## Searching 4 Faith:

**Searching for Faith** W. Ross Winterowd, 2004-08-20 Searching for Faith A Skeptic's Journey is intended for the general reader It is not a scholarly book however it is the result of a decades long interest in how readers read and how texts convey their meaning leavened by a very personal commitment to the quest for faith It explores timely questions that must concern anyone who thinks about faith particularly insofar as faith is based on the Bible

**Finding Faith---A Search for What Makes Sense** Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It's easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can't help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they're your answers conclusions you've arrived at personally without manipulation coercion or game playing For faith to exist and grow it's got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

**Finding Faith---A Search for What Is Real** Brian D. McLaren, 2009-07-13 There have been times when you've felt that if there isn't a God there ought to be Swept up in the mystery of the night sky you've felt the closeness of its designer Nature's extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you're not even sure exists Religious jargon and games can't satisfy such a longing It's got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul

Andrew Fuller and the Search for a Faith Worthy of All Acceptation David Mark Rathel, 2024-08-22 The eighteenth century English minister Andrew Fuller lived a consequential life debating noteworthy contemporaries such as Thomas Paine and contributing to the pioneering international work of William Carey However his soteriology remains his most significant theological contribution Fuller explored the role that human agency

plays in salvation's reception and he offered substantive theological proposals that many religious historians now credit with advancing the Evangelical Revival. Fuller's work was both traditional and creative. He sought faithfulness to the broader Protestant tradition but developed that tradition in unique and contextually relevant ways. Despite Fuller's influence, much research into his life and work remains. Andrew Fuller and the Search for a Faith Worthy of All Acceptation examines heretofore underutilized primary sources related to Fuller's theological development. It attends to neglected texts produced by Fuller's opponents and mentors. Analysing these sources provides a fresh reading of Fuller's historical setting, one that contextualizes his theology and illuminates his constructive work on faith as a human response to the Gospel. This new interpretation allows scholars to discern more accurately the concepts that animated Fuller, the persons he sought to refute, and the sources on which he relied. This interpretation of Fuller challenges assumptions in contemporary scholarship and raises new questions for further research.

**The Search for Faith and the Witness of the Church** Church of England. Mission Theological Advisory Group, 1996. This ecumenical report explores five areas of contemporary life that in some way affect every person in society. It considers topics such as the challenge of implicit religion, the shapes and forms of contemporary spirituality, and how science, technology, and Christian faith can co-exist.

In Search of a Confident Faith J. P. Moreland, Klaus Issler, 2008-07-30. Emphasizing that our trust in God will grow exponentially when we have come to understand the true nature of faith, J. P. Moreland and Klaus Issler identify the intellectual, emotional, relational, experiential, and even theological barriers to mature faith.

**FAITH-DRIVEN JOB SEARCH** Jonathan Donahue, 2024-02-06. Jeremiah 29:11. For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you; plans to give you hope and a future. A friend of mine gave me this quote along with other Bible verses to encourage me after an unexpected job loss. At the time I thought I was a person of faith. Little did I know that it was a key moment that contributed to a 7-year journey that resulted in a renaissance of my faith, a second baptism, and a lifestyle that has been more fulfilling than I could ever imagine. My career had taken hold of me to the point that it was more important to me than all of the wonderful things in life that were around me, but I did not see. My value, my self-worth, my confidence was determined by my success and accomplishment, almost in entirety. On May 29, 2015, that changed. I was a successful driven executive who was told my employer no longer needed my services. It was one of those seminal moments in life when you either step up and move forward or step back and become a victim. In my journey to move ahead, I encountered several people who put me on the path to lasting success by encouraging me to take a hard look at myself and my career choices through the lens of faith. I am telling my story to share what I learned, the mistakes I made, and the ultimate success I achieved after a series of adverse events in my professional career forced me to take a hard look at my life and my career. In these pages, I offer concrete advice on how to network, what your resume should include, and how to position yourself to leverage resources long before you need to. We'll take a look at what a complete LinkedIn profile looks like, what a professional resume should include, the kind of

research you should be doing before you agree to interview with a company and more I ll also explore a 90 day action plan for what you should be doing after you secure a new position Whether it s effectively communicating with your boss engaging your new team or prioritizing company needs these are the pieces that you ll need to put together to ensure that the job you just got is one that you re prepared to excel in Perhaps most importantly I also share my personal journey toward becoming the best Husband Father Friend Neighbor Community and Business Leader I can be with God s help While my story is told from the perspective of a white Christian male it is told based on universal elements that apply to people of any race gender or faith From meeting with like minded professionals to being open to what your faith is guiding you to do to filling your spare time with recommended books on growing as a leader who is grounded in faith there are networks of support available that extend far beyond the professional world I explain how I tapped into them on my own journey and offer suggestions on how you might begin to reach out to find them in your own life As I explain in my book I ask God to help me find the right opportunity that can permit me to make the most contribution and build success for customers suppliers employees investors and security for my family Then I get to work for God helps those who help themselves Whether you are just beginning your career looking to correct your course or embarking on a completely new chapter this book and your faith can guide you to greater heights

