Secession Of Quebec And The Future Of Canada:

Secession of Quebec and the Future of Canada Robert Young, 1995-01-23 Robert Young discusses the ways in which Canadians might reconstitute their country after Quebec separates and considers possible political and economic arrangements between Quebec and Canada the association aspect of sovereignty association including the breakdown of economic cooperation Arguing that the long term future of Canada and the shape of Canada Quebec relations will depend on how the transition to sovereignty takes place Young provides a clear and detailed analysis of how the transition is likely to occur His discussion addresses major issues to be negotiated during the secession citizenship national debt borders armed forces and public service commercial and economic relations currency First Nations minority rights mobility and immigration and environmental matters For comparison Young draws on the experiences of other countries where peaceful secession has occurred including Czechoslovakia The second edition includes a new preface and concluding chapter that discuss to what extent the situation has changed since the referendum of 1995 *The Secession of Quebec and the Future of Canada* Robert Andrew Young, 1998 Based on the premises that Quebecers vote for independence in a referendum and Canada accepts this result The Secession of Quebec and the Future of Canada is a timely examination of the implications of separation for Quebec and the rest of Canada **The Secession of Quebec and the Future of Canada** Robert Andrew Young, Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 1995-01 Provides a thorough review of existing literature analysis of comparative cases of peaceful secession assessment of constitutional options for Canada without Quebec and a detailed set of scenarios on how the transition to sovereignty might occur and the implications of the separation for the long *The Creation of States in International Law* James R. Crawford, 2007-03-15 Statehood in the early 21st century remains as much a central problem as it was in 1979 when the first edition of *The Creation of States in International Law* was published As Rhodesia Namibia the South African Homelands and Taiwan then were subjects of acute concern today governments international organizations and other institutions are seized of such matters as the membership of Cyprus in the European Union application of the Geneva Conventions to Afghanistan a final settlement for Kosovo and still relations between China and Taiwan All of these and many other disputed situations are inseparable from the nature of statehood and its application in practice The remarkable increase in the number of States in the 20th century did not abate in the twenty five years following publication of James Crawford's landmark study which was awarded the American Society of International Law Prize for Creative Scholarship in 1981 The independence of many small territories comprising the residue of the European colonial empires alone accounts for a major increase in States since 1979 while the disintegration of Yugoslavia and the USSR in the early 1990s further augmented the ranks With these developments the practice of States and international organizations has developed by substantial measure in respect of self determination secession succession recognition de colonization and several other fields Addressing such questions as the unification of Germany the status of Israel and

Palestine and the continuing pressure from non State groups to attain statehood even in cases like Chechnya or Tibet against the presumptive rights of existing States James Crawford discusses the relation between statehood and recognition the criteria for statehood especially in view of evolving standards of democracy and human rights and the application of such criteria in international organizations and between states Also discussed are the mechanisms by which states have been created including devolution and secession international disposition by major powers or international organizations and the institutions established for Mandated Trust and Non Self Governing Territories Combining a general argument as to the normative significance of statehood with analysis of numerous specific cases this fully revised and expanded second edition gives a comprehensive account of the developments which have led to the birth of so many new states Indigenous Peoples and the Future of Federalism Amy Swiffen, Joshua Nichols, 2023-12-18 As a settler state Canada's claims to sovereign control over territory are contested by Indigenous claims to land and to self determination Indigenous Peoples and the Future of Federalism presents legal analyses that explore forms of federalism and their potential to include multiple and divided sovereignties This collection aims to advance reconciliation with Indigenous peoples in Canada and elsewhere by developing jurisprudence on the possibilities for a nation to nation relationship between Indigenous nations and Crown sovereignty Contributors use legal creativity to explore how federalism can be structured to include the constitutional jurisdiction of Indigenous nations Several chapters are grounded in the Canadian context while others connect the issues to international law and other settler colonial jurisdictions recognizing how Indigenous resistance to settler laws and government decisions can at the same time be the enactment of Indigenous legalities and constitutional cultures Ultimately Indigenous Peoples and the Future of Federalism offers innovative ways for Canada to move forward from this challenge using existing constitutional mechanisms to give life to a plurinational Canadian federalism inclusive of the jurisdiction of Indigenous peoples

