## **Search Party Collected Poems:**

**Search Party** William Matthews, 2005-04-05 From the prize winning poet A stunning volume A master of the understatement Matthews is wryly philosophical and self deprecating Booklist When William Matthews died the day after his fifty fifth birthday America lost one of its most important poets one whose humor and wit were balanced by deep emotion whose off the cuff inventiveness belied the acuity of his verse Drawing from his eleven collections and including twenty three previously unpublished poems Search Party is the essential compilation of this beloved poet s work Edited by his son Sebastian Matthews and William Matthews s friend and fellow poet Stanley Plumly who also introduces the book Search Party is an excellent introduction to the poet and his glistening riffs on twentieth century topics from basketball to food to jazz

**Selected Poems and Translations** William Matthews, 1992 Critics to write that William Matthews may be the wisest poet of his generation In writing about W H Auden Matthews could be describing himself The language has used him well and passed him through We get what he has collected This book which includes some previously uncollected poems and translations also draws on nine previous volumes Ruining the New Road Sleek for the Long Flight Sticks Stones Rising and Falling Selected Translations from Jean *Hunting Men* Dave Smith, 2006-12-01 In Hunting Men poet Dave Smith reasserts the validity of poetry in our times With eloquence grace and a searching intelligence Smith illuminates both poems and poets Believing that great poetry cannot be divorced from an intimate organic link to place he builds a compelling case for the importance of southern poets Like the hunters who taught Smith as a young man patience observation and willingness to rely on his senses he leads readers on an expedition through a specific poetic place with a sure sense of direction and destination Beginning with a discussion of southern poetry that seeks to define the form and its value for a global readership the first of the book s three sections also includes reflections on Edgar Allan Poe John Crowe Ransom Robert Penn Warren and James Dickey In the second part Smith focuses on contemporary poets Richard Hugo Stephen Dunn Stephen Dobyns and Larry Levis among others In the final chapters he examines how he came to be a poet and reflects on the nature and practice of poetry Smith describes himself as a poet born and raised in the South but never entirely comfortable with the neighborhood or many of the public assumptions about southernness By describing why southern poetry is important to him he reveals why poetry matters to all of us as he asserts the moral weight of regional art My success if it occurs will be to send readers to the books of the poets where the world as they knew it waits and is full of the delights of the unglimped and known The
