

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.

A Night at the Opera Sir Denis Forman, 1998-09-01 Delightful and anti-reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty-three most popular operas recorded on compact disc from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of *Fidelio* is a bit of a mess while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Cos* and whether

or not it is Mozart's greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience's applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come

The Collected Works of Thomas Kyd Thomas Kyd, 2024 First complete integrated corpus of this major Elizabethan writer and first critical edition of his collected works in over one hundred years with major new discoveries of authorship and attribution Thomas Kyd 1558-94 is best known as author of The Spanish Tragedy the first revenge play hugely influential on Shakespeare and other dramatists He also wrote another love tragedy Soliman and Perseda and Cornelia a classical tragedy translated from the French This is a small canon for a dramatist described as industrious Kyd worked between 1585 and 1594 when the instability in the London theatre caused by the plague led to companies breaking up and plays being published anonymously For over a century scholars have been searching for Kyd plays the most frequently attributed being Arden of Faversham Uniting accepted methods with modern electronic data processing Brian Vickers has endorsed Kyd's authorship of Arden and added two other plays King Leir Shakespeare's main source and Fair Em a comedy justifying Jonson's reference to sporting Kyd His research has also identified Kyd as co-author with Nashe of horey the vi which became 1 Henry VI after Shakespeare adapted it to his Wars of the Roses sequence The evidence suggests that Kyd and Shakespeare co-authored Edward III The Collected Works of Thomas Kyd brings together for the first time his dramas poetry translations and letters in accurate modernized editions each text edited by one of a team of internationally renowned scholars accompanied by commentaries collation notes and introductions Kyd emerges as a pioneering playwright of much greater generic range than has been hitherto recognized His newly defined canon will stimulate a fresh evaluation of English drama in this crucial period