Stephen Harper and the Future of Canada William Johnson, 2009-02-24 There has never been a book about Stephen Harper yet on June 28 he came close to being our prime minister If Paul Martin miscalculates Stephen Harper could be our next prime minister in months not years Who is this man Everyone knows that he became leader of the Alliance Party and against all odds gathered in the old Conservative Party to create a force designed to win power coming very close in 2004 Yet what are his core beliefs To what extent does he agree with his party's social conservatives who scared away voters in the last election Where will he take us if he gets power William Johnson has researched the Harper family background and the historical context that shaped his political career He paints a fascinating picture of a man who like Pierre Trudeau trained mentally for political power like an athlete training for the Olympics yet is not a natural politician and never really wanted the political leader's life By studying Harper's approach to the main issues in Canadian politics he shows that Harper is a sophisticated political operative far more complex and intellectual than the right wing Republican image that has been created for him This is a serious objective political biography short on gossip but long on clear discussion of Harper

s political views and how he got them Johnson s message Don t underestimate this man Reflections on Canada's Past, Present and Future in International Law/Réflexions sur le passé, le présent et l'avenir du Canada en droit international Oonagh E. Fitzgerald,Valerie Hughes,Mark Jewett,2018-06-30 Marking 150 years since Confederation provides an opportunity for Canadian international law practitioners and scholars to reflect on Canada s rich history in international law and governance where we find ourselves today in the community of nations and how we might help shape a future in which Canada s rules based and progressive approach to international law gains ascendancy This collection of essays each written in the official language chosen by the authors provides a thoughtful perspective on Canada s past and present in international law surveys the challenges that lie before us and offers renewed focus for Canada s pursuit of global justice and the rule of law Part I explores the history and practice of international law including sources of international law Indigenous treaties international treaty diplomacy domestic reception of international law and Parliament s role in international law Part II explores Canada s role in international law governance and innovation in the broad fields of economic environmental and intellectual property law Part III explores Canadian perspectives on developments in international human rights and humanitarian law including judicial implementation of these obligations international labour law business and human rights international criminal law war crimes child soldiers and gender Reflections on Canada s Past Present and Future in International Law R flexions sur le pass le pr sent et l avenir du Canada en droit international demonstrates the pivotal role that Canada has played in the development of international law and signals the essential contributions the country is poised to make in the future **Canadian Federalism and Its Future** Alain-G. Gagnon,Johanne Poirier,2020-09-23 The time is ripe to revisit Canada s past and redress its historical wrongs Yet in our urgency to imagine roads to reconciliation with Indigenous peoples it is important to keep in sight the many other forms of diversity that Canadian federalism has historically been designed to accommodate or could also reflect more effectively Canadian Federalism and Its Future brings together international experts to assess four fundamental institutions bicameralism the judiciary as arbiter of the federal deal the electoral system and party politics and intergovernmental relations The contributors use comparative and critical lenses to appraise the repercussions of these four dimensions of Canadian federalism on key actors including member states constitutive units internal nations Indigenous peoples and linguistic minorities Pursuing the work of The Constitutions That Shaped Us 2015 and The Quebec Conference of 1864 2018 this third volume is a testimony to Canada s successes and failures in constitutional design Reflecting on the cultural pluralism inherent in this country Canadian Federalism and Its Future offers thought provoking lessons for a world in search of concrete institutional solutions within and beyond the traditional nation state The Future of Tradition Leon Shaskolsky Sheleff,2013-09-05 Recent years have seen an increased interest in the variety of cultures co existing within one state and a growing acknowledgement of the values ensconced in pluralistic social structures this book examines the manner in which indigenous people can function in modern states

