friends and blood sisters for life Melonee Reid and Fiona White have one goal in life to get rich and live comfortably but growing up in the inner city of Los Angeles isn t helping them obtain that goal That is until Fiona comes up with a plan to marry for money and murder for even more The girls seek out older established wealthy bachelors drawing them into a web of deception with their good looks sexy bodies and loving personalities. Once their last names are changed and the ink is dry on the insurance policies the clique executes their plan to have the new husbands die accidental deaths leaving their fortunes to the widowed wives Their little marry for money scam works for years until things take a drastic turn and one friend s connection to the new mark has her questioning her role in the Black Widow Clique The other friend still wants to carry out the murderous plan to get a hold of a multimillion dollar insurance policy Friendship will be tested lies will be told and loyalty will come into play when one black widow decides that their cozy web of deception love and money isn t big enough for two Liminal States Zack Parsons, 2011-10-24 An awe inspiring helter skelter journey through mind blowing SF western dime novel noir mystery and near future dystopian horror Publishers Weekly starred review The debut novel from Zack Parsons editor of the Something Awful website and author of My Tank Is Fight is a mind bending journey through time and genres Beginning in 1874 with a blood soaked western story of revenge Liminal States follows a trio of characters through a 1950s noir detective story and twenty first century sci fi horror Their paths are tragically intertwined and their choices have far reaching consequences for the course of American history It's a remarkable mashup that somehow manages to become a cohesive thought provoking whole There s no way a novel with this many moving parts should hold together but it does and even readers initially daunted by the jumble will soon be glad to go wherever Parsons takes them Publishers Weekly starred review Parsons s debut is a tour de force a justifiably showy demonstration of the author s chameleon like ability to write in several genres all at once and it emerges as one of the scariest and bleakest tales I can remember Cory Shadow's Light Danica Belber, 2018-09-23 Shadow's Light By Danica Belber In this beautiful and dangerous Doctorow world there isn t peace among the races of the Siphthan Arvai and Harpies but there isn t open war Until the King of the Siphthan destroys the Arvai city of Skalin Aramay and Hayden barely escape the slaughter Aramay just wants to get her friend to safety and ignore her own unsettling dreams and growing inexplicable powers As they journey the two become involved in a Siphthan rebellion and gain wary and unexpected allies of Siphthan Arvai and Harpies When Aramay meets the Durani the elements in physical form myth becomes reality The Durani have great power but nothing they say compared to Aramay herself She is the immortal Darnae powerful beyond anything she can conceive powerful enough to harm those she loves the most Filled with magic and danger dark fears and fragile hopes Shadow's Light is a rich fantasy of the beauty and chaos of self discovery **Code Name Snowbird** James H.
