Searching For An Adequate God

R.T. Mullins

Searching For An Adequate God:

Searching for an Adequate God David Ray Griffin, 2000 In this book advocates of both process and free will theism come together for the first time to describe their respective theological perspectives and enter into constructive dialogue with each other Featuring two of today's best philosophers David R Griffin representing process theology and William Hasker representing free will theism as well as theologians interested in both views this volume provides a fully orb'd discussion of these two vital theological positions

Fifty Years of Philosophy of Religion Andries F. Sanders, Kristof De Ridder, 2007 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields

What Does God Know and When Does He Know It? Millard J. Erickson, 2006-05-09 At the heart of the recent open theism controversy lies the issue of divine foreknowledge The issues raised involve important matters of faith and practice This intelligent in depth analysis will equip readers at every level from the layperson to the scholar to draw their own conclusions about divine foreknowledge

Divine Control, Human Contingencies and the Problem of Evil Aku Stephen Antombikums, 2025-06-11 This book investigates whether open theism provides a clear and viable response to the problem of evil To better understand open theism classical theism Molinism and process theism are also considered Responses to the problem of evil have traditionally revolved around God's goodness justice and power By contrast this book argues that in order to resolve or better understand the tension between divine sovereignty and human freedom the attributes of God have to be understood as a set Starting from this basis the book examines divine immutability eternity aseity omniscience omnipotence love and creation in order to make sense of the problem of evil The nature of human freedom is also explored Divine Control Human Contingencies and the Problem of Evil is essential reading for all scholars and researchers of the philosophy of religion especially those focusing on the problem of evil

Divine Love Theory Adam Lloyd Johnson, 2023-03-14 What if the loving relationships of the

Trinity are the ultimate objective source for living morally Adam Lloyd Johnson injects a fresh yet eternal reality into the thriving debate over the basis of moral absolutes While postmodernism's moral relativism once temporarily disrupted the footing of classic moral theories like natural law and divine command many nontheistic philosophers assert that morality must rest on something real and objective Divine Love Theory proposes a grounding for morality not only in the creator God but as revealed in the Christian Scriptures Father Son and Spirit eternally loving one another Johnson contends that the Trinity provides a remarkably convincing foundation for making moral judgments One leading atheistic proposal godless normative realism finds many deficiencies in theistic and Christian theories yet Johnson shows how godless normative realism is susceptible to similar errors He then demonstrates how the loving relationships of the Trinity as outlined in historic Christian theology resolve many of the weakest points in both theistic and atheistic moral theories Johnson leaves no stone unturned his research is exceptional and his topic and treatment of it are first rate I very strongly recommend this book

J P Moreland distinguished professor of philosophy Talbot School of Theology Biola University Divine Love Theory is an important and original contribution to the on going contemporary debate between theists and non theists over the foundations of morality It is a work that will be of interest to theologians and philosophers alike Erik Wielenberg professor of philosophy DePauw University Johnson's own proposal is a refreshing and insightful address that is often missed in the moral debate of mere theism Trinitarianism Divine Love Theory is at once more consistent with the largest theistic population Christians but also provides greater explanatory power over competitors theistic and atheistic alike Corey Miller President of Ratio Christi

Latter-day Saint Theology among Christian Theologies Grant Underwood, 2025-03-13 How do the beliefs of Latter day Saints compare with traditional Christian theology Grant Underwood provides answers to this question that are clear detailed and thoughtful Writing for a broad and interested Christian audience he systematically brings Mormon thought into conversation with main currents of Christian theology He focuses on major topics that have engaged Christian thinkers over the years who God is who Jesus Christ is who we are how we are saved what the church is and what the future holds for human history as well as for individual human lives Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic followed by an exploration of Latter day Saint thought on the subject Throughout the book Underwood's goal is to analyze not catechize While the author is a practicing Latter day Saint that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who in Anselm's words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God's relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead to a more accurate nuanced understanding of the doctrines discussed

[A Classical Response to Relational](#)