preserving their traditional customs while simultaneously adapting aspects of their culture to the challenges posed by modern life Whereas it was formerly assumed that these tribal frameworks were doomed to extinction and some states even encouraged such a process there has been a revival in their vitality linked to a recognition of their rights The book offers a comprehensive survey of various aspects of tribal life focusing on political issues such as the meaning of sovereignty legal issues dealing with the role of custom and social issues concerned with sustaining communal life A focused study is made of a whole series of legal factors relating to possession and ownership of land religious rites the nature of polygamous marriages the assertion of group rites the manner of peacefully resolving disputes and allied questions Recent judicial decisions are analysed as a reflection of the far reaching changes that have taken place in a process that has seen the former disregard of basic rights of indigenous people being replaced by an awareness of the injustices perpetrated in the past and a willingness to seek to redress them The comparison between approaches of different English speaking countries provides an account of interwoven developments

Reflecting on Our Past and Embracing Our Future Serge Joyal, Judith Seidman, 2019-03-04

Since 1967 the centennial of Confederation numerous political crises economic challenges and international events have helped to transform Canadian society and will continue to shape its future Taking these various challenges and opportunities of the past into account how does the future look for Canada In *Reflecting on Our Past and Embracing Our Future* diplomats politicians scientists and human rights leaders including Phil Fontaine Michaëlle Jean Ellen Gabriel Paul Heinbecker Bob Rae Jean Charest and David Suzuki have come together to share their wisdom and experience of events that have marked the country over the last fifty years Reflecting on the role of the Senate in Canada as complementary to the House of Commons they consider central issues such as the condition of indigenous peoples the obligations of the Charter of Rights and Freedoms the recognition of two official languages and the national unity referendums Contributors also discuss the transformation of the economy in a globalized and digital world the role of Canada on the world stage at a time of growing tension and an increasing flow of refugees climate change and the uncertain future of the Arctic scientific and cultural competitions on the international market and the future of parliamentary democracy Correcting misconceptions about the contemporary role of the Senate and providing a counterargument for radical Senate reform *Reflecting on Our Past and Embracing Our Future* offers rich perspectives and fascinating insights about Canada's likely development in the coming years

Understanding Ethnic Conflict Ray Taras, Rajat Ganguly, 2006 The completely updated edition of this groundbreaking text provides students with a clear analytical framework for understanding ethnic conflicts and how they affect international relations This text surveys theories of nationalism and ethnic conflict and tests their applicability to a number of contemporary cases the more confident nationalism of Putin's Russia the intensification of ethnic war in Sri Lanka and the struggle to change the face of nationalism in the former Yugoslavia to name just a few After a look at the sources of nationalist conflict in a country each case study then asks how the international system reacted Taken as a whole the book

examines how successful the international system has been in managing the many ethnic conflicts that erupted after the Cold War This updated edition reflects all recent world events as well as the latest scholarship in the field *Civil Servants and Their Constitutions* John Anthony Rohr, 2002 Public administration as an American profession originated in the early twentieth century with urban reformers advocating the application of scientific and business practices to rehabilitate corrupt city governments That approach transformed governance in the United States but also guaranteed recurrent debate over the proper role of public administrators who must balance the often contradictory demands of efficiency and politically defined notions of the public good Currently the business approach holds sway Legitimated by Al Gore's National Performance Review the New Public Management movement promotes entrepreneurs over civil servants performance over process decentralization over centralization and flexibility over rules John Rohr demurs arguing that the movement goes too far in downplaying the distinctively American challenges arising from the separated powers principle Consequently the NPM alienates public management from its natural home a nation state established within a constitutional order According to Rohr nothing is more fundamental to governance than a constitution and therefore to stress the constitutional character of administration is to establish the proper role of administration as governance that includes management but transcends it as well This is not a novel argument for Rohr who was recognized in 1999 by the Louis Brownlow Committee of the National Academy of Public Administration for his lifetime contributions on the constitutional underpinnings of public administration But this new version of his rule of law critique directly addresses the NPM's excesses framed convincingly as a comparative study of cases found in four countries spanning three centuries As a result Rohr establishes that the constitutional administrative nexus is intimate stable pervasive and enduring The first half of the book examines the linkages between constitutions and administrations in France the United Kingdom and Canada all of them sufficiently similar to the United States to make comparisons meaningful and sufficiently different to provide illuminating perspectives on domestic practices The examples extend from the French Revolution through the founding of the Canadian Confederation in the 1860s to such contemporary issues as the influence of administrative directives from Brussels on the British courts The second half of the book examines American cases in three categories separation of powers individual rights and federalism In each case Rohr highlights instances of public management with all its warts and wrinkles tending to the mundane details of translating great constitutional principles into everyday actions American administrative law Rohr concludes has structured safeguards to protect the integrity of administrative decision making while also holding it accountable Constitutional law has helped establish civil servants freedom of speech and applied the fundamental principles of federalism to the administrative process He summarizes his findings from the case studies by saying that the constitutional role of American civil servants comes not only from specific American experiences but also from the very nature of civil service **Competition and Structure**