*In Search of Faith* Howard W. Roberts, 2010-01-01 Explore several of the stories of biblical characters who were seekers The search by some of these people became watersheds for later seekers For example Abraham s search resulted in a clear understanding of radical monotheism Ruth s seeking and searching challenged the notion that God s love and acceptance were tied to racial purity Allow yourself to be a seeker as you read May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover that already God is seeking you from the Preface *In Search of Faith* is an exploration of biblical characters who struggled to define their faith Roberts help readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group *In Search of Faith* can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community

*In Search of Apostolic Truth And Faith* , **A Search for Truth** Ray Weaver Sr., 2014-07-30 Each day you wake up you are facing the first day of the rest of your life What does that mean to you Is it just another day a planned set of activities work school boredom or questioning why or what is next Where are you going why and for what purpose Is it important to you or anyone else How do you relate to yourself and to others in your life or to those you might come in contact with Some of us are quiet others talk a lot Some question everything and some just take life as it happens without caring too much Are we changeable or have we changed over our lifetime or more importantly do we want to change What is important to you What is true and real

**The Search for Faith and Character in Our Time** Jeff Caples, 2025-09-10 There are many

things we seek in life some are important and most are not This book gives insight into our search for faith and the character we develop when we pursue it Different qualities of faith and character are examined in detail Current events are discussed and analyzed from the viewpoint of faith in our time The reader is asked What do you believe in and is encouraged to find out

**Anselm of Canterbury and the Search for God** John T. Slotemaker,2018-03-20 This volume provides a broad interpretation of Anselm s theological method through a study of his Monologion The Monologion has been chosen specifically because of its rich and nuanced account of the search for the one God Through a careful analysis of this text what becomes evident is that Anselm s theological project is much broader than a single argument or a simple account of how divine justice and honor are appeased What one encounters is a theology informed by the notion of the human desire for God and the honest search to come to know God in an intimate way The Monologion therefore will present an entry point into Anselm s theological project The second half of the volume will examine the reception history of Anselm s two most famous philosophical and theological contributions i e the ontological argument and the satisfaction theory Anselm is often misunderstood because his approach to theology is reduced to the one argument or a carefully construed calculus of human redemption such readings of Anselm abound and often obscure the Benedictine context within which his thought developed and so a careful reading of Anselm s texts and the history of reception and interpretation will offer a counter narrative to the standard perception of one of the greatest thinkers of Christian history The Paradox of Holiness; Faith in Search of Obedience Donald G. Bloesch,2022-05-03 Within these pages are the last two previously unpublished works from notable American evangelical theologian Donald G Bloesch In his spiritual autobiography Faith in Search of Obedience Bloesch describes the foundation upon which own theology is based namely a faith in search of obedience This honest and challenging work reveals and reminds how we are justified by faith alone but that faith drives us to obey and delight in God s law as we strive to perfect love through the Gospel of Jesus Christ The Paradox of Holiness presents the theology of spiritual life as it is shaped and defined by the Word of God Through this theological exposition Bloesch presents and explores the paradox that exists in the pursuit of holiness for those who believe For the theologian pastor or lay person who is seeking to combine Word and Spirit doctrine and life into an active theology this two in one volume by Donald Bloesch provides an honest and sober account of the challenges that may arise throughout the Christian pilgrimage while pointing toward the hope encouragement and new life that comes through the triumph of Christ on the cross **Biblical Religion and the**

**Search for Ultimate Reality** Paul Tillich,2010-06-22 Dr Tillich shows here that in spite of the contrast between philosophical and biblical language it is neither necessary nor possible to separate them from each other On the contrary all the symbols used in biblical religion drive inescapably toward the philosophical quest for being An important statement of a great theologian s position this book presents an eloquent plea for the essential function of philosophy in religious thought

Pocta,2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between  
the individual and their faith community when the Christian enters spiritually challenging times periods of aridity  
misunderstanding suffering or darkness This problem is amplified because of the growing angst that many feel with  
organized religion When loyalty to the church gets tested during a personal faith crisis or honest intellectual query many  
leave disenchanted claiming a desire to be spiritual but not religious Cries from the Wilderness Reimagining Church Culture  
in an Age of Uncertainty explores the memoirs of three contemporary sojourners Rachel Held Evans David Gushee and Macy  
Halford asking What postures were common in his or her journey that helped them navigate their spiritual wilderness David  
Pocta then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness  
The author s contention is that spiritual communities are often ill equipped to nurture the spiritual life of disoriented or  
questioning Christians By acknowledging their own spiritual journey and drawing lessons from healthy wilderness postures  
they would be better positioned to transform and mature their community while creating a nurturing environment for  
individual sojourners Reaching New Levels of Faith Curtis Hartshorn, MBS,2024-11-12 Strong faith What difference
