cowhands ever to walk on God's green earth And now he might not be running for his life In Springfield a man looking to buy a horse has two choices he can go see the Tolliver brothers costly horses or he can look at Linda Collins's cheaper ones and risk getting pumped full of lead by the Tollivers hired hands So when Slocum a stranger to the town and its rules shows up on the wrong side of the fence he'll have to use his horse sense to protect the very grateful Collins sisters not to mention stay alive himself Ghost Squadron J. R. Roberts, 2002 At the request of the U S Secret Service Clint Adams is sent to the border town of Perro Rojo to infiltrate the revolutionary gang led by Colonel Diego Varillo that is threatening the region hoping to head off all out war between the U S and Mexico Random Gunfire J. Mississippi Flood of 1927 The river inundated the homes of almost one million people helped elect Huey Long governor and
made Herbert Hoover president drove hundreds of thousands of African Americans north and transformed American society
and politics forever The flood brought with it a human storm white and black collided honor and money collided regional and
national powers collided New Orleans s elite used their power to divert the flood to those without political connections power
or wealth while causing Black sharecroppers to abandon their land to flee up north The states were unprepared for this
disaster and failed to support the Black community The racial divides only widened when a white officer killed a Black man
for refusing to return to work on levee repairs after a sleepless night of work In the powerful prose of Rising Tide John M