Albert Breton, 2000-06-05 The essays in this volume written by well known economists and other social scientists from North

America Europe and in one case Australia share to an unusual degree a common concern with the competitive mechanisms that underlie collective decisions and with the way they are embedded in institutional settings This gives the book a unitary inspiration whose value is clear from the new understanding and insights its chapters provide on important theoretical and practical issues such as the social dimension and impact of trust the management of information in bureaucratic settings the role of political parties in constitutional evolution inter level rivalry and reassignments of powers in federal and unitary systems of government the impact of ethnicity and nationalism on federal institutions or arrangements and the response of governments and overarching institutions of globalization

Sovereignty Referendums in International and Constitutional Law İlker Gökhan Şen,2015-01-28 This book focuses on sovereignty referendums which have been used throughout different historical periods of democratization decolonization devolution secession and state creation Referendums on questions of sovereignty and self determination have been a significant element of the international political and legal landscape since the French Revolution and have been a central element in the resolution of territorial issues from the referendum in Avignon in 1791 until today More recent examples include Quebec East Timor New Caledonia Puerto Rico and South Sudan The global aim of this book is to achieve a better empirical and legal understanding of sovereignty referendums and related problems in international and national law and politics Accordingly it presents readers a comprehensive study of sovereignty referendums from the perspectives of both international and constitutional law

The Future of African-European Relations Dirk Brand,Doris Dialer,Annegret Eppler,Andreas Pattar,2025-08-05 This book explores the future of African European relations with a focus on achieving equity in a global context Drawing on the expertise of policymakers institutional stakeholders scholars and practitioners from both the global south and the global north this contributed book offers unique insights into successful cooperation strategies between Africa and Europe By offering case studies and clear perspectives the book covers topics such as the implementation of public policies the role of culture and languages judicial independence e governance technical cooperation and project management energy crisis economic growth and global health Moving beyond conventional development rhetoric and geopolitical divides this book creates a common narrative for fostering an equitable global society This book goes beneath the general development rhetoric exploring the underlying dynamics of African European societies their local practices and cultures It also critically examines the post pandemic global health architecture and the energy crisis from an African European perspective Additionally it includes a dedicated chapter on the influential role of culture in shaping African European relations

Recognition Versus Self-Determination Associate Professor of Political Science Avigail Eisenberg,Avigail Eisenberg,Jeremy H. A. Webber,Andrée Boisselle,Glen Coulthard,2014-03-01 The political concept of recognition has introduced new ways of thinking about the relationship between minorities and justice in plural societies But is a politics informed by recognition valuable to minorities today Contributors to this volume examine the successes and failures of struggles for recognition and self determination in

