in the pools he builds along the coast of Scotland and through the timeline of scientific discovery he is accompanied by great thinkers no one can escape the pull of the sea We meet Virginia Woolf and her *Waves* a young T S Eliot peering into his own rock pool in Massachusetts even Nicolson's father in law a classical scholar who would hunt for amethysts along the shoreline his mind on Heraclitus and the other philosophers of ancient Greece And of course scientists populate the pages not only their discoveries but also their doubts and errors their moments of quiet observation and their thrilling realizations Everything is within the rock pools where you can look beyond your own reflection and find the miraculous an inch beneath your nose The soul wants to be wet Heraclitus said in Ephesus twenty five hundred years ago This marvelous book demonstrates why it is so Includes Color and Black and White Photographs

Iona Dreaming Clare Cooper

Marcus,2010-04-01 A journey of healing takes Clare Cooper Marcus on a 6 month long solitary retreat to the remote Scottish Island of Iona Here she experiences a mirroring of her soul and reflects and reviews the life that brought her here to this magical place Her compelling memoir Iona Dreaming is an inspirational account of personal survival and hope in which Clare shares her recovery from a life threatening illness which deepens into a contemplation of the events in her life and her physical emotional and spiritual healing Clare Cooper Marcus brings both a personal and academic life long interface with place environment and people Her five previous books about human response to architecture and environment were popular with the public and well received by the press Iona Dreaming will reach out to a broad audience people entering retirement dealing with serious illnesses gardeners lovers of nature architects and landscape architects people who are becoming more health conscious women who have shared the social and cultural shifts she lived through especially those coming of age in the 60 s and all those who seek a more authentic life California's Channel Islands Frederic Caire Chiles,2015-01-20

Prehistoric foragers conquistadors missionaries adventurers hunters and rugged agriculturalists parade across the histories of these little known islands on the horizon of twenty first century Southern California This chain of eight islands is home to a biodiversity unrivaled anywhere on Earth In addition the Channel Islands reveal the complex geology and the natural and human history of this part of the world from the first human probing of the continent we now call North America to modern day ranchers vineyardists yachtsmen and backpackers Not far below the largely undisturbed surface of these islands are the traces of a California that flourished before historical time vestiges of a complex forager culture originating with the first humans to cross the Bering Land Bridge and spread down the Pacific coast This culture came to an end a mere 450 years ago with the arrival of Spanish conquistadors and missionaries whose practices effectively depopulated the archipelago The largely empty islands in turn attracted Anglo American agriculturalists including Frederic Caire Chiles s own ancestors who battled the elements to build empires based on cattle sheep wine and wool Today adventure tourism is the heart of the islands economy with the late twentieth century formation of Channel Islands National Park which opened five of the islands to the general public For visitors and armchair travelers alike this book weaves the strands of natural history island ecology and human endeavor to tell the Channel Islands full story Robert Lowell, Setting the River on Fire Kay Redfield

Jamison,2018-02-06 PULITZER PRIZE FINALIST In this magisterial study of the relationship between illness and art the best selling author of An Unquiet Mind Kay Redfield Jamison brings an entirely fresh understanding to the work and life of Robert Lowell 1917 1977 whose intense complex and personal verse left a lasting mark on the English language and changed the public discourse about private matters In his poetry Lowell put his manic depressive illness now known as bipolar disorder into the public domain and in the process created a new and arresting language for madness Here Dr Kay Redfield Jamison brings her expertise in mood disorders to bear on Lowell s story illuminating not only the relationships between mania depression and creativity but also how Lowell s illness and treatment influenced his work and often became its subject A bold

