**Applied Writing by the Journalistic Method** Perley Isaac Reed, 1929      *Worldview 101* Michael Jean Nystrom-Schut, 2004-06-02 In truth just about anyone of us can scribble out a book about personal answers to the many questions of life *Worldview 101* or What is most basic and true to my own reality as a human upon the earth is my own response to a number of different concerns and issues in life You might think of this writing as a personal Platos handbook a general set of responses to the many questions of life As its writer it is only a part of the representation of my most current worldview I say current because how we see the world is always in a state of movement Concerning the book as you read it do so with the approach that you are first taking into account my way of seeing things thinking about it and then re shaping more of how you personally view things See if you relate to we think this or we came to know that If you do adopt the idea as your own If not move on In picking and choosing your position on the issues presented here you will probably come to know more of what you are all about more of what you know you know And what will that do It will give you a perspective in higher thought which is a good sort of perspective to possess This you can hopefully use to govern your own life more personally It can be very difficult to acclimate to this world of ours Perhaps the thoughts in this book will help change or reshape your overall acclimation to life for the better Knowing more never really stops If life is meant for anything for some reason that we dont really know about it seems meant for us to learn more about being In the end it is this being part of us that relays a story It also tells to others in our world who and what we are or were Our lives are personal narratives and play out as such for each of us Life speaks to our innermost parts what is it saying to you We can hear the messages if we listen carefully

and lots of fun If were to ask you to describe your life to me would you respond like those in negative group 1 or as those in positive group 2 Well if you find yourself in negative group 1 Ive got good news for you You can learn how to put all of that behind you You can acquire a positive optimistic outlook and at the same time put more fun in your life How READ THIS BOOK You see in my book I explain with many examples and true stories how God demonstrated again and again to me that his greatest desire is to be our best friend Our buddy Our guide But best of all he wants us to see him as our own personal loving father who wants nothing less than the best of everything for us as his son or daughter because he loves us so very much As I prayerfully wrote this book Anchors Of Faith about events in my life I realized that there was something mysterious happening in each story I dont mean this is a mystery book but instead as you read it I believe you will be aware of what I call the mysterious spiritual message God has put in this book especially for you That message seems to be written between the lines of what I wrote My words and thoughts are simply my honest attempt to explain to you by way of many examples and stories about my life the hundreds of ways God wants to help us have interesting and enjoyable lives In addition he does his best to help us find answers to lifes constant questions about faith children the Bible fellowship missions money prayer and self worth So if you want to find ways to change your attitude about your life find ways to have more fun and what I call a blast or a party for the rest of your life you need to read this book soon Sincerely Terrance L Weber     *The Preacher's Complete Homiletical Commentary on the Old Testament: Ecclesiastes* ,1892     **The Foreign Quarterly Review** ,1862     **The Westminster Review** ,1862     **Jamie MacLeod, Highland Lass** Michael R.
