Remington Firearms follows the rise of the company from Eliphalet Remington's first handmade gun in 1816 to the dominance of the Remington factories during the early industrial era with lavish custom made pieces for heroes and statesmen with the triumph of the common man's gun and with the little 22 which became a part of so many childhoods. It is also a history of innovation of the rush to create with the development of the first hammerless repeater, the first slide action rifle, advances in boring and revolutions in ammunition. And the modern classics like the 870 pump action Wingmaster shotgun and the Model 700 bolt action rifle. Complete with more than 150 full color photographs including designer drawings and pictures of the gun in use throughout history. The History of Remington Firearm is a collector's edition for gun enthusiasts and historians alike.
