Seasons Of The Soul:

Seasons of the Soul Bruce Demarest, 2009-05-22 Spiritual formation professor and New Testament scholar Bruce Demarest helps us grasp the whole picture of the journey we're on with Christ that we might live our days with intention and keep moving toward maturity in faith Using Scripture writings from our rich spiritual tradition and stories of present day believers walking the same path of faith Demarest leads us through the three main stages of the journey to become more like Christ

Seasons of the Soul Cynthia Redfern, 2012-10-19 Born in the midst of the London Blitz in 1940 Cynthia Redfern came of age in post war Britain Here she learned the value of independence hard work friendship and family They would all contribute to each season of her life Full of vivid detail Seasons of the Soul shares Cynthias unusual life story Even though the road was often rocky and some seasons offered more challenges than others Cynthias determination to keep her integrity intact saw her through In an easy conversational style she relates her childhood years remembering her grandfather the boy she befriended at age six a friendship that lasted sixty four years and the house she lived in for nearly twenty years With unflinching candor Cynthia describes her loss of innocence as she was sexually abused for three years by a much older boy a tragedy that would forever affect her She describes her life as a teenager her travels through Europe her early relationships her marriage to her husband David and their subsequent move to Canada As the years passed Cynthia became a mother a farm wife an entrepreneur and eventually a grandmother Each season provided its share of joys and challenges molding her into the person she is today Inspiring and heartwarming this memoir tells a story of courage and commitment to living the best life possible

Weston, 1963 *Seasons of the Soul* Michelle Derusha, 2022-05 One year after stepping away from her vocation and career

as an author Michelle DeRusha was walking through the tallgrass prairie near her home observing the subtle signs of early spring when she felt the first stirrings of her soul beginning to reawaken In that moment after a year of winter dormancy and retreat as spring peepers trilled a symphony from the greening bluestem Michelle realized that creation and the cycle of the seasons have much to teach us about living in alignment with the seasons of our own souls Seasons of the Soul invites you to come alongside as Michelle leans close to her surroundings on the Great Plains of Nebraska listening to and observing what creation and the cycle of the seasons have to teach us about our deepest selves As the seasons unfurl month after month always revealing something new we too are invited to explore the fresh insights this ancient metaphor can and will reveal about ourselves and our own spiritual journey of personal transformation toward becoming Weaving descriptive observations of the natural world with personal narrative insights into spiritual formation and commentary on societal and cultural expectations and written with candor authenticity and vulnerability Seasons of the Soul offers a path and companionship to those yearning to live as their truest God created selves

This collection speaks about the experience of nature religion thought ideas and people sometimes with the anxiety that those relationships can bring but also with plenty of celebration There are thoughtful ponderings gazing into the beauty and rawness of nature from wide sweeping beaches or forests to tiny stones and fleeting birds Fractured meaning is celebrated even in its incompleteness alongside the pleasure of wholeness inner certainty and realization
