Through the Fire Lucy Dickens,2021-12-23 Imagine what it would be like to walk in freedom to break through past pain and trauma to become whole and healed What if your broken marriage could find strength for tomorrow hope and healing like never before Lucy shares her own broken journey traveling through the pain and trauma of some of life s most difficult trials persevering through sexual and verbal abuse bullying chronic illness and pain a marriage torn apart a life and death diagnosis and even terrifying natural disasters This book was written for those who are seeking to become whole again longing for restoration and clarity ready to break free and find healing Is this you What do you do with your broken heart Through Lucy s story you will discover hope and witness the healing power of God s love through Jesus that she experienced exploring her own broken road and path to restoration Lucy set out to write her story isolated in the woods at her cabin when a forest fire broke out The fire raged closer and closer as she alternated between fire updates and her writing Who knew this was supposed to be about the past and the here and now God knew he had a plan After a terrifying night with the wind howling and shaking the windows the smell of smoke filling the house she was evacuated with the fire just a half mile away The title to the book emerged Through the Fire Traveling the Broken Road to Hope and Healing Let Lucy s inspiring story open your heart and eyes to the healing power of grace and redemption through walking hand in hand with Christ Rejoice with Lucy at the healing and wholeness found in Him alone In Him all is made new in Him nothing is impossible in Him we find healing and wholeness Praise for Through the Fire As a pastor one of my greatest joys is to watch God change lives Lucy is one of those people who became completely changed when she reached the end of herself and found God waiting there for

her She and her husband Richard became solid leaders in the church and their testimony has been an inspiration to so many others I have full assurance that as her story unfolds her readers will be encouraged to overcome their own hardships by partnering with a God who specializes in making the impossible possible Dr Don Wilson founder of Accelerate Group and founding Pastor of Christ Church of the Valley CCV What if the pain from your past is actually a springboard for God's greatest purpose in your future That's what you'll find from Lucy's story What she endured is unthinkable but how God used it is unimaginable This just might be the book God uses to change the trajectory of your life Ashley Wooldridge Senior Pastor of Christ Church of the Valley CCV Through the Fire is Lucy's story Well actually Lucy is God's story of taking the tatters of abuse and making a tapestry of love Her hope is that this becomes your story too For all who have been abused dispossessed discarded or shattered Through the Fire is your path to making meaning out of the pain and beauty from the ashes Mark E Moore PhD Author of Core 52 From riveting stories to life giving truth Lucy invites us into the most intimate places of her journey With people chasing every way imaginable through the fire God has given us a gift with this book Lucy points us to the true healer to the only one who can restore to the only one who can give us the peace we all so desperately seek Jesus Rodney Cox Founder Ministry Insights International Lucy Dickens walked through a devastating forest fire protected only by God's guidance and love in order to bring her vulnerable story of surrender to life On one level her book is a page turner about all the ways she was brought to her knees by heartbreaking emotional and sexual abuse mental and physical illness betrayal and abandonment and even a horrific hurricane But the truly compelling narrative is the one about Lucy's growth as a spiritual warrior during which she found the courage to face her brokenness hand in hand with Jesus focusing her efforts on addressing her own issues and entrusting everything and everyone else to God's care Taking this unflinchingly honest and inspirational journey with Lucy will likely lead readers to strengthen their faith in God's abiding love and to experience the hope joy and peace that passes understanding Christians need the message that it's healthy to be honest transparent and vulnerable to let our own darkness become visible because whoever thinks that Christians are supposed to be perfect and without a history doesn't know Jesus Wendy Boorn M C L P C Licensed Professional Counselor and Author I Thought I'd Be Done by Now Hope and Help for Mothers of Adult Children Searching for Peace **Land of Eagles** Robin

Hanbury-Tenison, 2009-05-30 Albania is the least known and least developed country in Europe It has a long rich and troubled past characterised by unrest and isolationism Today very little is known of its people beyond those who have emigrated to other countries in Europe and its landscapes have remained virtually untravelled for centuries Determined to discover the country behind the stereotypes and preconceptions Robin Hanbury Tenison and his wife Louella rode across Albania from Thethi in the north to the border with Greece in the south Following in the footsteps of Byron Edward Lear and Edith Durham they crossed some of the wildest and arrestingly beautiful landscape in Europe Through soaring mountain ranges and hidden valleys dotted with Illyrian Roman and Byzantine ruins they lived simply staying in the homes of

communities untouched by the 21st century and in towns bursting with artistic creativity They discovered an ancient land proud and fiercely independent struggling to emerge from the darkness of repression and poverty and from the shadows of its more popular neighbours Land of Eagles is the story of a lyrical and dramatic journey peppered with adventure mishap discovery and unexpected encounters Adorned with the history legends and literature of Albania and with the tales of past travellers it is a luminous portrait of this mysterious and eccentric country which has for too long been forgotten by Europe
