Celebrity Chefs of New Jersey Teresa

Politano,2010-10-25 One demanding New Jersey chef once tied his cooks to the stove by their apron strings Another was such a finicky eater as a child he refused to allow his cereal to touch his milk One was kissed by Fidel Castro another played onstage with Todd Rundgren Celebrity Chefs of New Jersey peeks into the kitchens and the lives of some of the most famous chefs in the Garden State where foodies and other gourmands will discover passions kitchen secrets life lessons and signature recipes Not so long ago perhaps even just at the turn of this century it was easy to lament the lack of sophisticated food in New Jersey Oh sure a few restaurants always sparkled but for the most part New Jerseyans looked across at the bright lights of the big city wistfully yearning for a table in glamorous Manhattan Now however the most sought after tables are right here and we have the best seats in the house made even sweeter perhaps because they're our own little secret We can dine frequently and dine well with a smug sense that if only New Yorkers knew they'd be looking across the river wishing they were us In Celebrity Chefs of New Jersey Teresa Politano profiles Craig Shelton the chef who crystallized New Jersey's place in culinary history with his legendary Ryland Inn along with other chefs telling their personal stories of both creativity and survival Some of these men and women rose from humble or difficult childhoods to fame in the food world Others were not only talented but lucky enough to be in the right place at the right time Their stories are arranged into three categories legends stars and chefs to watch and then topped off with a sweet surprise finish Politano includes photographs cooking secrets and some of their sought after signature recipes that are sophisticated but manageable for the skilled home chef

Food and Drink in American History Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history

Cooking Dirty Jason Sheehan, 2010-06-29 THE GRIT AND GLORY OF RESTAURANT LIFE AS TOLD BY A SURVIVOR OF KITCHENS ACROSS AMERICA Cooking Dirty is a rollicking account of life on the line in the restaurants far from culinary school cable TV and the Michelin Guide where most of us eat out most of the time It takes the kitchen memoir to a rough and reckless place From his first job scraping trays at a pizzeria at age fifteen Jason Sheehan worked on the line at all kinds of restaurants a French colonial and an all night diner a crab shack just off the interstate and a fusion restaurant in a former hair salon Restaurant work as he describes it in exuberant sparkling prose is a way of life in which your whole universe becomes a small hot steel box filled with knives and meat and fire The kitchen crew is a fraternity with its own rites cigarettes in the walk in freezer sex in the basement the

wartime urgency of the dinner rush Cooking is a series of personal challenges from the first perfectly done mussel to the satisfaction of surgically sliced foie gras And the kitchen itself as he tells it is a place in which life s mysteries are thawed sliced broiled barbecued and fried a place where people from the margins find their community and their calling With this deeply affecting book Sheehan already acclaimed for his reviews joins the first class of American food writers at a time when books about food have never been better or more popular
