Long Term Counselling:

Handbook of Counselling Gladeana McMahon, Stephen Palmer, 2014-04-23 The Handbook of Counselling provides a comprehensive and up to the minute guide for counsellors and those using counselling skills in other professions The contributors all experienced practitioners explore the major arenas and settings in which counselling is practised as well as the key themes and issues faced by those working in this field This edition of the handbook has been thoroughly revised and updated to reflect the pace of growth and change within counselling over recent years Six new chapters have been added covering brief and time limited counselling working with adults abused as children trauma and post traumatic stress disorder counsellor client exploitation private practice counselling in voluntary settings Published in association with the British Association for Counselling the Handbook of Counselling provides a definitive source of information and guidance for counsellors both in training and practice

Referral and Termination Issues for Counsellors Anne Leigh, 1998-06-28 This book guides trainee and practising counsellors through the practical issues surrounding the referral of clients a procedure which may be necessary at any time during the counselling process Stressing ethical issues and the need to be aware of limits of competency Anne Leigh provides straightforward guidelines The sensitive ethical handling of termination is also an important part of this book backed up by clear examples and recognition of the emotional consequences of referral or termination for both counsellor and client She examines the situations most frequently calling for referral and the ways in which referral may take place responsibly and satisfactorily The volume covers whether how to whom and when

Counselling for Psychosomatic Problems Diana Sanders, Dr Diana J Sanders, Dr, 1996-04-04 New approaches from cognitive therapy have made significant advances towards helping clients with psychosomatic problems This practical and comprehensive guide describes a cognitive way of working with clients who present for counselling with physical symptoms but where psychological issues or problems are causing or maintaining those symptoms

Counselling Adult Survivors of Child Sexual Abuse Christiane Sanderson, 2006 This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse CSA In a reasoned and thoughtful approach this book honestly addresses the complex issues in this important area of work providing practical strategies valuable and new insights for counsellors

Effective Short-Term Counselling within the Primary Care Setting Valerie Garrett, 2018-03-26 This book covers two distinct yet related topics the primary care setting and the counselling carried out within it and it can be dipped into or read straight through Part One using psychodynamic and systems theory explores the holding environment of primary care the interpersonal relationships within the primary care team and other variables affecting counselling in a medical organisational setting Part Two takes the counsellor through the how of using psychodynamic and Cognitive Behavioural Therapy CBT approaches within short term contracts in this setting Case studies and scenarios are given to illustrate these The counsellor is guided through assessing the patient s counselling needs either within a psychodynamic or

CBT model or to formulate a tailor made short term contract using elements drawn from psychodynamic CBT and supportive counselling

Time-Limited Counselling Colin Feltham,1997 Excellent the book explores the provision of effective counselling with limited resources and under strict time pressures with some excellent writing on the nature of time and attitudes to time in counselling and psychotherapy the evidence in favour of short term counselling is put strongly Colin Feltham favours it as an approach of choice for certain clients which should coexist with rather than adversarially seek to oust and replace longer term therapy he draws from a wide range of literature while identifying those key ingredients skills and strategies that he has found especially significant He also discusses some of the different contexts in which this work operates Many of the questions and issues he poses

Short-term Counselling in Higher Education David Mair,2015-11-19 As demand for counselling from students across Higher Education HE increases year on year counselling services are continually seeking to explore creative ways of working under the pressure that results from this rise in client numbers One of the most frequent responses to increased demand is limiting the number of sessions that individual students may have Until Short term Counselling in Higher Education there has been no text which provides a contextual theoretical and practical input to this evolving way of working This book explores constructive ways of providing very short term counselling within a Higher Education context Using case studies and employing up to date statistics from the sector the book gives readers a clear understanding of the nature of the professional challenges and offers ways of addressing these including managing waiting lists developing policies to facilitate timely intervention and understanding the limitations of what short term therapy can offer Short term Counselling in Higher Education explores the implications of working in Higher Education counselling services in this very short term way and as such it will be an essential resource for counsellors heads of counselling services and student services managers in Higher Education helping to find ways of delivering effective short term interventions within existing counselling services

Diagnosis and Treatment Planning in Counseling Linda Seligman,2004-07-14 Key features of the third edition An overview of the changing face of counseling from emerging employment opportunities to core competencies for counselors and trainers A broad range of qualitative and quantitative assessment tools with guidelines for their selection and interpretation A thorough review of the current edition of the Diagnostic and Statistic Manual of Mental Disorders including strategies for multiaxial assessment The DO A CLIENT MAP a comprehensive structured approach to treatment planning Expanded coverage of individual family and group interventions An updated chapter on documentation report writing and record keeping with sample reports and forms Brand new chapters on career and organizational development counseling and ethical standards for counselors A predictions chapter identifying trends most likely to influence the future of the field Case studies models and examples throughout

Counselling Anthony Yeo,1993 *Clinical Counselling in Primary Care* John Lees,2020-12-15 Clinical Counselling in Primary Care examines the complexities and variety of uses of clinical counselling employed in a medical setting With an estimated 2 in 3 GP sugeries

now employing a counsellor or referring patients on a regular basis this book tackles key debates head on It discusses a range of important clinical issues such as therapeutic framework clinical work as part of the greater whole the need to develop suitable therapeutic models Clinical Counselling in Primary Care looks at possible developments in the future and argues for the improvement of the standing of counselling in relation to other primary care professions

Counselling Adolescents Kathryn Geldard,David Geldard,Rebecca Yin Foo,2015-10-31 This is the definitive guide to counselling adolescents Now in its fourth edition this bestseller has introduced thousands of trainees and practitioners to the theory principals skills and techniques of proactively counselling this client group New to the fourth edition A new chapter on the contemporary context of adolescence exploring the challenges opportunities and influences facing young people today A new chapter on the use of technology when counselling young people Useful links to relevant online resources at the end of each chapter Updates to all chapters reflecting more recent understanding research and literature Additional case studies to help trainees apply theory and strategies to practice A multi disciplinary book which recognises that a diversity of needs requires a diversity of approaches and skills it uses case studies and examples to demonstrate this in a variety of settings It is essential reading for trainees and practitioners in counselling social work the allied health professions and education

Single Session One at a Time Counselling with Couples Martin Söderquist,2022-12-05 This book introduces One at a Time OAT Single Session Therapy SST for couples presenting a new and innovative format for couples counselling and therapy that fills the gaps between SST and traditional couples therapy models The book covers the historical background of brief therapy the concept of change in different therapy models and the different formats of SST The general mindset as well as the specific thinking and practice of SST OAT are described in detail combined with practical guidelines and many concrete examples from couple sessions Five full length OAT session stories give the reader a clear sense of what OAT with couples really is like and how different counselors use their personal styles and preferences Single Session One at a Time Counselling with Couples is written for working therapists therapists in training supervisors managers and couples themselves who are thinking of scheduling therapy
