Movies and the Church of Baseball Jonathan Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema, from The Busher 1919 to Angels in the Outfield 1994 and present-day movies. This book examines The Natural Field of Dreams, Bull Durham, and other films exploring the frequency of Christian imagery and themes in the American baseball movie. From Babe Ruth's performance of a miracle to help a disabled boy walk again in The Babe Ruth Story to Shoeless Joe Jackson's question to Ray Kinsella, is this heaven in Field of Dreams? Christian themes and American baseball film are inextricably linked. This discussion encompasses symbolic imagery in mainstream film. Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before The Fall. **The Adventures of Miss Gregory** Perceval Gibbon, 1925 Enter the King Gordon Kipling, 1998 This study describes for the first time the ritual purposes, symbolic vocabulary, and quasi-dramatic form of one late medieval courtly festival, the royal entry. Although the royal entry as a formal ceremony can be traced back as an unbroken tradition from late Classical times through to the Renaissance, Kipling begins where the royal entry adopts pageantry as its essential medium in the late fourteenth century. Once Upon A Season Roger O'Guin,2020 The course of our lives is often predetermined by our family and cultural mindsets Traditionally humans seem to

follow the edicts of current and historic thought even though many cultural ideas prove to be unreliable across history Do things change or were we wrong about a number of ideas from the beginning We can change attitudes and consequently influence our personal future We can cultivate our intuition and create new possibilities for ourselves Some people create misfortune without even knowing it Success for them becomes a fantasy that never seems to materialize because certain choices were made without accurate perceptions or reflection This accounts for many people becoming compliant and disappointed Even overwhelmed Some decisions are made out of habit and the same routines abet certain people in overlooking the possibilities that could begin a new and exciting future This book details information on the individual aspects of success and is a unique approach to understanding how history and our environment can help us or hinder us This work outlines a system of success that has proved effective for Americans competing in the workforce or struggling with life's personal challenges The book also contains historical facts regarding humanity and the previous thinking of our ancestors that brought us to the present Not all of their thinking was healthy or productive In this current season of human existence many people have become swayed by misinformation and so I have chosen politics and religion as examples of how age old thinking can bring about unintended but large scale consequences Even our chosen official's minds loiter in outdated and inefficient thinking which fatigues their brains thus not assisting them in assisting us Everyone seems to embrace their own version of the truth however this habit can be costly when that truth turns out to be inaccurate As separate assemblies of peoples we have gone against nature in creating many differing even conflicting truths that have caused divisiveness among people that does not have to influence our interactions in destructive ways Perhaps its time for us as a species to embrace the wisdom that has been our inheritance since the time of our own invention I hope my words will do their part in bringing us back together as was the original intention of our creation **The Book of Books** John Schaller,1918 Pearls from Heaven Myra Irizarry,2007-01-08 **A Gratefulness Guide to Jewish Festivals** Rabbi Henry Glazer,2012-07-31