relation to claims of religious groups cultural minorities and indigenous peoples on territories associated with Canada the United States Europe Latin America India New Zealand and Australia They point to a distinctive set of challenges posed by a politics of recognition and self determination to peoples seeking emancipation from unjust relations *Across Boundaries* André Blais, Cristine de Clercy, Anna Lennox Esselment, Ronald Wintrobe, 2021-06-09 Why and how does secession happen How do different levels of government interact with each other Why do some multilevel governments work better than others What makes political extremism so virulent in today's society These are some of the most pressing questions in political science today These questions and research areas secession multilevel government and political economy were the focus of the writing and scholarship of Robert Bob Andrew Young 1950 2017 Canada Research Chair in Multilevel Governance at the University of Western Ontario and one of Canada's most distinguished political scientists In *Across Boundaries* Young's former colleagues and students bring together contributions from his extensive network which included academics government officials and media personalities These essays speak to Young's legacy while providing new insight into research in multilevel governance secession and political economy Young's body of work is exemplary in its attention to concrete policy issues as well as in the breadth of his interest across many subfields of political science *Across Boundaries* honours his distinguished career and gives students professors and practitioners further insight into his scholarship **The Case for Multinational Federalism** Alain-G. Gagnon, 2009-09-10 Throughout the world liberal democracies are grappling with increasing claims made in the name of minority national socio cultural and ethno cultural identities that seek greater recognition in the institutions of the nation state This work inserts itself into debates centred on diversity through a normative and empirical analytical assessment of the political sociology of multinational democracies The main thread of the arguments put forward is that federalism in both its institutional manifestations and its sociological properties constitutes a promising avenue for the management of cohabitating political communities and for the affirmation of collective identities within states that are constituted by two or more nations Author Alain G Gagnon develops his argument by contending that the federal principle allows for the exercise of advanced democratic practices within nation states permitting internal nations to openly affirm the bases of adherence to a common political project At the same time he argues that federalism nourishes the development of distinct collective traditions that serve to benefit all parties to the association It is concluded that only in such a scenario will the elusive pursuit of an authentic and shared loyalty underpin multinational states and ensure their stability in contrast to the instrumental sentiments of belonging engendered by procedural territorial federal models Focusing primarily on the Canadian case this book also draws inspiration from other federal states Belgium the United States as well as federalizing states Spain the United Kingdom It will be of keen interest to students and scholars of Politics European Studies along with Nationalism and Federalism Studies *The Break-up of Yugoslavia and International Law* Peter Radan, 2004-01-14 The demise of the former Yugoslavia was brought about by various secessionist movements seeking

international recognition of statehood This book provides a critical analysis from an international law perspective of the break up of Yugoslavia Although international recognition was granted to the former Yugoslav republics of Slovenia Croatia Bosnia Hercegovina and Macedonia the claims of secessionist movements that sought a revision of existing internal federal borders were rejected The basis upon which the post secession international borders were accepted in international law involved novel applications of international law principles of self determination of peoples and uti possidetis This book traces the developments of these principles and the historical development of Yugoslavia s internal borders **Secession** Marcelo G. Kohen,2006-03-21 This book is a comprehensive study of secession from an international law perspective

Secession Of Quebec And The Future Of Canada Introduction

Secession Of Quebec And The Future Of Canada Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Secession Of Quebec And The Future Of Canada Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Secession Of Quebec And The Future Of Canada : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Secession Of Quebec And The Future Of Canada : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Secession Of Quebec And The Future Of Canada Offers a diverse range of free eBooks across various genres. Secession Of Quebec And The Future Of Canada Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Secession Of Quebec And The Future Of Canada Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Secession Of Quebec And The Future Of Canada, especially related to Secession Of Quebec And The Future Of Canada, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Secession Of Quebec And The Future Of Canada, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Secession Of Quebec And The Future Of Canada books or magazines might include. Look for these in online stores or libraries. Remember that while Secession Of Quebec And The Future Of Canada, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Secession Of Quebec And The Future Of Canada eBooks for free,

including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Secession Of Quebec And The Future Of Canada full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Secession Of Quebec And The Future Of Canada eBooks, including some popular titles.

FAQs About Secession Of Quebec And The Future Of Canada Books

What is a Secession Of Quebec And The Future Of Canada PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Secession Of Quebec And The Future Of Canada PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Secession Of Quebec And The Future Of Canada PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Secession Of Quebec And The Future Of Canada PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Secession Of Quebec And The Future Of Canada PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
