Discoveries: The Search for Ancient Greece Roland Etienne, Francoise Etienne, 1992-10-30 Chronicles the history of archeological discovery in Greece beginning with the writings of Pausanias in the 2nd century continuing through and focusing on the expeditions of the 19th and 20th centuries **In Search of the Greeks** James Renshaw, 2008-05-16 Offers an introduction to the societies of Classical Greece This book introduces six key areas of ancient Greece Greek religion the Olympic Games Athenian drama Athenian society Athenian democracy and Sparta It reflects on some of the social political and cultural issues of classical Greece **The Search for Ancient Greece** Roland Etienne, Françoise Etienne, 1992

Magic Search Rebecca S. Kornegay, Heidi E. Buchanan, Hildegard B. Morgan, 2009 Presents the 467 best performing LCSH subdivisions that speak to the kinds of research questions librarians handle every day The quick reference format along with a handy index makes this a useful tool to keep close at hand **The Alchemical Search for the Unified Field** R. E. Kretz, 2023-07-11 An in depth guide to attaining the enlightenment of the Philosopher s Stone Explores the alchemical mechanics of the Philosophers Stone Illustrates the sacred geometry behind the creation of the Philosophers Stone Explains how the Philosophers Stone relates to the Third Eye and how to balance its energies to attain enlightenment Inspired by alchemists of the past R E Kretz explores the mechanics of the Philosophers Stone the Pythagorean transmigration of the soul and the alchemical path for attaining enlightenment The author details an illustrative geometric approach for the creation of the Philosophers Stone using an oblong square created by three overlapping circles with the center circle squared the same shape described in Freemasonry as the form of a Masonic Lodge He compares this diagram to depictions of the Stone in Mesopotamian Egyptian and Hindu cultures as well as floorplans for European cathedrals showing how the sacred geometry of the oblong square elucidates man as mind body and spirit encapsulating a soul Describing the relationship between the alchemical oblong square and the electrical circuit of the brain the author details the operative process of the Philosophers Stone likening it to the servomechanism of the third eye located between the twin pillars of the cerebral hemispheres He explores how to navigate the twin pillars of the brain to find equilibrium the third pillar When the energies of our third eye are in equilibrium we resonate as a harmonic waveform generator and he shows how this can be achieved through meditation and the synchronizing vibration of vocal mantras Drawing on the work of Rosicrucianism Freemasonry Hermeticism sacred geometry and Native American shamanism this book presents an allegorical quest for the Philosophers Stone and a path for attaining enlightenment *In Search of Freedom* Willie V. Bryan, 2006 This updated and expanded new edition continues the theme of the first edition of emphasizing the struggles in which persons with disabilities have engaged the barriers they have had to overcome and the barriers they continue to face in their quest to obtain freedom A major point is that disabilities are a part of life and everyone has limitations therefore persons with disabilities should be treated the same as any other human The disability rights movement and its role in placing the demands of persons with disabilities

before American society are discussed Legislative action that impacted persons with disabilities is traced through the Americans with Disabilities Act The impact of attitudes self concept and self esteem are explored as well as the family s role in assisting persons with disabilities in their search for freedom Intervention strategies are also discussed including the actions that are needed before persons with disabilities can be truly free Although significant progress has been made the laws mentioned in this book as well as other unmentioned laws can do only so much with regard to helping people with disabilities Given this reality it is imperative that persons with disabilities make the American public aware of the inequities that still exist The search for freedom must continue and the search should be inspired and led by persons with disabilities Consequently this second edition deals with both the needs of persons with disabilities and the actions they must take to attain their freedoms Publisher s website

Building Modern Antiquity Georgia Giannakopoulou,2024-11-29 This book considers post 19th century Athens as a unique instance of a secret side of metropolitan capitalism With a focus on modern antiquity as the hidden element of the dialectic between the past and the present it suggests that the sociological study of one of the great European capital cities a city not intended as a modern capital and its architectural representations may expose part of the veiled processes of the reconstruction of the past thus shedding light on the abuse of antiquity for the celebration of European capitalist metropolitan modernity From the glorious white marble cityscape of the 19th century that aimed at re enchanting metropolitan modernity to the inglorious grey reinforced concrete 21st century metropolis modern Athens exposes the battle between the modern and a modern image of antiquity a false socially constructed historiography born of the dialectics between the ancient and the modern the new and the old collective memory and collective forgetting As such *The Building of a Modern Antiquity* will appeal to scholars of sociology with interests in social and critical theory urban studies sociology of architecture and visual sociology
