

LIFE

Here on this path called life we tread,
Each step a journey, the unknown ahead,
Beneath the canopy of the azure sky,
We journey on, you and I,
From the twinkling stars to the vibrant rainbows,
Life unfolds in a symphony that constantly grows,
With every step, a story unravels along each road,
With every stride, crossroads unfurls for the young and old,
Forking into dreams and nightmares, fulfilment and disappointment,
And like a theatre where acts and roles may sway
We dance to the twist and turns with each passing day,
Through valleys deep and mountain high,
Through the sun and the stormy sky,
We sail towards a horizon filled with life's tide,
Sometimes adrift on a path of joy and other times restraint,
From the silence of solitude to the crowd's embrace,
Life's rhythm echoes in every heart's space,
So cherish every heartbeat and every breath,
Embrace every moment and every depth,
Cos through the changing seasons and twilight hush,
In each laughter's echo and silent tears,
Life is a tale etched on the fabric of our beating heart.

Search For Life Poems:

In Search of Life Through Poetry and Art Luis Origel, 2019-04-01 A collection of poetic and artistic expressions through the changing life experiences of creative artist Luis Origel Giacomo Leopardi's Search For a Common Life Through Poetry Frank Rosengarten, 2012-02-16 This book traces the life of Giacomo Leopardi by examining four different yet interrelated aspects his social origins and class in relation to his evolving conception of nobility the mixture of idealism and misogyny in his attitude toward women and in his conception of love his poems and prose on the theme of Italian independence and his philosophical materialism as expressed in his poetry intellectual diary and essays Frank Rosengarten pays particular attention to the ways in which the thought of Arthur Schopenhauer and Friedrich Nietzsche illuminates Leopardi's world view He also devotes a section of the book to the different personal moral and philological components of Leopardi's humanism Throughout he maintains a sharp focus on the connections between Leopardi's life and the historical period in which he lived The major themes and human concerns expressed in Leopardi's writings relate to his life experiences and to the historical period in which he lived Of central interest are nobility and love since Leopardi's perception of these two themes evolved and changed as he acquired a more general and universal conception of life This fascinating combination of classical and modern perspectives on life and literature is highlighted throughout the book A Look Inside The Man: Poetry about life and nature Archie Brown, 2022-06-08 A group of poems by Archie Brown dating from 1985 to the present Archie writes Christian poetry and poetry about his life His poetry has inspired readers of many ages *Search for Belief in the Poetry of Robert Frost* Rajendra Nath Mishra, 1992 This Book Plans To Discuss Robert Frost's Constructive Attitude Towards Life As Portrayed In Most Of His Poems The Author Has Given A New Perspective To Frost's Criticism The Sense Of Death Decay Degeneration Devaluation Disintegration And Alienation Has Been The Prominent Wing Of Modern Poetry Frost Is Conscious Of All These Aspects Of Modern Life It Is Not That He Is Unaware Of The Modern Predicament Rather He Is Useless To Call Our Time Bad In His Poetry One Finds A Different Approach To The Problems Of Life In Spite Of The Fact That Life Is Full Of Distressing Aspects Frost Describes Life Worth Living In Birches He Declares Earth's The Right Place For Love I Don't Know Where It's Likely To Go Better This Reveals The Fact That He Is Not One Among The Palayana Panthis Neither Is He A Nirashavadi He Is An Ashavadi Who Believes In This Creation *Poetry of Arctic and Life Experiences* Edward Collinson, 2003 As a child I could not understand why the children got punished because their parents were going through hard times It was the child that got the blame for the wrongs of the adult The child was put into homes that needed workers to help on the farms and they were placed there by the Children's Aid The family was split up so there was no one to play with and in the end the games were played in the one's own mind My poem I Walk Alone reflects on my pains as a child experiencing difficult times in foster homes and being separated from my family When I grew older to confirm to myself that I had become a man and that I could live on my own I joined the Canadian Armed Forces I suppose at

the same time I was looking for friendship But to tell you the truth I have never been able to experience a lifetime friendship I have kept in touch with one army friend but you could not call it close friends as he did not extend the same willingness to carry on our friendship This isolation shows up in many of my poems such as To Walk in Memories The abuse caused by the welfare is one of my most heart felt poems as when I retired The hard time they gave me in trying to get financial assistance for me and my grandchild was a paltry 116 month This financial difficulty cumulated with the frustration of not been able to work for a living gave me the anger inside that inspired me to write poetry for this book I am not a story writer I did it in poetry because it seems easier for me to express my thoughts in short writings There are several poems that relate to the challenges I faced with welfare Welfare Pay Day is one such poem Religion is another hard subject for me as it creates a lot of contradictions both in reading it and listening to someone preaching it Blame It on My Brother and What is Sin are two poems that express my thoughts on the ambiguity of religion In our society we have courts and corruption of courts they call this law In Rule by Elders I write One word in law becomes a book and in the end the meaning mistook The drunkenness of judges and lawyers up here was pretty bad They have tried to clean some of it up but what of the lives they ruined when the were drunk in the court rooms themselves There is no law when you say to the First Nations that you are under apartheid which the Indian Act is but we call it equality The Indian Act is one law that we cannot have in our society We cannot have equality when the laws are different for different groups of people They say it is because of the government But to my mind that is even worse as they are the ones that are supposed to make society equal I have done many years hunting and trapping up here in the Arctic We had wide open trap lines but you respected the other person s line If another trapper was on a certain line first you made your line some place else Most of us just got enough fur to support our families It was the white man that thought himself one step higher and in the end destroyed the life in the bush for both himself and the natives I have several poems on my life in the bush for example The Hunter
