## **Long Patrol:**

*The Long Patrol* Brian Jacques, 2004-09-09 Barradum Barradum Barrabubbitybubbityboom Tamello De Fformelo Tussock wants more than anything to join the Long Patrol those staunch and stalwart hare warriors who make their home at the top of Salamandastron Mountain But Tammo as he is called is too young and inexperienced Or is he Guided by the nomad squirrel Russa Tammo makes his way to Redwall where the Long Patrol has gathered to protect their beloved Abbey from the great rat RapsCALLIONS And as the mighty rats rear their ugly heads and ancient Redwall warriors fall young Tammo learns what life death and honor really mean as a new generation of Redwall heroes comes to the fore to save their home from evil

**The Long Patrol** Michael Kozlowski, 2013-04-30 After a patrol lasting 139 years the Confederate States Submarine H L Hunley has returned home The Long Patrol describes how the world's first operational submarine was designed and built As this part of the story is methodically unveiled the characters of Horace Lawson Hunley and the Confederate military officers who backed him come to life and step off the pages of the book On another level this book is an indispensable social history of the Confederacy during its slow death It concludes with a description of the burial of the crew of the H L Hunley In his discussion of the likely causes for the loss of the Hunley Mike Kozlowski's description of exhaustion exposure cold ever decreasing oxygen levels and the multiplying factors of ill health concussion and long term malnutrition all strike a resonant chord His is the most likely and well substantiated explanation for the loss of the Hunley and one that fits well with information gained during the recovery of the sunken submarine

**The Long Patrol** Brian Jacques, 2012-10-31 The tenth book in the beloved bestselling Redwall saga soon to be a major Netflix movie Tammo dreams of joining the Long Patrol the legendary army of fighting hares who serve Lady Cregga Rose Eyes ruler of Salamandastron And with Damug Warfang's mighty battalion of savage vermin on the rampage young Tammo's dream is about to become a brutal reality

**The Long Patrol** Roy Bainton, 2011-10-14 When the Allies occupied Germany at the end of the Second World War there were two million men present to witness the devastating end of the Third Reich Few of them could have imagined just how long this occupation was going to last right up to the fall of the Berlin Wall in 1989 and well into its aftermath Today some 17 000 British troops remain in Germany But over the past four and a half decades tens of thousands of British men and women have lived and worked in British Zone as members of the British Army of the Rhine BAOR some for relatively short periods many for much longer Long enough though for the experience to have a profound effect on their lives and on their attitudes THE LONG PATROL reveals what life has been like in the British Zone for those men and women and their families As the post war worlds of Britain and Germany had little in common they had to find their own identity often suspended between the two And what did the Germans make of the British How did they react when whole streets sometimes whole districts were requisitioned and occupied What were the psychological effects of a foreign army taking over the barracks of what had been until so recently the homes of the warriors of the 1 000 Year Reich Eventually the British became more and more insulated

against the culture around them building their own camps their own cinemas In major centres like Berlin they lived a separate life whilst all around them Germany got on with the massive task of reconstruction In the background there lurked the ever present spectre of a possible Third World War Based largely on interviews and information culled from personal diaries and letters THE LONG PATROL is primarily an oral history of the British in Germany It also analyses and interprets experiences in an attempt to begin to make sense of an unusual and still significant part of British history in the twentieth century Funny tragic bizarre and poignant in equal parts THE LONG PATROL is an important contribution to the social history of post war Britain and Germany *The Long Patrol* Brian Jacques, 1997-07 *The Long Range Desert Group in Action 1940-1943* Brendan O'Carroll, 2020-12-30 This first pictorial history of the LRDG covers all aspects of its work and the vehicles and weapons they used in their devastating raids Beating Tsundoku The Long Range Desert Group has a strong claim to the first Special Forces unit in the British Army This superb illustrated history follows the LRDG from its July 1940 formation as the Long Range Patrol in North Africa tasked with intelligence gathering mapping and reconnaissance deep behind enemy lines Manned initially by New Zealanders in 1940 the unit became the LRDG with members drawn from British Guards and Yeomanry regiments and Rhodesians So successful were the LRDG patrols that when the Special Air Service was formed it often relied on their navigational and tactical skills to achieve their missions After victory in North Africa the LRDG relocated to Lebanon before being sent on the ill fated mission to the Dodecanese Islands in the Aegean Serving independently when the Germans overwhelmed and captured the British garrisons many LRDG personnel escaped using their well honed skills Many images in this the first pictorial history of the LRDG were taken unofficially by serving members The result is a superb record of the LRDG's achievements the personalities their weapons and vehicles which will delight laymen and specialists alike Well written The photographs brought together here are a stunning selection despite the various quality as it shows the men and machines living the war they fought in Armorama A must read page turner Richard Gough military author and historian Informative and full of exciting detailed accounts of operations that occurred throughout the LRDG's reign of terror on the Axis forces during the war AMPS *The Long Patrol* Brian Jacques, 1997 Tammo a daring young hare hungry for adventure is sent with Russa Nodrey the wandering red squirrel to join the Long Patrol and defend Salamandastron against the Rapsallion horde *Guadalcanal Campaign*, **Long Time Passing** Myra MacPherson, 2009-04-20 This new edition of a classic book on the impact of the Vietnam War on Americans reintroduces the haunted voices of the Vietnam era to a new generation of readers Based on more than 500 interviews Long Time Passing is journalist Myra MacPherson's acclaimed exploration of the wounds pride and guilt of those who fought and those who refused to fight the war that continues to envelop the psyche of this nation In a new introduction Myra MacPherson reflects on what has changed and what hasn't in the years since these interviews were conducted explains the key points of reference from the 1980s that feature prominently in them and brings the stories of her principal characters up to date A haunting

chorus of voices a moving deeply disturbing evocation of an era San Francisco Chronicle A brilliant and necessary book this stunning depiction of Vietnam's bitter fruit is calculated to agitate even the most complacent American Philadelphia Inquirer There have been many books on the Vietnam War but few have captured its second life as memory better than Long Time Passing Washington Post Book World Enthralling reading full of deep and strong emotions New York Times Gregory Owen, 2006 Recalls the experiences of Karl Baumann who joined the German Merchant Marine as a cabin boy at the age of fourteen in 1939 Baumann enlisted in the German Navy or Kriegsmarine in 1941 and served as an anti aircraft gunner in the submarine service until his surrender to American forces in 1944 Describes Baumann's internment at the prisoner of war camp at Lyndhurst Virginia his repatriation to Germany and his subsequent emigration to Virginia in 1951 *The Trident Deception* Rick Campbell, 2014-03-11 A modern day Hunt for Red October an armed nuclear submarine is taken over and must be hunted down before its weapons are launched *The Spirit of Democracy* Lyman Pierson Powell, Gertrude Wilson Powell, 1918 *Mariel of Redwall* Brian Jacques, 2003-03-31 When the mouse ship carrying Joseph the Bellmaker and his daughter Mariel runs afoul of a pirate rat king they are mercilessly tossed overboard Washed ashore and certain that her father is dead Mariel vows revenge *An Analytical Guide to Television's Battlestar Galactica* John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama *Combat Training of the Individual Soldier and Patrolling* United States.