sympathetic account of a poet who was both despite and because of mental illness a passionate original observer of the human condition Whisky, Kilts, and the Loch Ness Monster William W. Starr, 2012-06-05 A celebration of Scottish life and spirited endorsement of the unexpected discoveries to be made through good travel and good literature Whisky Kilts and the Loch Ness Monster is a memoir of a twenty first century literary pilgrimage to retrace the famous eighteenth century Scottish journey of James Boswell and Samuel Johnson two of the most celebrated writers of their day An accomplished journalist and aficionado of fine literature William W Starr enlivens this crisply written travelogue with a playful wit an enthusiasm for all things Scottish the boon and burden of American sensibility and an ardent appreciation for Boswell and Johnson who make frequent cameos throughout these ramblings In 1773 the sixty three year old Johnson was England's preeminent man of letters and Boswell some thirty years Johnson's junior was on the cusp of achieving his own literary celebrity For more than one hundred days the distinguished duo toured what was then largely unknown Scottish terrain later publishing their impressions of the trip in a pair of classic journals In 2007 Starr embarked on a three thousand mile trek through the Scottish Lowlands and Highlands following the path though in reverse of Boswell and Johnson Starr tracked their route as closely as the threat of storms distractions of pubs and limitations of time would allow Like his literary forebears he recorded a wealth of keen observations on his encounters with places and people lochs and lore castles and clans fables and foibles Starr couples his contemporary commentary with passages from Boswell's and Johnson's published accounts letters and diaries to weave together a cohesive travel guide to the Scotland of yore and today comparing reflections from two centuries ago to his own modern day perspectives The tour begins and ends in Edinburgh and includes along the way visits to Glasgow Inverness Loch Ness Culloden Auchinleck the Isles of Iona and Skye and many more destinations In addition Starr expands his course to include two of the farthest reaches of Scotland where eighteenth century travelers dared not tread the Outer Hebrides and the Orkney Islands remarkable regions shaped by distinctive weather history and isolation Blending biography intellectual and cultural history and comic asides into his travelogue Starr crafts an inviting vantage point from which to view aspects of Scotland's storied past and complex present through an illuminating literary lens The well read globetrotter and the armchair adventurer will each benefit from this compendium of fascinating revelations about Scotland's colorful volatile heritage its embrace of myth and legends its flirtations with both tradition and commercialization and its legacy as more than a source of single malts bagpipes and kilted genealogies *Tides of Change on Grand Manan Island* Joan Marshall, 2008-12-16 In less than a decade the island community has faced the degradation of the wild fishery and rapid growth of aquaculture an increasing presence of multinational corporations new federal initiatives with respect to aboriginal policies and widespread social dysfunction Joan Marshall uses over twelve years of intensive ethnographic research to chart the nature and pace of social and cultural change on Grand Manan showing how it relates to globalization and environmental degradation as well as to a confluence of outside sources *The Prisoner in the Castle*

to meet you No need for binoculars or special stalking skills go to the rocks and the living will say hello In this distilled version of the powerful revelatory *Life Between the Tides* Adam Nicolson takes the reader on a wonder filled tour of some of the animal residents of the rock pools that are the stage for so much of the life and poetry of the ocean We visit with the sandhopper prawn winkle crab and anemone and each episode reenacts the book's idea of the inner drama of life in this cloistered and vibrant space Nicolson writes with scientific rigor and a poet's sense of wonder *The American Scholar* He animates the world of the rock pool and provides an essential perspective on a marine world as intricate and infinite as our own and not much further off than the tips of our noses *The Living Will Say Hello* is part of the Picador Shorts series *Oceans Rivers and Streams* in which excerpts from beloved classics speak to our relationship with our water bodies great and small

God's Secretaries Adam Nicolson, 2005-08-02 A network of complex currents flowed across Jacobean England This was the England of Shakespeare Jonson and Bacon the era of the Gunpowder Plot and the worst outbreak of the plague Jacobean England was both more godly and less godly than the country had ever been and the entire culture was drawn taut between these polarities This was the world that created the King James Bible It is the greatest work of English prose ever written and it is no coincidence that the translation was made at the moment Englishness specifically the English language itself had come into its first passionate maturity The English of Jacobean England has a more encompassing idea of its own scope than any form of the language before or since It drips with potency and sensitivity The age with all its conflicts explains the book This P S edition features an extra 16 pages of insights into the book including author interviews recommended reading and more