Theism Brian J. Orr, 2022-02-17 The classical doctrine of God expresses that the God of the Bible is triune a se simple immutable impassible eternal and the sovereign Lord over his creation which he created from himself Modern streams of theology within the evangelical circle continue to promote a doctrine of God that sharply contrasts the classical view the traditional view of God in Christian theism Therefore a critical response to such a theology is needed This study is a comprehensive analysis and sustained critique of Thomas Jay Oord s open relational doctrine of God Oord s model substitutes process metaphysics for classical metaphysics while attempting to retain foundational Christian doctrines that were established within a classical metaphysical framework The Holy Spirit and the Christian Life W. Vondey, 2014-02-20 Twelve scholars from the biblical historical theological and philosophical disciplines engage in a conversation on the transforming work of the Holy Spirit in the Christian life The essays are held together by an enduring focus and concern to explore the relationship between the work of the Holy Spirit and Christian formation discipleship personal and social transformation The book points toward the integration of theory and practice theology and spirituality and the mutual interest in fostering dialogue across disciplines and ecclesial traditions Science and Christianity Tim Reddish, 2016-08-15 Too often conversations on Science and Christianity skate over much deeper assumptions or perceptions on the nature and interpretation of Scripture and the nature of science and of God Instead the rhetoric goes quickly towards contentious issues like evolution global warming or genetic engineering without establishing a framework of mutual understanding Consequently conversations can take place between people who completely misunderstand each other because those foundations have not been clearly articulated In this introductory book you are invited on a journey of discovery one that makes us self aware of our starting assumptions It is only from a framework of critical engagement with both science and the Bible that contemporary issues and the needs of the church and society can be addressed While the Creator is one who brings order this book also reminds us that untamed chaos also has a God ordained place within creation The author explores the element of chance that seems to be at the heart of nature and shows how this can be incorporated constructively within Christian thinking Nature is not mere mechanism and is more open than we might first think This means that miracles are scientifically plausible and prayer can really change things Discerning the Divine Barry L. Callen, 2004-01-01 An ideal introduction to Christian theology Discerning the Divine presents the doctrine of God as the most important subject in Christian believing and living Chapters discuss the complex God question and the task of Christian theology Includes a glossary of terms **From Divine Timemaker to Divine Watchmaker** R.T. Mullins, 2024-10-24 This book offers the most extensive exploration of divine temporality to date It focuses on five main questions First what is time Second how is God responsible for the existence of time Third what does it mean to say that God is temporal Fourth what kind of structure might God give to a time series Fifth what are the implications for theological doctrines such as the Trinity creation providence and life after death The author offers a deep critical engagement with the Christian tradition but also goes beyond to build

analytic bridges to Jewish Islamic Hindu and Jainist philosophical theology The book provides an up to date discussion of issues within analytic metaphysics philosophy of time and philosophy of religion and draws on the resources of contemporary systematic historical and biblical theology Providence, Evil and the Openness of God William Hasker,2021-07-16

Providence Evil and the Openness of God is a timely exploration of the philosophical implications of the rapidly growing theological movement known as open theism or the openness of God William Hasker one of the philosophers prominently associated with this movement presents the strengths of this position in comparison with its main competitors Calvinism process theism and the theory of divine middle knowledge or Molinism The author develops alternative approaches to the problem of evil and to the problem of divine action in the world In particular he argues that believers should not maintain the view that each and every evil that occurs is permitted by God as a means to a greater good He contends that open theism makes possible an emphasis on the personalism of divine human interaction in a way that traditional views with their heavy emphasis on divine control cannot easily match The book concludes with a section of replies to critics in which many of the objections levelled against open theism are addressed The Rowman & Littlefield Handbook of Philosophy and Religion Mark A. Lamport,2022-04-07

The Handbook of Philosophy and Religion is a one volume examination of the most salient concepts that sit at the intersection of religion and philosophy This book grounds readers in the mysteries that have evoked wonder and consternation for millennia such as the nature of divinity in relation to humanity the legitimacy of religious experience and how we frame language to speak about it the possibility of miraculous occurrences and theories regarding life after death **Content and Method in Christian Theology** Alan PF Sell,2014-11-27 For three decades he flashed like a meteor across the theological horizon and then vanished **God Under Fire** Zondervan,2009-12-15

