K Fisher Doris Lessing Mary Oliver Adrienne Rich May Sarton and Florida Scott Maxwell were among the many guides she turned to for inspiration In *The Lioness* in Winter Burack Weiss blends an analysis of key writings from these and other famed women authors with her own wisdom to create an essential companion for older women and those who care for them She fearlessly examines issues such as living with loss finding comfort and joy in unexpected places and facing disability and death This book is filled with powerful passages from women who turned their experiences of aging into art and Burack Weiss ties their words to her own struggles and epiphanies framing their collective observations with key insights from social work practice