How to Be Animal Melanie Challenger, 2021-03-23 A remarkable combination of biology genetics zoology evolutionary psychology and philosophy Richard Powers Pulitzer Prize winning author of *The Overstory* A brilliant thought provoking book Matt Haig New York Times bestselling author of *The Midnight Library* A wide ranging take on why humans have a troubled relationship with being an animal and why we need a better one Human are the most inquisitive emotional imaginative aggressive and baffling animals on the planet But we are also an animal that does not think it is an animal How well do we really know ourselves *How to Be Animal* tells a remarkable story of what it means to be human and argues that at the heart of our existence is a profound struggle with being animal We possess a psychology that seeks separation between humanity and the rest of nature and we have invented grand ideologies to magnify this As well as piecing together the mystery of how this mindset evolved Challenger's book examines the wide reaching ways in which it affects our lives from our politics to the way we distance ourselves from other species We travel from the origin of homo sapiens through the agrarian and industrial revolutions the age of the internet and on to the futures of AI and human machine interface Challenger examines how technology influences our sense of our own animal nature and our relationship with other species with whom we share this fragile planet That we are separated from our own animality is a delusion according to Challenger Blending nature writing history and moral philosophy *How to Be Animal* is both a fascinating reappraisal of what it means to

be human and a robust defense of what it means to be an animal Bird School Adam Nicolson, 2025-09-16 An intimate exploration of the lives of birds and their interactions with man by a preeminent naturalist Poets and scientists saints and naturalists stalk through these pages Neighboring cock robins duel almost to the death Tawny owl widows are seen looking for tawny owl widowers to set up shop with Blackbirds are found singing phrases from late Beethoven quartets both in a garden in southern England where they have been listening to records played through the open window of a drawing room and in Bonn where Beethoven himself first heard them and where they are still singing to the same rhythms two hundred fifty years later Bird School describes and follows Adam Nicolson's progress over two or three years in trying to learn about and eventually to create an environment friendly to the birds of the farm where he lives in Sussex In simple language that evinces his careful observational prowess Nicolson aims to cross the boundary between the scientific and the prescientific understanding of birds looking into why and how they sing how they fly and breed how they survive and migrate how they have suffered at our hands how we have loved them and damaged them and how we might create or re create a refuge for them Here is a set of lessons for someone who knows little but cares a lot about the living world that is in such dire crisis Here is life in the rough grounds on the edge of culture and nature How to Be Adam Nicolson, 2023-10-17 Nicolson crafts a geography of the ancient world and a brilliant exploration of our connections to the past What is the nature of things What is justice How can I be myself How should we treat each other Before the Greeks the idea of the world was dominated by god kings and their priests Twenty five hundred years ago in a succession of small eastern Mediterranean harbor cities a few heroic men and women decided to cast off mental subservience and apply their own thinking minds to the conundrums of life These great innovators shaped the beginnings of western philosophy Through the questioning voyager Odysseus Homer explored how we might navigate our way through the world Heraclitus in Ephesus was the first to consider the interrelatedness of things Xenophanes of Colophon was the first champion of civility On the Aegean island of Lesbos the early lyric poets Sappho and Alcaeus asked themselves How can I be true to myself On Samos Pythagoras imagined an everlasting soul and took his ideas to Italy where they flowered again in surprising and radical forms The award winning writer Adam Nicolson travels with us through this transforming world and asks what light these ancient thinkers can throw on our deepest preconceptions Enhanced with maps photographs and artwork How to Be is an expedition into early ideas Nicolson takes us to the dawn of investigative thought and makes the fundamental questions of the ancient philosophers new again What are the principles of the physical world How can we be good in it And why do we continue to ask these questions It is an enthralling exhilarating journey Holy Solitude Heidi Haverkamp, 2017-12-31 Our faith is full of heroes who experienced God powerfully in solitude From Hagar and the Hebrew prophets to Jesus in the wilderness to Francis of Assisi and Catherine of Siena we see how escape from the toil and temptations of daily life can open our eyes ears minds and hearts to the still small voice of God In the vast desert or a tiny room solitude frightening for some and a welcome reprieve for others is far

from an antisocial self indulgence but rather is an opportunity for transformation and empowerment to serve God's people ever more deeply While most of us can't take weeks or even a few days for private retreat Holy Solitude offers readers thoughtful inspiration and practical devotional activities such as taking a solitary bus ride or baking a loaf of bread for a neighbor Daily reflections introduce readers to figures in both Scripture and Christian history whose stories of discernment and discipline are a guide for our own spiritual practices as we seek to know God more fully and follow Christ more faithfully