God Never ChangesOr does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity God Under Fire refutes the claim that major attributes of the God of historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists God Under Fire begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emot and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire *For Calvinism* Michael Horton,2011-10-25 In an eloquent defense of Calvinist

theology author and professor Michael Horton invites us to explore the teachings of Calvinism also commonly known as Reformed theology by showing how it is biblical and Christ centered leading us to live our lives for the glory of God The system of theology known as Calvinism has been immensely influential for the past five hundred years but it s often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant Taking us beyond the caricatures and typical reactions For Calvinism Explores the historical roots of Reformed thought Delivers the essence of Calvinism examining its distinctive characteristics such as election atonement effectual calling and perseverance Encourages us to consider its rich resources for faith and practice in the present age As a companion to Roger Olson s Against Calvinism critique and response readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism *Divine Power and Evil* Kenneth K. Pak,2016-04-06 Evil perplexes us all and threatens to undermine the meaningfulness of our existence How can we reconcile the reality of evil with the notion of a God who is perfectly good and powerful Process theodicy whose foremost proponent is David Griffin suggests one answer because every being possesses its own power of self determination in order for God to attain the divine aim of higher goodness for the world God must take the risk of the possibility of evil Divine Power and Evil responds to Griffin s criticisms against traditional theodicy assesses the merits of process theodicy and points out ways in which traditional theism could incorporate a number of Griffin s valuable insights in progressing toward a philosophically and theologically satisfactory theodicy It provides a new and important contribution to a long standing debate within philosophy of religion and theology *Commentary & Reference Survey* John Glynn,2003 This reliable guide lists and ranks approximately 800 Bible commentaries and 1 200 printed volumes as well as numerous computer resources related to biblical interpretation theology and church history Commentaries are categorized by level and approach and recommended titles are highlighted A unique and special studies section lists works of significance for each book of the Bible **Who Rules the World** Hans Schwarz,2021-03-30 Over a career spanning more than fifty years Hans Schwarz has grappled with nearly all of Christianity s major theological questions In this latest volume Schwarz tackles the perennial problem of evil How is it possible to reconcile the manifest evil and pain in the world with the biblical promise of hope and redemption Are we in fact lonely wanderers in the immensity of the universe about whom nobody cares or is there something above and beyond us in which we can trust To this perennial question Schwarz brings his signature blend of pastoral sensitivity and scholarly acumen Informed by decades in the classroom Schwarz offers a sweeping survey of views of the problem of evil beginning with the world s major religious traditions before focusing on the major views across the broad span of Christian history The book aims to help readers interested in the problem of evil understand the broad sweep of human thought about the problem and make informed assessments of the issue for themselves **Most Moved Mover** Clark H. Pinnock,2019-10-01 In 1994 Clark Pinnock along with four other scholars published The Openness of God which set out a

new evangelical vision of God one centered on his open relational and responsive love for creation Since then the nature of God has been widely discussed throughout the evangelical community Now Pinnock returns with *Most Moved Mover* to once again counter the classical deterministic view of God and defend the relationality and openness of God This engaging defense of openness theology begins with an analysis of the current debate followed by an explanation of the misconceptions about openness theology and a delineation of areas of agreement between classical and openness theologians *Most Moved Mover* is for all evangelicals regardless of their viewpoint as it lays out the groundwork for future discussions of the open view of God

The Enigmatic Realm of **Searching For An Adequate God**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Searching For An Adequate God** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Searching For An Adequate God Introduction

In the digital age, access to information has become easier than ever before. The ability to download Searching For An Adequate God has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Searching For An Adequate God has opened up a world of possibilities. Downloading Searching For An Adequate God provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Searching For An Adequate God has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Searching For An Adequate God. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Searching For An Adequate God. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Searching For An Adequate God, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus

software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Searching For An Adequate God has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Searching For An Adequate God Books

What is a Searching For An Adequate God PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Searching For An Adequate God PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Searching For An Adequate God PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Searching For An Adequate God PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Searching For An Adequate God PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
