Winner, 2002-09-16 Like most of us Lauren Winner wants something to believe in The child of a reform Jewish father and a lapsed Southern Baptist mother she chose to become an Orthodox Jew But as she faithfully observes the Sabbath rituals and studies Jewish laws she finds herself increasingly drawn to Christianity Taking a courageous step she leaves behind what she loves and converts Now the even harder part How does one reinvent a religious self How does one embrace the new without abandoning the old How does a convert become spiritually whole In GIRL MEETS GOD this appealingly honest young woman takes us through a year in her search for a religious identity Despite her conversion she finds that her world is still shaped by her Jewish experiences Even as she rejoices in the holy days of the

Christian calendar she mourns the Jewish rituals she still holds dear Attempting to reconcile the two sides of her religious self Winner applies the lessons of Judaism to the teachings of the New Testament hosts a Christian seder and struggles to fit her Orthodox friends into her new religious life Ultimately she learns that faith takes practice and belief is an ongoing challenge Like Anne Lamott's Winner's journey to Christendom is bumpy but it is the rocky path itself that makes her a perfect guide to exploring spirituality in today's complicated world Her engaging approach to religion in the twenty first century is illuminating thought provoking and most certainly controversial

Correlation of Muslim Doctrine and Latter-day Saint Doctrine Amos R. Jackson, 1997

The Battle Between the Moon and Sun Jenny Kien, 2003 Woman's mysterious bleedings in time with moon cycles were first seen as the human embodiment of the cosmic mysteries of birth death and rebirth and served as the basis for time keeping With the rise of absolute kingships in the Ancient Near East authority shifted from women and goddesses to men and gods The male sun displaced the cycling moon as dominant deity This conflict between the moon and sun estranged women from the cosmic dance and led to their social marginalization Spiritual imagery became solar an exclusive and masculine imagery recognizing only one truth and demonizing all else Incorporated into Judaism and Christianity this imagery became an integral part of Western culture The history of the Jewish and Christian calendars show how women were

excluded from time keeping further marginalizing them This eliminated the natural world from time keeping adding to our alienation from nature To end the Battle between the Moon and Sun a new spiritual imagery must replace the current solar form The history of the Battle shows that redeveloping the old female lunar imagery could help restore social inclusiveness and a reverence for life The Bible and the Comic Vision J. William Whedbee, 1998-05-28 Apart from the occasional recognition of comic forms or motifs in biblical dress the vast majority of interpreters have usually discounted or even disdained the possibility of the Bible having any significant place for the comic vision This book attempts to make amends for this short sighted prejudicial perspective *Reference Sources for Small and Medium-Sized Libraries* Jack O'Gorman, 2014-02-25 Focusing on new reference sources published since 2008 and reference titles that have retained their relevance this new edition brings O Gorman s complete and authoritative guide to the best reference sources for small and medium sized academic and public libraries fully up to date **Rose Guide to the Feasts, Festivals and Fasts of the Bible** Paul H Wright, 2022-06-28 Packed with dozens of charts maps and timelines over 150 illustrations and photographs and easy to understand summaries this full color reproducible book on the feasts and celebrations of the Bible will help you understand key information at a glance Passover Yom Kippur Feast of Tabernacles Rosh Hashanah With all the ceremonies festivals and observances in the Bible it s hard to keep track of them all and remember why they re important to our faith But what if you could distill all this key information across dozens of chapters of the Bible into one solid easy to read handbook with images charts and diagrams It s never been easier to get an expert look at the traditions fasts and feasts of the Bible with this guide 5 leading authorities on biblical celebrations and disciplines will help condense their research and historical knowledge into key takeaways that you can learn quickly and easily Solid overviews of the feasts celebrations and rituals kept in ancient Israel and the Old Testament Historical background of the feasts and holy days in the centuries leading up to the New Testament Summary of modern day traditions kept by Jews today Key takeaways of how messianic communities observe biblical feasts and holidays today Presentation of how non messianic Christian congregations have adopted the feasts into liturgies theologies etc God commanded Moses and the children of Israel to observe feasts and holy days as memorials to the great things that he had done in their lives With expert research clearly understand how these times of celebration are important to help us better see God s complete picture and plan of redemption **The Jewish Book of Days** Jill Hammer, 2010-01-01 Throughout the ages Jews have connected legends to particular days of the Hebrew calendar Abraham s birth the death of Rachel and the creation of light are all tales that are linked to a specific day and season The Jewish Book of Days invites readers to experience the connection between sacred story and nature s rhythms through readings designed for each and every day of the year These daily readings offer an opportunity to live in tune with the wisdom of the past while learning new truths about the times we live in today Using the tree as its central metaphor The Jewish Book of Days is divided into eight chapters of approximately forty five days each These sections represent the tree s stages of growth seed

root shoot sap bud leaf flower and fruit and also echo the natural cadences of each season Each entry has three components a biblical quote for the day a midrash on the biblical quote or a Jewish tradition related to that day and commentary relating the text to the cycles of the year The author includes an introduction that analyzes the different months and seasons of the Hebrew calendar and explains the textual sources used throughout Appendixes provide additional material for leap years equinoxes and solstices A section on seasonal meditations offers a new way to approach the divine every day
