Simple Shaker Murder:

A Simple Shaker Murder Deborah Woodworth, 2014-12-23 Despite the hardships of the Great Depression Sister Rose Callahan's Shaker village of North Homage is surviving nicely Now they have visitors a group of reformers hoping to create a utopian community that allows more freedom Rose is disturbed by the group's attitudes and stunned when one of their members is found hanging from a tree The police are quick to rule the death a suicide but as Rose is leaving the orchard she notices a child hiding in a tree She is Marin the orphaned foster child of the dead man and Rose believes she may have witnessed the hanging The little girl appears to be deeply troubled and Rose is shocked to discover the cruelty and neglect that has cursed her short life Rose's fears grow as Shaker beliefs are challenged questions about the death remain unanswered and the little girl draws strange and mysterious pictures of her dreams images revealing a terrible evil and the danger that someone may be plotting to silence the only witness to a murder A Simple Murder Eleanor Kuhns, 2024-07-02 A superbly researched and beautifully crafted historical mystery about an estranged father and son and a murder in an early American Shaker community Toronto Globe Mail Winner Minotaur Books Mystery Writers of America First Crime Novel Competition Five years ago while William Rees was still recovering from his stint as a Revolutionary War soldier his beloved wife died Devastated Rees left his son David in his sister's care fled his Maine farm and struck out for a tough but emotionally empty life as a traveling weaver Now upon returning unexpectedly to his farm Rees discovers that David has been treated like a serf for years and finally ran away to join a secluded religious sect the Shakers Overwhelmed by guilt and hoping to reconcile with his son Rees immediately follows David to the Shaker community But when a young Shaker woman is brutally murdered shortly after Rees's arrival Rees finds himself launched into a complicated investigation where the bodies keep multiplying a tangled web of family connections casts suspicion on everyone and the beautiful woman on the edge of the Shaker community might be hiding troubling ties to the victims It quickly becomes clear that in solving Sister Chastity's murder Rees may well expose some of the Shaker community's darkest secrets not to mention endanger his own life Kuhns' intimate voice and all-seeing eye make the Shaker community seem an exotic world indeed But she also shows that greed envy and materialistic values are nothing if not universal The New York Times Book Review Kuhns's closed room mystery is refreshingly original both for its setting and time period Kuhns weaves together disparate threads into a beautiful finished piece Library Journal starred review Debut of the Month Gripping an ingenious story line including a truly surprising conclusion Richmond Times Dispatch **Historical Dictionary of the Shakers** Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly

life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of Historical Dictionary of the Shakers contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Murder, Sweet Murder** Eleanor Kuhns,2022-01-01 Will Rees accompanies his wife to Boston to help clear her estranged father s name in this gripping mystery set in the early nineteenth century January 1801 When Lydia s estranged father is accused of murder Will Rees escorts her to Boston to uncover the truth Marcus Farrell is believed to have murdered one of his workers a boy from Jamaica where he owns a plantation Marcus swears he s innocent However a scandal has been aroused by his refusal to answer questions and accusations he bribed officials As Will and Lydia investigate Marcus s brother Julian is shot and killed This time all fingers point towards James Morris Lydia s brother Is someone targeting the family Were the family quarreling over the family businesses and someone lashed out What s Marcus hiding and why won t he accept help With the Farrell family falling apart and their reputation in tatters Will and Lydia must solve the murders soon But will they succeed before the murderer strikes again Murder on Principle Eleanor Kuhns,2021-07-01 Will Rees faces a moral dilemma when a slaveholder is murdered while attempting to recapture a former
